

Waggener High School

Waggener High Sports 1959, 2nd. Edition

This is one of many sections that contain information, photos, newspaper articles, internet items, etc. of the St. Matthews area and especially of Waggener High School. Many of the items came from Al Ring's personal collections but many people have helped and I have tried to give credit where I can.

The purpose of this "collection" was to create the history of Waggener and the students and teachers who were there during my time. Being retired I now have time to do many of the things I have always wanted, this project is just one of them. The collection is continuing today, so if you should have old or new information on the St. Matthews area from 1950 to 1962 or Waggener High, please contact Al Ring.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles and photos. Credit to the source of the photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. *The Courier-Journal*, *The Louisville Times* or one of the *Voice* publications. Books that we have used for some information include, *Randy*, *Cactus*, *Uncle, Ed and the Golden age of Louisville Television*, *Waggener High School Alumni Directory 1996*, *Waggener Traditional High School Alumni Directory 2007*, *Memories of Fontaine Ferry Park*, *St. Matthews The Crossroads of Beargrass* by Samuel W. Thomas, *St. Matthews, 25 Years a City Two Centuries a Community*, *St. Matthews 1960-1995*, *Waggener Lair's 1958 to 1962*, *The Holy Warrior*, *Muhammad Ali*, *Louisville's Own (An Illustrated Encyclopedia Of Louisville Area Recorded Pop Music From 1953 to 1983)*.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

Explanation of the following pages, (Please Read)

This section is on the history of Waggener High School Sports. Several alumni have helped by providing information for this section along with many articles from *The Voice Of St. Matthews* and the *Chit-Chat* and a few from *The Courier-Journal*. We appreciate everyone's contributions. Also, much of the information is from editions of the Waggener Year books, the *Lair*.

HELP NEEDED

If you have additional information, photos, etc. please get them to Al Ring so they may be shared with the Alumni of Waggener and friends. Your help is appreciated and needed.

Mike, Ramey and Brad lead Waggener to victory

by NICK LAMKIN

Mike Gambill, Ramey Simpson and Brad Arterburn combined for 45 points to lead Waggener to a hard-fought 53-49 win over DeSales Tuesday night at Waggener.

It was a see-sawed affair that saw the Cats build up a lead, lose it, and DeSales build up a lead and also lose it.

The Wildcats jumped off to an early 6-0 lead, and behind the eye of Ramey Simpson, increased it to 13-6 at the close of the first quarter. The visiting Colts however, kept nipping at the lead and before any-

one knew what was happening, they were on top 22-21. A free throw by Arterburn knotted the count at 22-22, but DeSales went into intermission holding a 24-22 edge.

The half-time rest did not halt the Colt's rally as they zoomed out in front 34-28. The Cats fought back valiantly and behind Gambill's eye at the foul stripe, tied it up at 36-36 as the third quarter closed.

Arterburn and Gambill led the last quarter rally that spelled victory. With the score deadlocked at 38-38, Arterburn, Simpson and Gibbs Reese added fielders, putting Waggener in front 44-38. DeSales cut the gap to three points twice, but Gambill tossed in some clutch free throws for the final count.

Arterburn took scoring honors for the Wildcats with 16 points. He was closely followed by Gambill with 15 and Simpson with 14. Reese added six and Kenny Lewis hit two to close out the scoring.

Larry Holman was outstanding for DeSales.

This win leaves Waggener's season record at three wins, six losses.

January 15, 1959

Wildcats bow 63-47 to Fern Creek

By NICK LAMKIN

Waggener continued its hard luck ways, losing its fourth straight, 63-47 to Fern Creek Friday night at the Creeker's court. The Tigers, behind an 28-point performance by Jerry Lawson, were too much for the Cats.

The taller, rangier and more experienced Tigers pulled away in the second half and Waggener could never get back into contention. The Wildcats battled the opposition on even terms the first quarter, but then Lawson went to work, riddling the nets with uncanny accuracy.

With the tilt knotted at 14-14, Fern Creek's defense dug in. Limiting the Wildcats to five points in the second frame, the Tigers tallied 14 and sped to a 28-19 halftime margin.

Fern Creek remained in command the rest of the way, leading 47-33 at the end of the third stop, and coasting to victory.

Mike Gambill, Waggener's leading scorer, led the Cats with 13 on three fielders and seven from the charity stripe. Kenny Lewis followed with 11, and Brad Arterburn, turning in his finest performance this year, tallied nine.

Arterburn got off to a slow start this year, but he may have found himself. Other Cat scoring found Wally Adams with six, Gibbs Reese and Ramey Simpson with three apiece and Chuck Armstrong with two.

John Montgomery followed Lawson with 13 for Fern Creek.

Waggener's next game is with rival Durrett Friday at the latter's court. The Wildcats will be out to avenge an earlier 45-42 loss at the hands of the Demons in the Oldham County Invitation-

Waggener gets revenge defeats Durrett 43-40

By NICK LAMKIN

Waggener's Wildcats, with revenge in their eyes, staged a heart-pounding rally to down rival Durrett 43-40 Friday at Durrett.

When these two squads get together, it is always a tight game and this one was no exception. Last year, Waggener took the measure of the Demons twice. This year, Durrett won an earlier contest in the Oldham County Invitational before bowing to the Wildcats Friday. Ironically enough, the games have always been won by three-point margins.

It appeared that the Cats had forfeited all as they were down at halftime, but with cold determination and courage, they rallied to win.

Waggener spurred to a 7-1 margin, but Durrett, not easily put down, cut it to 8-7. Kenny Lewis split the nets with a 30-

footer, followed by Ben Cundiff's free throw and Gibbs Reese's tap in, to push the Wildcats on top 13-7. Terry Rudolph countered with a lay-up for the Demons, cutting Waggener's first quarter lead to 13-9.

In the second chapter, the Wildcats could not get the ball down court, as Durrett persistently turned Waggener errors into points. The Cats could not add a single point in this quarter while the enemy was gathering 14, pushing the Demons on top 23-13 at intermission.

The situation looked dim for the Wildcats, but they quickly turned into a new team. Still trailing at 32-22, the Cats went wild.

Brad Arterburn, who turned in a spirited performance, and Reese led the attack. Hitting with deadly accuracy, they shoved through 12 straight points, giving Waggener a 34-32 lead. Durrett cut it to 34-33, but Arterburn could not miss. He ripped the cords for the Wildcats remaining nine points.

Arterburn accounted for 21 points for the night. "Big Art" got off to a slow start this year, but has tallied nine, 16 and 21 points in his last three games and is always tough on the boards.

Gibbs Reese followed with 12 markers, including nine of those in the Cat's big third quarter; Lewis scored five, Ben Cundiff three, and Mike Gam-bill was limited to two.

Moe Miller led the attack for Durrett.

Waggener next encounters Southern Friday at home and Eminence Saturday at Eminence.

3 Waggener Development adds 126 new members

Getting back to work after the holidays, the Waggener High School Development Association has added 126 charter members in three weeks.

Charter membership costs a minimum of \$5. The Association is going for \$50,000 to develop recreation and athletic facilities on the Waggener school grounds.

New charter members are:

L. W. Agnew, Mrs. Malcolm Arterburn, Francis N. Barthberger, Wilma Berlin, Sheridan C. Biggs, Robert W. Blee, Ted Block, Dorothy M. Boggs, Dr. Ben D. Boone, Morris Borowitz, William T. Brady, Mrs. Frank S. Briggs, Mrs. W. L. Burnett, Guy Byassee,

Nell W. Carrico, Howard A. Carter, Irvin Casey, Mrs. Harriett K. Cowman, Gaylord L. Chreste, Mrs. Jack Chumbly, Thomas J. Cochran, H. S. Cothorn, P. L. Crawford, Anne Allen Crockett, W. C. Cunningham, Roscoe R. Dalton,

Harry Scott Davis, Robert B. Day, Mrs. Frank J. Doll, Dr. James B. Douglas, J. A. Dulworth, Mrs. S. W. Duncan, Charlotte M. Eastes, M. A. Elliott, Mrs. S. Clarence Evans, Mrs. Hardin W. Fawcett, Dr. J. M. Frankel, Mrs. F. A. Gardner,

H. Dewey Gass, Jr., Mrs. W. J. Gathof, Frank Gay, Eula M. Giannini, Mrs. Orlin Greene, Eric Hammel, Louise Hammon, K. L. Harbolt, Charles H. Hargan, David R. Harlow, R. C. Hawley, Ida W. Helm, Donald R. Heun, Francis Hill,

Mrs. M. L. Hornaman, Harold T. Hotopp, Mrs. N. L. Houchen, Sally K. Houser, Allison Hudson, William M. Iron, Charles Kane, Mrs. J. Paul Keith, Jr., Mrs. J. B. Kibler, Dorothy B. Kitchen, John P. Knight, Ethel Kurtz, Mrs. Emmert La-Crosse, Jr., Mrs. K. F. Lam,

J. Robert Lawson, Page A. Leake, Margaret L. Lachmann, Mrs. Omar D. Lloyd, Charles M. Long, Clara D. Lovelace, Frank L. Lovell, Elizabeth D. McManon, Jr., Billie W. McMichael, C. G. Marmion, Jr., Charles D. Mercke, Freeman Micou, Dorothy S. Miller,

W. C. Miller, Harry L. Moore, Jr., Katherine D. Morgan, John L. Nelson, Anne May Niemann, Douglas Nunn, Charlotte G. Nuss, Ed Oehrle, Jr., C. J. Ohlson, Ann Orr, R. Paris, M. R. Pfeiffer, Sara W. Porter,

W. T. Porter, J. E. Powers, Houston G. Reese, B. G. Rehm, E. B. Reichmuth, John E. Reid, Joseph Anton Renn, George H. Richards, George C. Rietze, Walter R. Ring, Sr., Christine C. Rogers, Herbert R. Rose, Harry Rosenbaum, Jr., John C. Rumble,

Dorothy L. Scherer, Almira K. Schindel, A. Niles Schoening, Arthur F. Shuck, Elsie M. Skelton, Elizabeth M. Smith, James A. Smith, Jr., Mrs. George M. Snyder, Virginia C. Southwick, Norman Stanberry, Jacob Steffen, Dr. Louis Sternberg, Sarah Stevens, Cecil Stokes, J. W. Stutzenberger, M. C. Thompson, W. M. Twyman,

Raymond H. Vollmer, George H. Wagner, Glen Wagner, Mrs. Lewis H. Wayne, Mary McD. Webb, Mrs. Bruce G. Weimer, Douglas White, Stephen S. Wilson, Mrs. S. R. Wurmsler, Ralph Yoakum, Mrs. Thomas W. Yunt, Emil Zibart, and Joseph Zwishenberger.

Those wishing to become charter members or to donate should send their contributions to Waggener High School Development Association at Waggener High School.

Rebels Slip By Wildcats 42-37

It appears that Atherton's Seniors were too much for Waggener's Juniors, but they had to scrap all the way to beat the Wildcats 42-37, Friday, December 19, at Masonic Home Gym.

Waggener trailed by as much as 11 points in the first half, but turned the game into a thriller with a second half rally.

With the count knotted at 6-6, the Rebels started pulling away. With 7:33 left in the half, Atherton owned its biggest lead at 19-8. Chuck Armstrong's threesome, followed by Mike Gambill's two field goals and Gibbs Reese's free throw cut the Rebel's lead to 20-16 at intermission.

Cats Take Lead

The second half was a nip and tuck duel. Waggener took over the lead at 21-20, but Atherton sea-sawed into command at 23-22. The lead exchanged hands six times in this half with the Cats holding the edge at 25-24, 29-23, 31-29, and finally at 35-34. After securing a 36-35 margin in the Rebels pulled into an effective freeze, added two quick baskets and a free throw in the closing seconds for the final 42-37 win.

Gambill led Waggener with 11 points. Reese had 8, Lewis 7, Armstrong 6, and Ramey Simpson seeing action in the second half only, tallied 5.

Butler Bears Claw Cats 54-38

Waggener's Wildcats threw a scare into Butler, December 12, but the Bears settled down and took a 54-38 decision from the Wildcats at Masonic Home Gym.

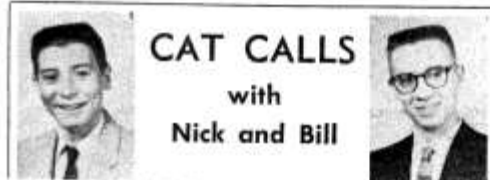

Behind the eye of Mike Gambill, the Cats moved out to an early 11-3 lead. The Bears, however, shifted into a collapsing zone and got their fast break working effectively. They settled down, took advantage of Waggener errors, and moved ahead at 12-11.

The Bears started padding their lead, but the Wildcats stayed on their tail and trailed at intermission 25-10.

The third period doomed Waggener. Butler kept siding to their lead and pulled out in front 44-30.

The Wildcats, as they have so many times before, rallied in the closing chapter. A field goal and a free throw by Chuck Armstrong, a bucket by Gibbs Reese and free throws by Ben Cundiff and Brad Arterburn cut the margin to 44-37. The Bears from this point, however, outscored the Cats 10-1, for the final 54-38 win.

CAT CALLS
with
Nick and Bill

In the past basketball games we have watched our team in action. But really, how many of us know anything about the top players? Here is a thumbnail sketch of some of the top players.

First on the list we have Chuck Armstrong who has played four years with Waggener's basketball squad and one year in the baseball lineup. When asked his opinion of Waggener's sports program he replied, "It seems to be alright to me but we need more school support." Chuck a student Council and Beta Club member moves across the court at 162 pounds and 5 feet 10 1/4 inches. He hopes to enter college and study aeronautical engineering.

Let's move to Gibbs Reese now. This 6 foot 4 inch junior has scored away four years of basketball play with Waggener and proves he knows how to use it in the games. Even at seventeen Gibbs has expressed a desire to study architecture but has no special college in mind. When asked if he has any superstitions he earnestly replied, "Play to win."

Mike Gambill feels the same way as Gibbs about playing to win and he, too, has no superstition that he can think of. Mike's plans for the future lean toward engineering but not toward any particular college. He likes hard working people who put forth an honest effort and dislikes exhibitionists.

Kenny Lewis now takes the spotlight. Kenny has played about 1 1/2 years with Waggener's basketball team and 2 years on the baseball squad. His opinion of the school's sports program is "I think more students should come out and see the games." This 6 feet 185 pound Sophomore wants to be a draftsman but hasn't picked a college as of yet. His likes include cars and milkshakes but as for you girls, he dislikes tight sweaters and poodle cuts.

Another prominent player is 6 feet 2 inches Brad Arterburn. Brad believes that "They shouldn't outlaw noisemakers at games and a pep club should be organized." He plans to attend college. When this veteran of three years was asked about superstitions, he replied "If you think you're going to have bad luck you probably will."

Ramey Simpson, another prominent star, is a member of the Beta Club and the Student Council. Ramey agrees with the others in "If we had half of the students at the games we would have more than any other school in the county." His future plans are to attend college. Ramey likes practically everybody and everything except in one case and that is "I don't like anyone who criticizes the team but doesn't play any sport."

Waggener Gets 2nd Win, 66-41

Waggener chalked up its second victory of the campaign with a 66-41 win over Eminence December 10, at Waggener.

The Wildcats had little trouble in subduing the visitors as they led at all stops, 15-8, 32-23, 49-27 and 66-41. With the score knotted at 8-8, forward Mike Gambill hit a jump shot to give Waggener a lead they never lost. The Cats kept piling it on as they attained their highest point total for a single game this year.

The Wildcats were led by Kenny Lewis with 13 points. Second in scoring were Chuck Armstrong and Mel Borland with 11 points each. Steve Mowry followed with 8.

Oldham County Tips Red, 53-46

Waggener's Wildcats, looking for win number two, met with difficulty as Oldham County fought off a late Wildcat rally to win 53-47, December 9th at the Colone's court.

The Wildcats jumped off to a 6-1 lead but couldn't add another point until 9:00 left in the quarter. In this draught, Oldham County pushed into the lead and never looked back. They moved out in front 29-19, increased that to 50-13, and held their biggest margin at 51-35. At this point Waggener rallied and cut the score to the final 53-46 margin but time ran out.

Tigers Tame Cats, 63-47

Fern Creek's Tigers, behind a 28 point performance by Jerry Lawson, took a 63-47 decision from Waggener's young Wildcats, January 9th at Fern Creek.

With the score tied at 14-14, the Creekers began pulling away and the Cats were never in contention again.

Mike Gambill led Waggener with 13 points. He was followed by Kenny Lewis with 11, and Brad Arterburn with 9.

This loss lowered the Wildcat's season worksheet to 2 wins, 6 losses.

Cats split with Southern, Eminence, by Nick Lamkin

Waggener's bid for an even record failed, as the Wildcats lost a 52-50 thriller to Southern Friday, but rebounded to trample Eminence 74-55 Saturday.

Two free throws by Robert Kingsley, with 14 seconds left, provided the winning margin for Southern in the game played at Masonic Home.

The Wildcats saw a 10-point halftime advantage disappear under a third quarter Trojan rally. Waggener dominated first-half action, controlled the boards and getting the necessary points. The Cats' inability at the foul line, however, cost them the game.

Waggener spurred in from 17-8 near the close of the first quarter, increased that to 27-15 and appeared to have the issue settled. The Wildcats hit their cold spell just as Southern turned hot.

The Trojans started slicing at the lead and pulled up even at 28-28. Gibbs Reese and Mike Gambill kept the Cats ahead 34-31, and 34-33, but Southern went in front 39-36.

The last quarter was a nip and tuck duel to the finish. Field goals by Ramey Simpson and Reese and a free toss by Chuck Armstrong put the Wildcats back on top 41-39. Southern seesawed Up front 48-44.

Four straight points by Reese knotted it at 48-4, but Southern again took the lead 54-48. Brad Arterburn countered with a lay-up, but Kingsley tosses spelled doom.

Reese led Waggener with 14 points. Simpson followed with 13, and Arterburn gathered nine. Dave June collected 17 for Southern.

Eminence kept up with Waggener the first half, but the Wildcats explored in the third quarter for victory.

The fired up Wildcats led for most of the first quarter, gathering their biggest lead at 10-4. Simpson and Arterburn started finding the range and pulled Waggener up 13-13, at the quarter.

The second stanza was a ?????? Affair with the Cats going into intermission with a 27-25 advantage. Gambill fired a fast-second 44-footer that was true to the mark, but he released the ball a fraction of a second after the buzzer.

In the third quarter, the Wildcats hit for 25 points, while limiting Eminence to 11. This proved to be the deciding factor in the outcome of the contest, for the teams each tallied up 22 in the last chapter.

Gambill led Waggener scoring, stuffing in 28 points but had to yield scoring honors to Tom Wood of Eminence who tallied 31. Simpson gathered 12, Arterburn 17 and Burt Stokes playing his best game this season notched nine.

The Wildcat record now stands at five wins, seven losses.

Wildcat 63-48 win ends 3-point streak

By NICK LAMKIN

Waggener ended the three-point jinx in its series with Durrett to coast to a 63-48 victory over the Demons Friday night at the Masonic Home Gym.

All the basketball battles between Waggener and Durrett up to Friday night's were all decided by three-point margins, but the Wildcats erupted in the final frame to change all that.

Waggener led for most of the first quarter, until Moe Miller hit for two from the foul line to give the Demons a 15-13 advantage.

Durrett moved out in front 18-13 at the onset of the second period, but a field goal by Brad Arterburn put the Cats back on top by 23-20. Durrett, however, remained on Waggener's tail until the final chapter.

Mike Gambill, who picked up 10 points in the fourth quarter, and Kenny Lewis led the attack. With the Wildcats on top by 43-39, they went to work, and quickly put Waggener in the lead 54-44.

The Demons tried to press the Cats, but Lewis put on a dribbling exhibition that brought Waggener fans to their feet. Durrett became furious and deliberately fouled, but the Wildcats hit their final free tosses.

The scoring for Waggener was evenly balanced, as it usually is. Gambill tallied 19 and played a tough game on the boards.

Arterburn had another good night, hitting for 17, while Lewis, who played a tremendous floor game, netted 10. Guard Chuck Armstrong and Gibbs Reese collected nine and eight points respectively to close out Cat scoring.

Jerry Clay was high for Durrett with 19 points. Miller, who is always a tough competitor, collected 12.

This win could be a big morale booster for the Wildcats who have now reached the "500" mark with seven wins against as many defeats. This victory also gives Waggener a 4-1 edge over the Demons in their rivalry, which started last year.

A lot can also be said about Waggener's attendance at Friday's game. Wildcat fans literally packed their side of Masonic Home Gym and half of both end zones, which is quite a feat.

Waggener tankers win

Waggener High Girls swimming team defeated the SAPS, the team made up of swimmers from Sacred Heart, Atherton, Presentation and Assumption, 47-39, Feb. 5 at the Henry Clay pool.

Here are the results:

50 yard freestyle: Clasy Mussleman (SAPS), Peggy Barrows (W).

100 yards freestyle, Judy Dillon (W), Judy Gettlefinger, (SAPS).

100 yard back, Martha DiOrto (SAPS), Pat Fineman (SAPS).

100 yard butterfly, Martha DiOrto (SAPS), Sue Callahan (SAPS).

100 yard breaststroke, Tita White (SAPS), Nancy Allen (W).

150 yard individual medley, Peggy Leahy (W), Jamie Gehring (SAPS).

200 freestyle, Judy Dillon (W), Jamie Gehring (SAPS).

Diving, M. L. Zettler (SAPS), Sherris Burnett (W), Kay Stone (W).

Medley relay, Waggener, Sarah Loyd, Peggy Leahy, Nancy Allen, Martha Robertson.

Free relay, Waggener, Peggy Barrows, Gail Reichmuth, Martha Robertson.

February 12, 1959

Cool Mike Gambill sparks Wildcat win

By NICK LAMKIN

Mike Gambill's coolness at the foul line rescued Waggener from the clutches of defeat and sparked his team to a 51-48 win over Midway Friday night at Masonic Home Gym.

Gambill tossed in 10 points in the last four minutes to pull the Cats from behind to their eighth victory.

Waggener, after falling behind 3-2 and 5-4, started moving. With the help of Gambill and Brad Arterburn, the Wildcats held a 13-9 first-period edge and were in front comfortably 26-15 at halftime, but the visiting Bluejays weren't through.

Waggener continued to look strong at the onset of the third period and gathered their biggest lead, 30-17 with 6:07 left. At this point, however, the Cats hit their cold spell and Midway took advantage. The visitors chipped away at the deficit and finally knotted it at 35-35.

A free throw by Wally Adams put the Wildcats in front 38-35, but Larry Weller put Midway on top 37-36, and increased that to 41-36.

Waggener applied a full-court press. Weller got open, but miss-

ed a wide open layup. If he had hit that shot, it would have given their team a 43-36 lead that could have very well been a substantial margin, but that is a big IF.

It was a see-saw battle in the closing seconds as the eye of Gambill was the only factor in keeping the Wildcats on Midway's tail. A layup by Gambill finally put Waggener in front 46-45 but the Blue Jays moved on top 47-46 and again at 48-47. Here though, Gambill added a pair from the charity stripe and Kenny Lewis put in a fielder to give the Cats their final 51-48 margin.

Gambill was high for Waggener with 18 points. Arterburn tallied 11 and Kenny Lewis hit for nine.

Weller led Midway with 22 points and kept the Blue Jays in the game during the first half.

Waggener next takes to the road and visits Franklin County tomorrow night at Frankfort.

February 12, 1959

Fern Creek Spurt Is Better Than Waggener Burst

Fern Creek defeated Waggener 48-36 in a topsy-turvy basketball game last night at Waggener gymnasium.

Leading only 31-25 at the end of the third quarter, Fern Creek proceeded to outscore Waggener 17-1 for a 22-point lead. Then it was Waggener's turn. It outpointed Fern Creek 10-0 but the damage already had been done.

Fern Creek's No. 1 scorer was Jerry Lawson with 16 points, Brad Arterburn led Waggener with 14.

The victory gave Fern Creek a 10-6 record. Waggener now is 7-10.

Trinity Hits .500, But Danger Ahead

The Trinity Shamrocks today had leveled their record but still faced a serious danger of having their second straight losing season.

Coach Dave Kelly's club won its eighth victory in 16 games last night by turning back a rallying Waggener team, 47-45, in the first game between the two St. Matthews rivals.

Trinity had led by 17 points late in the third period and just escaped as the young Waggener club, comprised entirely of underclassmen, stormed back to cut the margin to two points.

Four strong teams make up the remainder of Trinity's schedule—Shawnee, St. Xavier, Good

Shepherd of Frankfort and Flaget.

Chick Bloodworth led Trinity with 17 points. Mike Gambill ignited the Waggener rally and scored 15 points for the game. Trinity led 40-23 late in the third quarter.

The Trinity 'ayvees also won, beating Waggener, 43-31, to run their record to 16-1.

Waggener Quint Leaves Sights, Bows at Franklin

Waggener took its guns to Franklin County last night but forgot to take its sights.

The Wildcats consequently hit only 23 per cent of their shots and lost to the host club 50-38. The defeat left Waggener with an 8-8 record.

Brad Arterburn scored 11 points, the only Waggener player to hit 10 or more. Ron Cunningham made 16 for the winning team.

Franklin County hits 43 per cent of its field-goal attempts, explaining the easy margin by which it won.

Trinity's Cardwell Scores on Crip

Denny Cardwell of Trinity breaks clear to score on a crip shot in the Trinity-Waggener game last night at the Masonic Home gymnasium. Kenny Lewis of Waggener (31) defends. The official is Dave Longenecker. Trinity won, 47-45.

2-21-59 FERN CREEK 48-38

After leading by 31-25 at the third quarter, Fern Creek built up a 22-point lead, 48-26, by outscoring Waggener 17-1. Then the tables were turned and Waggener proceeded to outscore Fern Creek 10-0 and whittle that lead down to the final 12-point margin.

Jerry Lawson led Fern Creek with 16 and Steve Howard had 10. Brad Arterburn scored 14 points to lead the Wildcats.

BUTLER 68-61—The Wildcats made a near-successful comeback in the second half but it wasn't enough to overtake the determined Bears.

After trailing 40-18 at the intermission, Waggener, led by hot-shooting Mike Gambill, made it 55-42 at the end of the third period and pulled to within seven at game's end.

Gambill was the big gun in the Wildcat attack with 23 points, 21 of them picked up in

the second half. Brad Arterburn contributed 19.

For Butler, Jim Bratcher was high with 15. Larry Elmore and Kenny Willis each notched 13.

Waggener Roars Back To Cut Butler Edge

As expected, Butler proved the superior team over Waggener last night but found the Wildcats hard to convince.

Butler moved into a 40-13 half-time lead, ordinarily enough to make any team quit, but Waggener fought back so determinedly the last half that the final margin was 68-61.

Led by Mike Gambill, Wag-

gener scored 24 points in the third period and trailed 55-42 entering the final period. Gambill scored 23 points, 21 the second half.

Jim Bratcher led Butler with 15. Larry Elmore and Kenny Willis made 13 each.

Waggener's First Season Is Creditable

Although it dropped a 41-37 decision to Oldham County last night, Waggener finished with a creditable 8-10 record in its first varsity basketball campaign.

Oldham County won the game in the closing minutes at Waggener gymnasium. With 2:30 left, the score was 37-37. Pete Brooks put Oldham County in the lead by converting two free throws and, with 15 seconds remaining, Terry Barrickman sealed the victory with a field goal.

It was a close game. Waggener led 13-8 at the end of the first quarter and, after a 20-20 half-time standoff, held a 27-26 edge going into the final eight minutes.

Bruce Bierman of Oldham County was high scorer of the game with 15 points. Brooks contributed 12 and Barrickman 10. Mike Gambill paced Waggener with 12.

Big Creeker 4th quarter defeats Cats

By NICK LAMKIN

Fern Creek demonstrated their power with a big last quarter as they downed a valiant Waggener five 48-36 Friday night at Waggener.

The Wildcats stayed surprisingly close to the visiting Tigers for three quarters, but then they seemed to lose their poise. The Creekers constantly took advantage of Cat errors and zoomed to a safe lead.

Waggener dominated most of the first half action, leading until right before intermission. Mike Gambill tossed in the Wildcats' first eight points as the Cats led 8-7 at the first stop.

Brad Arterburn then hit for five straight points giving Waggener their largest lead at 13-7. The Tigers, however, came right back and see-sawed on top 15-13. A basket by Chuck Armstrong tied it at 15-15 but Fern Creek went into halftime in front 21-19.

The Wildcats continued to stay on the Creekers' tails in the third quarter, trailing by only six at 31-25 at the close of that quarter.

Waggener was rudely awakened in their dreams for upset in the last quarter.

Fern Creek outscored the Cats 15-0 and moved on top 46-25 before the Wildcats could buy a point. A free throw by Arterburn with 1:35 left in the contest finally ended the drought. The Cats compiled their final points against Fern Creek reserves.

Arterburn led Waggener with 14 points, the only Wildcat to hit in double figures. Gambill followed with eight.

Jerry Lawson was high for the visitors with 16 points.

Waggener's impressive showing proves again that next year the Cats, with all starters returning, should hold their own against any team.

8th Grader Takes Sports Award

Tommy Spears Wins Contest

Tommy Spears, an eighth grader, is the first Waggener Sport Contest winner. Tommy, whose prize is a tennis racket, correctly picked the winners of Waggener's January games and came closest to the actual score of the January 17 game with Durrett.

Tommy, already a participant in Little League football and baseball, hopes the prize will get him started in tennis.

Mrs. Horton's (8L) core class has been studying the various planets. The students have made very elaborate notebooks and have given oral reports concerning astronomy. The interesting notebooks are on display in their room. A group painted a mural to show the location of the different planets.

Red-Gray Game Ends Practice

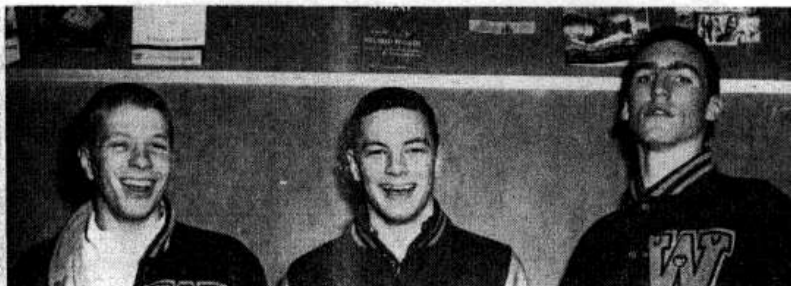

Rally 'round the Cats on the 26th to preview the top football of '59! The game will be here at two o'clock and will cost 25c per person. All proceeds will go toward the payment of the football player's insurance.

The squads are to be chosen from the spring practice boys. Mr. Gray will coach the Gray team, and Mr. Crawford the Red squad. Both teams will meet on the Waggener field and play their last scrimmage marking the end of spring practice.

JUNIOR HIGH SCHOOL TEAMS VIE

Cats Make Tourney Team

Ramey Simpson, Chuck Armstrong and Brad Arterburn make All-District Tourney team.

Freshmen Have Good Season

First Row: (l. to r.) Bowling, Walker, Heinz, Turner, Sanders, Stallard, Thomas, Long, Pope.
Back Row: Coach Schureck, Hanlon, Keith, Kuhn, Craig, Horn, Skelton, Kittle, Tucker, Fritsch.

Cats Take Six of Last Ten

The last month saw Waggener's Wildcats grab six out of their last ten games and run their record to 8-9.

The Wildcats started with a hard-fought 53-49 win over DeSales, January 13th. The Cats had to rally in the final quarter as Brad Arterburn, Ramey Simpson and Mike Gambill combined for 45 points.

Waggener grabbed a 43-40 squeaker from Durrett January 16, after trailing by ten at half-time. Arterburn led the attack tallying 21 points and leading the last half rally.

Southern Wins 32-56

Southern took a 52-59 squeaker from the Wildcats the following Saturday. The Trojans were down by ten points at intermission, but won the game in the last

14 seconds. Waggener rebounded the next night to crush Entinence 74-58 on the Warriors' court. The Cats led at half by only 27-25.

Ramey Simpson's tremendous floor play sparked Waggener over DeSales 54-59 on the Colts' floor. Gambill collected 14 and Reese 12.

The Wildcats then smashed rival Durrett 63-48, breaking the old 3-point jinx. Gambill and Arterburn led the attack with 19 and 17 points respectively.

Gambill Stars

Mike Gambill's free tosses in the closing minutes rescued Waggener from defeat to a 51-48 win over Midway February 6.

The Cats traveled to Butler February 10, and lost 68-61 as their last quarter rally fell short. Gambill hit for 23 and Arterburn gathered 19.

Franklin County's new, spacious gym was the scene for Waggener's ninth loss. The flyer's last quarter rally gave them a 52-58 win as the Wildcats hit a poor 23 per cent of their shots.

KIT-KATS CATCH WINS

Under the coaching of Mr. Schureck, graduate of Western, the Waggener ninth grade basketball team is having a great season with sixteen wins and seven losses. The Kit-Kats are undefeated in the City League and are looking forward to the City Tournament in the first week of March. The toughest team the Kit-Kats have played in St. X and their best played games have been the Pleasure Ridge and Anchorage games.

The starting five are: Paul Keith and Keith Thomas, guards; Mike Skelton, center; David Kuhn, Bob Fritsch, and Robin Hanlon, forwards. Recently Mike Skelton was injured leaving a gap in the Kit-Kat's center. Mr. Schureck believes that in the future the Kit-Kats will gradually develop into a fine varsity squad.

Kit-Kat's Record Of Better Basketball Games		
Teams	Loss or Win	Date
Waggener vs. Pleasure Ridge	Win	1/23
Waggener vs. Seneca	Win	1/27
Waggener vs. Anchorage	Win	1/28
Waggener vs. Fern Creek	Loss	1/30
Waggener vs. Trinity	Loss	2/6
Waggener vs. St. X	Loss	2/4
Waggener vs. Trinity	Loss	2/9

Armstrong Takes To The Air

The Wizard Rips Durrett

By Nick Lamkin

Durrett is going to learn to hate "The Wizard of Waggener." The Wizard on three occasions has been the deciding factor in the final outcome of the rivalry which started last year.

In the first game of the series, who was it that hit two free throws in the closing seconds to clinch victory? In the second game of the series this year, who hit for nine straight points in the last quarter to lead the Cats to a 43-40 Squeaker?

And last, but not least, who hit for a big 17 points enroute to a 63-48 romp over the Demos in their last encounter? Also you will never guess who hit the basket that put Waggener on top to stay in that game.

The "Wizard" is well known for his daring driving and shooting accuracy. His name, Bud Arterburn.

CAT CALLS

with
Nick and Bill

The swimming season has come once again and with it Waggener's first varsity swimming team in the class "A" division. Last year we competed in the class "C" division and took state championship but this year sheds a different light on the matter. We are now swimming tougher and more experienced competition and are both beating and getting beaten. Good examples are: Columbus, Indiana, over Waggener 57-20, Atherton over Waggener 56-38, Waggener over Lafayette 37-34, and Waggener over Southport Central of Indianapolis, 67-20. This half and half record was compiled after Christmas and hopes for the future look very bright. Our swimming team is one to be proud of. The boys who are doing the best job of representing Waggener are: John and Dick Abbott, Bill Irion, Steve Pescoe, Charles Farmer, Sherman Henderson, John Higgs, Tony Mineis, Rollen Shouse, Phil Trampfleler, Tom Ogle, and Tom Grunwald.

Girls Win

The girls' swim team, not to be outdone, won their first meet recently against the combined forces of Presentation Academy, Sacred Heart Academy, and Kentucky Home. Since no other girls swim team exists in the city this combination was necessary in order to have some competition.

Spring Practice Begins March 1

It seems that we are no sooner out of the football season than spring practice is coming around the corner. March 1st marks the start of outside practice but now the team is practicing inside due to the weather. The main thing needed to make this practice successful is a lot of boys. The more boys we have the better the team. So if you are interested, be out on the field March 1.

On the basketball courts we find that Waggener, along with Eastern, Country Day, and Trinity, is host to the District Basketball Tournament. This is a Kentucky High School Athletic Association Tournament which will begin the first week in March at Masonic Home Gym and end the same week.

Swimmers Move To Class "A"

Front Row: S. Mineis, Collins, D. Abbott, Miller, Meister.
Second Row: Farmer, Pescoe, Ogle, Grunwald, Nelson, Henderson.
Back Row: Schmitz, Shouse, Higgs, Doolittle, Georgi, and J. Abbott.

Courtesy *The Voice Of St. Matthews:*

Frankfort smothers Waggener

by NICK LAMKIN

Franklin County's Flyers broke out of a tight first half and ran to a 52-38 win over Waggener Friday at Frankfort.

The Flyers' spacious new gym was the scene of the conflict. The visiting Wildcats hit a poor 23 per cent from the field.

The first half was low scoring as neither team could hit. Waggener had its longest lead in the game at 8-5 and led at the quarter 8-7.

The Flyers pushed out in front 15-9 at the start of the second quarter, but points by Brad Arterburn and Gibbs Reese narrowed it to 17-15 at intermission.

A basket by Kenny Lewis put the Cats in front 20-19, but Franklin County see-sawed into the lead 21-20 and never lost the lead again. Waggener stayed on the Flyers' tail and trailed 35-30 going into the last stanza.

In the last quarter, the Frankfort five split the game open. Hitting with uncanny accuracy, they outscored the Wildcats 17-8 and held a lead of 18 points in the last minutes.

Arterburn led Waggener with 11 points, the only Cat to hit in double figures. Reese followed with eight.

Ron Cunningham paced Franklin County with 18.

The Lansing, Michigan man who advertised for a lost dog named "Kitty" was under the wrong impression. That poor humiliated dog isn't lost—he ran away.

Trinity holds off Waggener rally

By NICK LAMKIN

Trinity's hot and cold Shamrocks set a sizzling pace in the third quarter, then held off a Waggener rally for a 47-45 win over the Wildcats Tuesday night at Masonic Home Gym.

Mike Gambill put the Wildcats on top 0-1 but Trinity moved on top 2-1 and Waggener never led again. The Wildcats knotted the game at 8-8 just before the end of the first stop and at 10-10 at the start of the second quarter but fell behind and never equalled the Shamrocks.

Trinity pulled out in front by 10 at 22-12 in the second stanza but buckets by Mike Gambill and Kenny Lewis turned the deficit to 22-16 at halftime.

The Shamrocks showed their mastery in the third quarter as they zoomed in front 40-23, but here Gambill came to Waggener's

rescue and cut the gap to 41-31 at the close of the third chapter.

The Wildcats put on a valiant effort in the last quarter, but failed by an inch. Gambill and Gibbs Reese led the closing rally and clipped the margin to 46-45, but time ran out.

Gambill led the Cats with 15 points, Brad Arterburn tallied nine and Reese added eight.

Chick Bloodworth led all scorers tabbing 17 points for the Shamrocks. Dennis Cordwell hit for 11 points.

Waggener will have to win their last two games against Fern Creek and Oldham County to

have a winning season. The Cats' worksheet stands at 8-10.

February 19, 1959

February 19, 1959

Courtesy Brad Arterburn (60), March 5, 1959:

Eagles look at easy district

by JOHN HELFRICH

The Eagles of Eastern open their district playoff against Waggener Friday at Masonic Home at 7:30. Waggener, who hasn't got a senior on the team, has an 8-14 record and hasn't got the experience or shooting to match the Eagles. The tournament opens tonight at 7:30 at Masonic Home when Trinity meets Country Day.

After Eastern beats Waggener, which shouldn't be too difficult, they will take on the winner of the Trinity-Country Day game Saturday at 8 p.m. The Eagles have already beaten Trinity once this season by a score of 62-46 and Waggener beat Country Day 53-32. So which ever team plays them for the championship, it should be another easy win for the Eagles.

Charles Long, who was the number six man two years ago when the Eagles took second in the State tournament, started slow this season, but he has come into his own finally, and is playing great ball. He is now averaging 15.2 points per game.

Dick Peloff, who also played in the State tournament two years ago and started the season looking really great, has slacked off a little since then and had two or three bad games, but that is over and he's back on his game again and has a 13.9 average.

Kent Thomas started the season with a couple of real good games, but then he seemed to fall off. In recent games he's really come on like a ball of fire. Kent has a 10.2 point average per game.

John Thornton is Eastern's big defensive star. He is only 5-10, but he can jump like he has springs in his legs. He has maintained a 7.1 point average, but his value on defense keeps him in the starting lineup.

Mac Caldwell, Eastern's 6-4 sophomore, has proved his value on defense, but he's still not hitting consistently. This is due to his inexperience in varsity ball. He's averaging 5.5 points per game.

Bob Hines played very little at the first of the season, but his height, which is 6-5, has

made him valuable to the team. He is averaging 5.1 points per game.

The team has played 21 games and has won 17 and lost four. They also have won the county championship for the third year in a row. They average 61.2 points per game, but it is their great defense that really wins the ball games for them.

OLDHAM COUNTY 41-37—

Oldham County broke a tie in the closing minutes at Waggener.

The game was close all the way and the count was deadlocked at 37-all with 2:30 left to play. Pete Brooks made two free throws and Terry Barrickman sank a basket for the Colonels with 15 seconds left for the final score of 41-37.

Bruce Bierman of Oldham County was the game's high scorer with 15. Brooks had 12 and Barrickman 10. Mike Gambill led Waggener with 12.

This was the last game of the season for Waggener, which finished with an 8-10 record in its first varsity campaign.

Trinity Edges Wildcats 47-45

Durrett Eases Past Southern; Fern Creek Wins; Daymen Bow

Trailing by 17 points late in the third quarter, Waggener's Wildcats came with a rush in the last period, but Trinity's Shamrocks held on for a narrow 47-45 victory last night at Masonic Home gym.

In a preview of the 27th District Tournament, Durrett edged Southern 65-62. The same teams will clash in a semi-final district game, with the winner qualifying for the regional.

Coach Roy Winchester's Fern Creek Tigers coasted over Old Kentucky Home 65-36.

Bardstown St. Joe turned back Country Day 67-47, and Seneca downed Butler's junior varsity 80-60.

TRINITY 47-45—Coach Dave Kelly's Shamrocks led all the way after pulling out of a 10-10 tie early in the second period to win the "Battle of St. Matthews."

With 2:30 remaining in the third period, the Shamrocks owned a 40-23 lead, but then Coach Doc Adams' Wildcats went to work and cut their deficit to nine points at the end of the third quarter. They kept on rolling the last period, pulling up to the final two-point margin, and actually had a chance to tie or win the game.

Mike Gambill led the Waggener comeback and finished with 15 points. Chick Bloodworth was high for the winners with 17.

Trinity's jayvees, coached by Father Gorman, beat Waggener 44-31 to increase their record to 16-1.

by Butler's shooting. The Bears finished with 27-29 on 21 of 47 attempts.

EASTERN 45-42 — Waggener gave Eastern all it wanted by playing a slow, deliberate game, taking only the best of shots.

The Wildcats, realizing they could not run with the Eagles and win, resorted to a stalling offense. As a result, they scored only nine field goals, all coming in the first three periods. In fact, the Cats got only two in the third stanza.

However, Waggener almost pulled the game out on its exceptional free throw shooting. Eastern outscored Waggener 16 to nine in field goals, but the Cats hit 24 of 32 free throws, including 17 of 19 in the last half, compared to only 13 of 27 charity shots for the Eagles.

The two teams were deadlocked at the first rest, 8-8. Then, Eastern pulled out to a 27-21 lead at the half. However, the Eagles were held to only

Continued from Page 3

one field goal and one free throw in five attempts in the third stanza for a total of three points. During the same period, Waggener bucketed 11 points to edge out in front 32-30 at the third stop.

In the final frame, Eastern won by outscoring the Cats 15-10. All of Waggener's 10 points came on free throws without a miss.

Of Eastern's 15 points, Kent Thomas and John Thornton combined for 12. Thomas got all eight of his points in the final five minutes, and Thornton scored the point that put the game out of reach of Waggener.

Eastern led 44-40 when Waggener scored two free throws to whittle the deficit to two points with 15 seconds left to play. Thornton fouled coming down the floor, sank one free throw to make it 45-42 and cinch the game for Eastern.

Oldham takes win over Waggener

by NICK LAMKIN

Waggener Wildcats looking for win number two met with difficulty as Oldham County fought off a late Wildcat rally to win 55-47 Tuesday at the Colonels Court.

The Cats jumped to a 6-1 lead at 6:14 but could not grab another point until 1:03 left in the quarter. In this draught, Oldham County took a 9-7 lead, a lead they never lost.

Waggener was dealt another harsh blow when pivot-man Gibbs Reese injured his leg pulling down a rebound, and had to sit out the next two quarters. At this point, Waggener seemed to fall apart. The Wildcats could not get the rebounds, and the Colonels moved to a ten-point lead at 20-10 with 3:59 left. The Cats inability to cash in on the easy shots was painful.

The Colonels moved out to their biggest margin 30-13 before the intermission and appeared to be heading for a rout.

Waggener kept chipping away at the lead. A bucket by Chuck Armstrong cut the margin to 40-30 before the end of the third quarter.

Oldham pushed to a 51-35 score due to the fine performance

ances of Pete Brooks and Bruce Bierman and had the game in hand.

The Wildcats attempted a comeback, but they started too late. Led by Reese and Mike Gambill, the Cats cut the margin to 53-46, but time ran out.

Chuck Armstrong led the Cats scoring with 10 points, followed by Mike Gambill with 8.

Eastern Slips Past Waggener

Coach Roy "Doc" Adams, who took Eastern to the State Tournament in 1957, last night did his best to keep them out of it. And the wiley cage tutor, now at Waggener, came surprisingly close to doing it.

Waggener used a slow, deliberate offense, and had the heavily favored Eagles in anguish before they finally emerged a 45-42 winner in a 28th district semifinal game at Masonic Home gym.

Eastern will meet Trinity for the district championship at 8 tonight. Both automatically advance to the regional tournament. Eastern defeated Trinity 62-46 in their only regular season game.

The underdog but determined Waggener team trailed 21-27 at the half, but much to the amazement of the 2,000 spectators, went on top 32-30 after three quarters of play in the third period.

Kent Thomas and John Thornton combined the last period for 12 points to give Eastern the victory. Thomas made eight points in the final five minutes. Charley Long led the Eagles for the game with 14 points.

Waggener swimmers finish 2d

by NICK LAMKIN

In their first year of Class A competition, Waggener's tankmen finished a good second in the state swimming meet Saturday at Lexington.

In the contest staged at Kentucky's Memorial Coliseum Pool, the Wildcats followed only Atherton, state Class A powerhouse. The Rebels gathered an even 100 points to Waggener's 68 and captured seven out of 11 events and seven of 12 first places.

St. Xavier and Lexington Lafayette placed third with 48 markers apiece. The other teams, Manual, Eastern and Covington Holmes, scored eight, seven, and four points respectively.

John Abbott, sparkplug of the Waggener attack, won one event for the Cats, the 150-yard individual medley, and placed second and third respectively in the 100-yard butterfly and the 100-yard backstroke.

Waggener also captured the 200-yard freestyle relay and were second in the 200-yard medley relay.

Bill Irion captured the second spot in the fancy diving event and Phil Trumpfeller placed fourth.

Waggener captured the Class C meet last year, but this year moved to a rather successful Class A record.

March 5, 1959

Wildcats come close to upsetting Eagles

By NICK LAMKIN

Eastern won a thrilling 45-42, 28th District basketball game Friday at Masonic Home Gym, but it wasn't as easy as some people said it would be.

The so-called glorious Eagles had their feathers turned a bright red as they almost saw their bid for another State Tournament spot slip through their hands.

Eastern, ranked 14th in the state, started "sweating it out," as the senior-less Waggener Wildcats almost pulled the biggest upset of the year.

Waggener elected to go to a deliberate-type ball and wait for the good shots against the fast moving Eagles. It paid off as the Cats stymied the Eastern fast break.

The contest was tied at 1-1 and 2-2 before the Wildcats moved out to what was to be their biggest lead of the night at 7-4. The Eagles came right back and moved in for 8-7, but a free throw by Ramey Simpson knotted it at 8-8 as the quarter ended.

Big Charlie Long put Eastern in front 13-8, but buckets by Simpson and Mike Gambill trimmed the count to 13-12. Leading by 17-16, the Middletown quintet threatened to split the game open as they moved out in front 23-16, but the halftime intermission stopped their drive at 27-21.

Waggener stormed back in the third stanza as a basket and two free throws by Chuck Armstrong and charity tosses by Arterburn,

Gambill and Gibbs Reese put the Cats on top 32-30.

The game remained tight all through the last quarter. Eastern took over the lead at 35-34 and never trailed again, although they were never safe until the last 13 seconds. The Eagles grabbed the biggest lead since the second quarter at 40-36.

Reese hit a pair from the stripe, but stellar guard Kent Thomas hit a shot one for Eastern. Kenny Lewis closed the deficit to 42-40, but John Thornton matched that with a shot. Lewis again added a couple from the line, but Thornton hit a free throw for the final count.

The Wildcats ability to stay with Eastern came at the foul line. The Cats cashed in 24 of 32 attempts, including 17 out of 19 in the last half.

Long led the winners with 14 points and was high for the game. Arterburn collected 12 for Waggener and Armstrong gathered 11. Armstrong played his best game of the year and executed a tremendous floor game. Peloff followed Long with nine for Eastern.

Waggener's impressive showing is another indication that next year, the Wildcats may venture to the State Tournament.

Oldham whips valiant Wildcats

by NICK LAMKIN

Waggener's Wildcats staged a valiant effort before bowing to Oldham County Friday night at Waggener.

The battle was a tight duel from start to finish with neither team gaining a substantial lead. The Wildcats were on top for most of the game, before falling behind for good in the last minute.

The visiting Colonels moved to a quick 4-0 lead, but five straight points by Mike Gambill put Waggener on top 5-4. The Cats didn't stop there as

they moved to a seven-point advantage at 15-8, the biggest lead held by either team during the contest.

Oldham County cut away at the deficit and went on top 20-18, but a twisting spin shot by Brad "Dracula" Arterburn knotted it 20-all at intermission.

At the start of the low-scoring third quarter, the Colonels took a 24-20 lead, but baskets by Arterburn and Chuck Armstrong tied it again. Old-

ham County moved on top 26-25, but a last second, 25-footer by Kenny Lewis put the Cats on top 27-26 at the third stop.

The last quarter was a hectic one, with the score changing hands five times and the count notted on three occasions. The score was tied for the last time at 37-37 with 1:30 showing before Oldham put on the freeze. The Colonels added a pair of field goals in the closing time for the final count.

Gambill was high man for the Wildcats with 12 points, but yielded scoring honors to Bruce Bierman of Oldham County with 15. Arterburn followed with eight for the Cats.

This loss puts Waggener's final record at 8 wins and 12 losses, and they now rest until meeting Eastern in the District Tournament.

Waggener fund drive shifts to 2nd gear

The drive by the Waggener Development Association to raise \$50,000 for athletic and recreation facilities at Waggener High School has reached the first plateau. Contributions and pledges have passed the \$10,000 mark.

Most of this money has come from the sale of charter memberships at \$5 each, and from contributions by small businessmen.

Now the Association's big gun, the special gifts committee, comes into play.

This committee, headed by Armer Mahan, 213 Sequoya, has already raised a couple of thousand dollars. This includes a scoreboard valued at \$1,800 from the St. Matthews Kiwanis, a \$500 pledge from the St. Matthews Jaycees, an anonymous donation of \$500 and a gift of \$300 from Bacon's.

Now the team of 10 men must get to work in earnest on other major potential contributors. This will include major business houses, and wealthy individuals. The committee has been at work three weeks. It hopes to complete its work in six more weeks.

"A lot of the major business houses said to come back when the drive was started," said Mr. Mahan, who has a son, Bill, 16, a junior, attending Waggener. "Well, we're started now."

"This is a community project. If we improve Waggener by \$50,000, it will be an improvement that will benefit the entire St. Matthews community.

"These athletic and recreation facilities we wish to provide, including a football field and a track, are facilities that the County Board of Education does not provide. You can't get everything you need from tax money.

"Waggener field is being graded now. By summertime, the people who have contributed

ARMER MAHAN

will be able to see what their contributions are paying for."

Besides the special gift committee, the Association still has a few other cards to play. A family pledge drive is planned, and a car wash day will be held by Waggener students, with the money to go to the fund.

A paper sale is also planned, as well as a Dedication Queen Contest, scheduled for next Fall.

Recently a committee of the Association, headed by Earl Duncan and Chris Georgehead, handled the selling of ads and printing of the program for the 28th District Basketball Tournament. When all the bills are paid, a profit of \$900 to \$1,000 is ex-

(Continued on Page 4)

Waggener

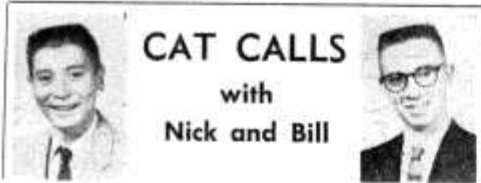

(Continued from Page 1)
pected.

Half of this money will go to Waggener's athletic department for current needs, and the rest will go to the Development fund.

Here are the organizations and individuals who have contributed \$25 or better so far:

St. Matthews Kiwanis, St. Matthews Jaycees, Bacon's, Southern Bell Telephone Co., Levy Brothers, Sanders Cleaners, Capital Laundry, Marshall Planing Mill, Franck's Hardware, Webb's Drug Store, Henry Heuser, Scherich Mfg. Company, Claude Sexton, Kosair Temple — Arab Patrol, Nanz and Neuner, St. Matthews Episcopal Church, Bethel E & R Church, Rowland Paper Company, Plehn's Bakery, Mr. and Mrs. J. Greig Spalding, Morris Borowitz, Harrison Hunter, William Irion, Kelley Construction Company, Albert Loeffler, J. Ashby Miller, William Mowry, Robert Wood, and Robert Wyatt.

March 12, 1959

CAT CALLS
with
Nick and Bill

Waggener closed its basketball season with a real thriller when we vainly clawed for a victory over Eastern High School in the District Tournament. It was probably the finest game of the season and helped greatly in establishing our team as one with great potential and spirit.

In J. V. hall this year our boys compiled a 10-10 record with the help of David Stutzenburger, Warren Van Hoose, Clay Morris, Burt Stokes, Mike Lynch, and John Thompson. When asked for a comment Coach Vernon Jones replied, "They had a fairly good season for J. V. hall." Coach Jones also felt that the toughest teams we played this year were Oldham County and Seneca.

Our Freshman season was composed of a win over Flaget, two over Anchorage, and splits with Pleasure Ridge, Fern Creek, and Fairdale. Looking good are Mike Skelton, Paul Keith, Keith Thomas, Dave Kuhn and Robin Hanlan. Coach William Scharvek commented that "Waggener will definitely be on the map in the future as far as basketball is concerned."

Our 7th and 8th have again plunged into the annual class tournaments. This year the tournaments will end around the second of April with a play off game between the two grades to decide the school championship.

Now that the hardwood season is over spring football takes the spotlight. When it began on March second it was discovered that several of last year's freshmen have become ineligible either because of grades or other reasons. Of those who are out however Perry Wood, Steve Cullitt, Sam Pollitt, Scott Davis, and Fred Norkirk are shaping up rapidly after a few months of rest and of course loafing. Practice will end at the end of March, but an intra-squad or red and gray game will be played at 2 p.m. March 26. Students will be admitted for 25 cents. On the whole the team should be more mature next year and should be hitting harder and running better.

One note on the golf team and then the pen will return to the infield for another month. Coach Jack Kizer says that golf practice officially starts in April and the Louisville Country Club has generously consented to let Waggener use its course for practice.

Spring practice draws to close.

Waggener Ends With 8-13 Slate

The Waggener Wildcats got their needed experience with a tough schedule that saw the Cats grab eight of 21 tilts.

The Wildcats showed signs of greatness, as they battled many regional-headed teams for all they were worth.

Although the Cats' record does not show it, they were only outscored by 15 points the whole year by their opponents. The Wildcats finished with a 49.34 points per game average, while their foes gathered 49.76. Waggener also lost six games by less than five points.

Final Unofficial Statistics:

PLAYER	GAMES	TOTAL POINTS	AVERAGE
Mike Gambill	21	240	11.43
Brad Arterburn	21	194	9.24
Gibbs Reese	21	152	7.24

Joe Dietrich	7	8	1.14
Dave Marrett	3	2	.67
Charles Brown	2	0	0.00

Wildcats Drop Final Tilts

Waggener's Wildcats showed signs of great strength in their last three outings, but fell by the way-side to Trinity, Fern Creek and Oldham County.

In the battle of St. Matthews, Trinity held off a last-ditch rally by the Wildcats to win 47-45, February 17.

The Shamrocks broke a 10-10 deadlock at the start of the second quarter and never trailed again. They went in front by ten at 23-12, but baskets by Mike Gambill and Kenny Lewis trimmed the deficit to 22-16 at halftime.

Trinity scored to a 40-23 lead in the third quarter, but here Gambill came to Waggener's rescue and cut the gap to 41-36 at the close of that quarter.

The Wildcats put on a valiant effort in the last quarter, but failed by an inch. Gambill and Gibbs Reese led the closing rally and clipped the margin to 46-45, but time ran out.

Arterburn Stars

Waggener stayed surprisingly close to Fern Creek on February 10, but the Tigers pulled a big fourth quarter and walked off with a 48-36 win.

The Wildcats led 8-7 at the end of the first stop and pulled out to their biggest lead at 13-7 before Fern Creek gained control. The Tigers edged in front 15-13 and led by 21-19 at halftime.

The Cats continued to stay on the Creekers' tail in the third quarter trailing by only 31-25 at the close of that period.

Fern Creek went to work in the last quarter as they outscored Waggener 15-0 and went in front 46-25. The Wildcats got their first point in this stanza on a free toss by Brad Arterburn at 1:25.

Arterburn led the Cats with 14 points followed by Gambill's eight.

Cats Bow in Last Minute

Waggener continued its hard luck campaign by dropping a 41-37 thriller in the season finale February 27 to Oldham County.

Track Meets Set

The Cat's track team will venture into its first season of organized meets this spring. Representing Waggener will be such runners as Butch Mathis, Jimmy Walker, Mike Lynch, Ted Meeker, Sam Pollitt, Fred Davis, Les Snyder, John Burt, Tom Grunwald, Tom Ogle, Rodney Smith, and Denny Rodman. Coach Dave Aspy would like to have a lot of boys out for track who aren't already out for spring sports. He also said that this year would be more or less a learning process for the boys. Our schedule will probably run as follows:

- April 3—Shawnee
- April 6—Atherton
- April 10—Dorrett
- April 14—K.M.I.
- April 22—Butler (9th and 10th grades)
- April 24—K. M. I.

Varsity Scores Eagles, But Bows

Eastern won a thrilling 46-42, 26th District basketball game Friday at Masonic Home Gym, but the Eagles had to scrap all the way to do it.

Eastern, ranked 14th in the state, "started sweating it out," as the senior-less Wildcats almost pulled the biggest upset of the year.

Waggener elected to go to a deliberate type play and wait for the good shots against the fast moving Eagles. It paid off as the Cats stymied the Eastern fast break.

Eastern Puts Ahead

Leading by 17-10, the Middletown quietist threatened to split the game open as they moved out in front 23-16, but the halftime intermission stopped their drive at 27-21.

Waggener stormed back in the third stanza as a basket and two free throws by Chuck Armstrong and charity tosses by Arterburn, Gambill and Gibbs Reese put the Cats on top 32-30.

The game remained tight all through the last quarter. Eastern took over the lead at 35-34 and never trailed again, although they were never safe until the last 13 seconds.

The Wildcats ability to stay with Eastern came at the foul line. The Cats rushed in 24 of 32 attempts, including 17 out of 19 in the last half. Long led the winners with 14 points. Arterburn collected 12 and Armstrong 11 for Waggener.

The game was tight from start to finish with the visiting Wildcats winning it in the last minute.

The Wildcats held the biggest lead of the night at 15-8 in the first half, but Oldham County knotted it at 25-20 at intermission.

The third stanza was a give-and-take, low-scoring affair with Waggener leading 27-26 at the stop.

Oldham County finally pulled it out in the final frame with the score exchanging hands six times and being knotted on three occasions, the last at 37-37 with 1:20. Here, the Colonels went into a freeze and added a couple of free throws and a field goal for the final count.

SPRINTERS PREP DAILY

Mathis, Burt, Walker tryout.

Swim Teams End Year

Waggener's swim team ended its season on February 28 with an outstanding showing in the State High School Swimming Meet at Lexington. The meet was a contest between the top high school teams in Kentucky. Our team, though just in its first year of class "A" competition, placed second among the top six entries.

The contest was mainly between the Atherton Rebels and Waggener with Atherton winning and scoring 11 events to our two. The two events in which we placed first were the 150 yard medley swim by John Abbott, and the 200 yard freestyle relay won by a team of four consisting of Bob Nelson, Tommy Grunwald, Tommy Ogle, and Bill Irion. Waggener finished second in the following four events: The 100 yard butterfly, 200 yard freestyle, fancy diving, and the 200 yard medley relay.

Swim in State

The girl and boys who participated were Judy Dillon, Bob Nelson, Tommy Grunwald, Bill Doolittle, Don Schmitz, Rudy Miller, Rollin Sboons, Tommy Ogle, Philip Trunpfeller, Steven Peske, Charles Farmer, Steve Mimica, Tony Minion, Richard Abbott, Sherman Henderson, John Abbott, John Higgs, and Bill Irion. Considering Waggener had only juniors and below, we did extremely well against Atherton's team of mostly seniors. Swim coach, Mr. Crawford, is of the firm belief that when Atherton loses all its senior swimmers next year, Waggener will take the state championship with little trouble.

Season's Record

In the regular season Waggener beat Lafayette twice, Trinity, St. X, Southport Central, and lost to St. X, Atherton, and Columbus making their record five wins and three losses. This record deserves much recognition.

The Waggener girls' swim team had the potential this year but went almost unchallenged because of the lack of competition. Because Waggener has the only girls' swim team in Louisville, they had to meet composite teams, from different schools. The organization of girls' athletics is now gradually taking place in many high schools making next year a promising season for girls' swim competition.

Need car wash? Waggener's willing

Waggener High School Saturday will be the scene of the biggest car-washing operation ever witnessed in these parts.

Twelve crews totalling 100 workers will be on hand from 8 a.m. to 5 p.m. to wash, clean, scrub, brush out, and window polish every auto they can get their hands on.

The price is only one dollar and the money goes to the Waggener High Development Association for construction of a football stadium.

Eighty of the workers will be students, girls as well as boys. With them will be Waggener coach Dave Aspy and his staff, and about 15 parents.

"We're going to do it assembly-line fashion," said fund-raising chairman Chris Georgehead. "The way we've got it set up, we can do about 600 cars an hour. The customers won't have to wait for service with 12 assembly lines going. If we've got the business, we'll keep working right past 5 o'clock."

There will be four assembly lines in each of the school's three parking lots, off Hubbards Lane, south of Shelbyville Road. An additional 25 cents will be charged for white wall tires.

Mr. Georgehead said he hopes to have donated or pledged \$17,000 by April 15. That will be enough to sign a contract to put up one side of the bleachers for the stadium. One side will hold 2,400 fans.

The bleachers will be steel reinforced concrete with guard rails.

He said Bill Irion was chairman of a committee now building a cinder track at the school. It will have railroad ties on the side, gravel underneath and fine cinders on top. Its value will be \$3,500 but its cost will be far less because most of the materials and labor were being donated.

The fathers and students are providing the labor. The materials are being provided by Louisville Gas & Electric Co., Royal Crown Cola, Louisville Crushed Rock, and the L&N Railroad.

Cat's didn't have a bad year, by Nick Lamkin, March 26, 1959

With everything finished in high school basketball, now is the appropriate time to review the past year; a year that was pretty good to Waggener's Wildcats.

The Cats finished with an 8-13 record, but picked up then needed experience by battling four-year schools. The Wildcats also fought many regional-headed squads for all they were worth.

Waggener started out on the right foot with a 53-32 victory over Country Day on December 5, but then dropped successive tilts to Oldham county (55-47) December 19, and Butler (54-38) December 12.

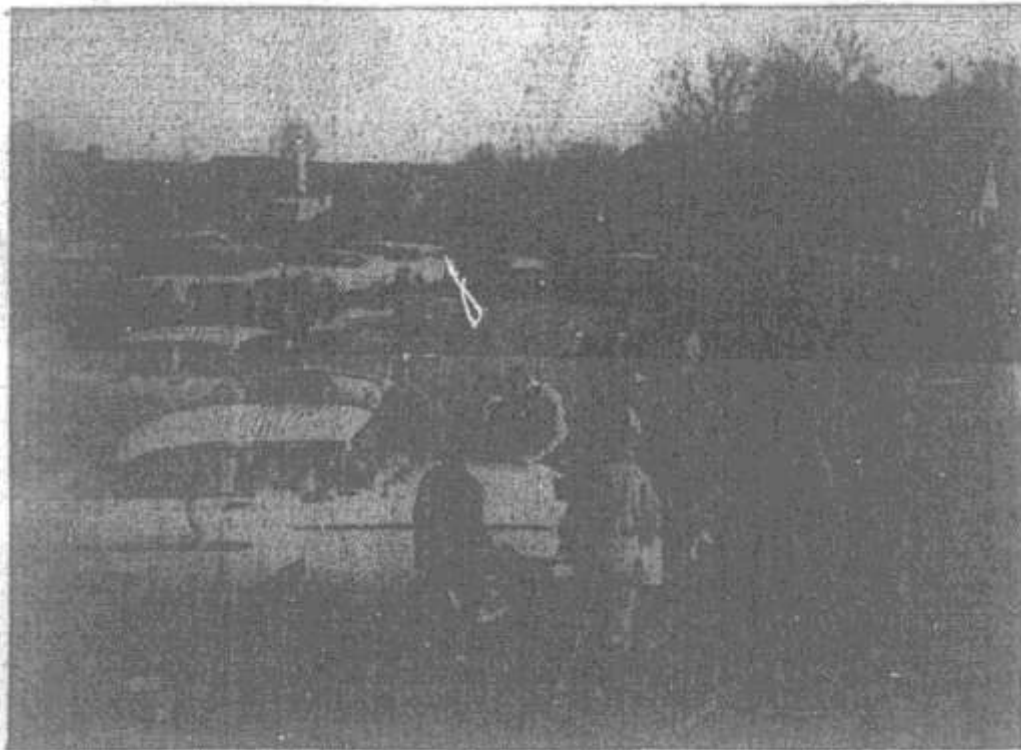

The Wildcats grabbed their second win with a 65-41 romp over Eminence, but then lost a thrilling 42-37 contest against Atherton. The Cats then ventured to the Oldham County invitational on the 26th and 27th and dropped both tilts, a 67-55 loss to the eventual winner, Oldham County and a 45-42 setback to Durrett.

Waggener opened the January campaign with a 63-47 loss to Fern Creek, but rebounded with successive wins over DeSales and Durrett, before dropping a 52-50 game to Southern.

The Wildcats added four more notches to their win stack with a 74-58 annulation's of Eminence, a rallying 55-50 victory over DeSales and impressive 63-48 pounding of Durrett and a squeaking 51-48 win over Midway.

Waggener then dropped six straight tilts.

The Cats' scoring was recently balanced as was shown in the past season's games. Mike Gambill led Waggener with an 11.43 average, gathering 240 points in 21 games. Brad Arterburn followed with a 9.24 slate grabbing 194 points in 21. Pivot man Gibbs Reese was third in scoring, earning a 7.24 average.

Business was brisk all day Saturday at the Waggener High car wash. More than \$500 was raised for the Waggener High stadium. A second all-day car wash is planned for the first of May.

Wildcat swimmers, cagers get awards

By NICK LAMKIN

A talk on the history of basketball and the presentation of awards highlighted the 1959 combination Basketball-Swimming Banquet held Thursday night in the Waggener cafeteria.

After a meal of fried chicken, Dave Lawrence, Dean of Boys at the University of Louisville, gave the talk, bringing out how the great hoop sport got its beginning.

Head basketball coach Roy "Doc" Adams then passed out letters to his varsity men who are:

Wally Adams, Brad Arterburn, Chuck Armstrong, Mel Borland, Charles Brown, Ben Cundiff, Joe Dietrich, Mike Gambill, Kenny Lewis, Dave Marret, Steve Mowry, Gibbs Reese, Ramey Simpson, Burt Stokes, Warren Van Hoose. Managers: Kenny Schuler, Perry Chick.

Junior Varsity Coach, Vernon Jones, issued letters to his J.V. players: Jim Pope, Clay Morris, Woodie Axton, Kirk Williams, Tom Ryan, Marty Nowak, John Thompson, David Hussung, Jim Mayo, Danny Sundberg, Steve Porter, David Stutzenberger, Mike Lynch, Mount Davis, Gordon Finley, Les Snyder. Managers: Jerry Warren, Walker Cunningham.

Waggener's swimming team, which placed second in the state class "A" swimming meet a couple of months ago, were given their awards by swim coach Pat Crawford. Those who received varsity letters were:

John Higgs, Bill Irion, John Abbott, Sherman Henderson, Dick Abbott, Tony Miniea, Steve Miniea, Charles Farmer, Steve Pesko, Phil Trumpfeller, Tommy Ogle, Rollin Shouse, Russ Miller, Dan Schmitt, Bill Schouse, Tommy Grunwald, Bob Nelson.

Other swimmers receiving junior varsity letters were: Wendel Wyatt, James Collins, Frank King, Herbie Melcher.

Matilda Walker presented the varsity cheerleaders with their

letters. They are: Pam Ferguson, Charlotte McKinstry, Marie Van Hoose, Linda Miller, Patsy Gay, Judy Wylie, Susie Cooke.

The junior varsity cheerleaders received their letters from their sponsor, Wanda Callahan. Those honored were: Elaine Bahe, Ann Haysley, Peggy Kucen, Bunny Laffoon, Nancy Morris, Lou Thompson.

The ninth grade basketball team was also honored and given their awards by coach William Schureck. They are Paul Long, Tommy Pope, Robin Hanlon, Dave Kuhn, Keith Thomas, Jan Turner, George Craig, Mike Skelton, Paul Keith, David Stallard, Bob Fritsch, Mac Bowling, Murray Walker, Tommy Kittle. Manager: Jack Barnett.

Steve Wilson delivered the invocation and Mr. Mel Borland was toastmaster for the affair. Athletic director Morris Chilton head of the banquet, praised the F.H.A. for the fine job in preparing the dinner and their participation. He added, "I think the banquet was a success and many have commented that it was very nice."

A dance followed the banquet in the gym with Ronnie Tharp's "Moonlighters" providing the music. Miss Carol Waford was crowned queen during the dance with Judy Mattox, Karen Carter, Joyce Greene and Sandy Bridges making up the court.

Waggener

By Jinny McMichael

Game marked by foul play, biased umpires

The annual Student-Faculty Farce was held last Friday night, April 3, in the gym. The evening, as usual, was marked by foul play, biased umpires, and rather unusual costumes. The women faculty beat the girl's team in the preliminary game, and the boy's team beat the men faculty (who were dressed in white underwear) in the main event of the evening. The teacher's band played "The Children's Marching Song" and was led by Mr. Carl Markert in Bermuda shorts.

The winners of the Seventh and Eighth Grade annual Basketball Tournament are: seventh grade, 70, Mr. Olen Fishback; and eighth grade, 81, Mrs. Imogene Horton. The runners-up were: seventh — 7-F, Mr. Sid Guillen; eight — 8-C, Mrs. Annie Jenkins.

Yesterday was Career Day at Waggener for the juniors. It was sponsored by the P.T.A. and selected 25 vocational fields from a poll of the juniors and selected a representative from each field. Each junior was allowed to attend two of these vocational groups, where the fields were discussed and questions answered.

The Junior Class sponsored a Skating Party at the Fourth Avenue Roller Rink last night. Sophomores and freshmen were also invited to attend.

Thirty-five Waggener juniors participated in the radio program, "Junior Town Meeting of the Air", which was taped and then broadcast Monday from 9:30 to 10 p.m. Waggener stu-

dents made up the audience which asked the panel composed of students from other schools in the state, questions about the topic, "Are Our Standards of Living in America Too High?" The audience was also asked to evaluate the panel. Those who attended were:

Mrs. Katherine Kirwan, Freddy Neikirk, Sue Evans, Barbara Webb, Johnnie Grubb, Perry Wood, Billy Mayrose, Jack Heun, Charles Brown, Ann Bell, Judie Disborough, Lois Short, Linda Short, Linda Schaaf, Jinny McMichael, Robert Ling, Christine Rust, Peggy Leahy, Ronnie Hammerle, Jim Ratliff, Bobby Shane, Burt Meyers, Bob Hackney, Kenneth Anderson, Bill Moeller, Bill Fredenberger, Lynne Lawson, Susan Goldsmith, Marie Van Hooze, Jim Fuller, Sandy Walker, Nelda Perkins, Barbara White, Julia Harlowe, Wanda Dunn, Merrill Lee Sweet, and Diane Rosenthal.

Tuesday was Business Industrial Education (BIE) Day. Several representatives from the various industries around Louisville were guided through the school with particular emphasis on the television classes. The representatives were the guests of the Home Economics Department for lunch. The members of the National Honor Society served as guides.

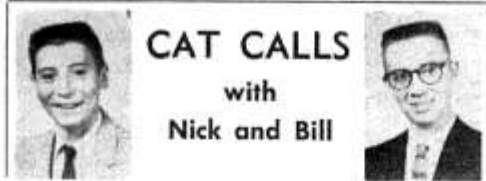

April 9, 1959

Car wash at Waggener

Students of Waggener High School will conduct another all-day car wash at the school on Saturday, May 9, to raise funds to aid the Waggener High School Development Association in completing the football stadium and baseball field on Hubbard Lane.

The car wash will be under the direction of Chris Georgehead, chairman of organization and committees of the Development Association, and will be from 8 a.m. to 5 p.m. The price for a car wash is \$1, plus 25 cents for white-wall tires, and all proceeds will go to the stadium fund.

April 30, 1959

CAT CALLS
with
Nick and Bill

Last issue in closing the basketball season we failed to mention the fact that Mike Gambill received honorable mention for the all county team which is selected by the votes of county high school coaches. Congratulations Mike.

The baseball season got under way Tuesday, April 21, when Waggener took K.M.I. 9-5. Jim Lapsley was the winning pitcher who pitched four innings and Richard Stokes and Wally Adams pitched two and one innings respectively. This was an unscheduled game but our regular schedule is as follows:

May 1—Southern	Here
May 4—Fern Creek	There
May 5—Oldham County	Here
May 6—Butler	There
May 7—Oldham County	There
May 8—Eastern	There
May 12, 13, 14—District tournament	
May 15—Country Day	There
May 18—Southern	There
May 19—Manual	Here
May 20—Durrett	There
May 21—Eastern	Here
May 22—Manual	Here
May 25—Seneca	Here
May 26—Fern Creek	Here
May 27—Durrett	Here
May 28—Seneca	There
May 29—Country Day	Here

The positions for these games are for the most part doubtful. The confirmed ones are: first base—Mike Gambill, second base—Chuck Armstrong, third base—Ben Cundiff, short stop—Mel Boyland, left field—Rayney Simpson, and right field—Warren Van Hoose, while the unconfirmed ones are pitching, catching, and center field. Our success at batting is questionable also. Waggener faces a pretty tough season and will have to get much of its experience during actual games. The team has been practicing since two weeks previous to Spring vacation with somewhat of a hindrance since the diamond has been torn up at various times. The boys who are out are Warren Van Hoose, Perry Chick, Mel Burland, Charlie Brown, Russel Weikel, Kit Georgehead, Ben Cundiff, Perry Wood, Chuck Armstrong, Mike Gambill, Jim Pope, Steve Porter, Ronnie Ray, Rayney Simpson, Bill Hammon, Burt Meyers, Dabe Simpson, Jack Herman, Wally Adams, Kenny Lewis, Gordon Finley, Richard Stokes, Jim Lapsley, and John Thompson.

When asked his opinion of the coming season Coach Vernon Jones replied, "It's questionable." In any event we want to wish them luck.

On the tennis courts Buddy Orr, Hockey Sullivan, Sue Stafford, Woody Axton, Richard Epstein, and Bill Mueller are representing Waggener. This is the same team as last year with the exception of Bill Mueller who comes to us from Dekalb, Illinois. We have played one match so far in which we were defeated 4-5 by Atherton. Axton and Epstein, and Stafford and Sullivan took a set of doubles apiece and we also won a single but Atherton won four singles to take the match.

Fans Saw Action In Faculty Game

BANQUET ENDS WINTER SPORTS

A talk on the history of basketball by Dave Lawrence, Dean of Boys at University of Louisville and the presentation of awards highlighted the 1959 combination Basketball-Swimming Banquet held March 26 in the Waggener cafeteria.

The Dean gave his talk, bringing out how the nation's top sport got its beginning.

Head Basketball Coach, Roy "Doc" Adams passed out letters to his Varsity men who are: Wally Adams, Brad Artfurn, Chuck Armstrong, Mel Borland, Charles Brown, Ben Cundiff, Joe Dietrich, Mike Gambill, Kenny Lewis, Dave Marret, Steve Mowry, Gibbs Reese, Rayney Simpson, Burt Stokes, Warren Van Hoose. Managers: Kenny Schuler, Perry Chick.

Junior Varsity Coach, Vernon Jones, issued letters to his J. V. players: Jim Pope, Clay Morris, Woodie Axton, Kirk Williams, Tom Ryan, Marty Nowak, John Thompson, David Huseung, Jim Mayo, Danny Sundberg, Steve Porter, David Stutzenberger, Mike Lynch, Mount Davis, Gordon Finley, Les Snyder. Managers: Jerry Warren, Walker Cunningham.

Harriers Grind Cinders

The Cats in their first year of organized meets bowed out to Shawnee 37-70 on April 3. Walker sprinted to win the 440 in :55.9, Mathis took the mile in 4:54.6 and the 800 in 2:12. Stokes won the high hurdle event in :20.6, and Reese cleared a high jump of 57-4 1/2.

On the eighth the Cats were on a match for the Atherton thinsies losing 32-85. Walker and Mathis came through capturing the only events for Waggener.

Waggener made a good showing on the tenth against the Durrett Demons. The Cats took six individual events including the discus throw by Enzor but lost the meet because of poor field relay runs. The final score was Waggener 48, Durrett 61.

KMI Meet Changed

The regulation KMI meet scheduled for the fourteenth was called off when it was realized that some of our top sprinters would be unable to run. Among the absent were Jimmy Walker with a spiked ankle and Butch Mathis. An unofficial meet was held in its stead for practice purposes with Hendren, Mayruse, and Catlet making good runs. KMI lost the practice meet on a technicality.

The Jay Vees captured their first win on the 21 against Butler's Bears. Butch Mathis sprinted a fast mile in 4:53, Lee Snider ran the 100 in :10.8 and the 440 in :37.5, and Randy Duncan finished the 220 in :25.1. The final score was Waggener 63, Butler 36.

Swimming Teams Honored

Waggener's swimming team, which placed second in the State Class "A" Swimming Meet a couple of months ago, were given their awards by Swim Coach, Pat Crawford. Those who received varsity letters were: John Higgs, Bill Irion, John Abbott, Sherman Henderson, Dick Abbott, Tony Miniea, Steve Miniea, Charles Farmer, Steve Pesko, Phil Trumpfeller, Tommy Oglin, Rollin Shouse, Rudy Miller, Dan Schmitz, Bill Doolittle, Tommy Grunwald, Bobby Nelson. Other swimmers receiving junior varsity letters were: Wendell Wyatt, James Collins, Frank King, Reese Minster.

Cheer Leaders Honored

Matilda Walker presented the varsity cheerleaders with their letters. They are: Pam Ferguson, Charlotte McKinstry, Marie Van Hoose, Linda Miller, Paisy Gay, Judy Wylie, Susie Cooke.

The junior varsity cheerleaders received their letters from their sponsor, Wanda Callahan. They are: Elaine Bahe, Ann Haysley, Peggy Kucen, Bunny Laffoon, Nancy Morris, Leo Thompson.

5th Graders Get Awards

The ninth grade basketball team was also honored and given their awards by coach William Schureck. They are: Paul Long, Tommy Pope, Robin Hanson, Dave Kuhn, Keith Thomas, Jan Turner, George Craig, Mike Skelton, Paul Keith, David Stallart, Bob Fritsch, Mac Bowling, Murray Walker, Tommy Kittle. Manager: Jack Barnett.

Mr. Steve Wilson delivered the invocation and Mr. Mel Borland was toastmaster for the affair. Athletic Director, Morris Chilton, head of the banquet, praised the F.H.A. for their fine job in preparing the dinner and their participation. He added, "I think the banquet was a success and many have commented that it was very nice."

A dance followed the banquet with Bonnie Tharp's "Moonlighters" providing the music. Miss Carol Wafford was crowned basketball queen by Coach Adams during the dance with Judy Mattox, Karen Carter, Joyce Greene and Sandy Reidge making up the court.

8L Takes Championship

Front Row: Tommy Howell, Gary Mattingly, Thomas Virgin. Back Row: Tommie King, Lee Griffilla, Warner Maxwell, Harry Geisberg.

Horton, Fishback

Mrs. Horton's 8L squad is the new junior high school basketball tournament champions. Horton won the meet with a 17-11 victory over seventh grade winner, Mr. Fishback, on April 3.

Seventh Starts Climb

Fishback, 7-0, started their climb to the championship with a 39-8 win over Goodell. They then trounced Haick 22-8, a previous 9-6 victor of 7N and took the measure of Dobbs 28-17, before winning the big one—29-23 over Guillen.

Horton's drive to the eighth grade championship was climaxed by a 29-13 win over Jenkins. Horton previously ousted Gaten-

Win Jr. High Meet

bee 53-19, Swans 19-14, and Durham 36-21 before the championship.

Fishback Rallies

The junior high finale saw the underdog seventh grade champions stage a valiant last quarter rally that failed against the powerful eighth graders. Horton led 2-0 at the close of the first quarter, 6-3 at halftime and by 10-2 at the third stop, but Fishback rallied to close the final count at 17-11.

The tournament was highlighted by fast action, cheerleading by the young girls and enthusiastic support by the rooms involved.

Golfers Open Season

Coach Kleier's golfers opened their season on April 8 with an energetic drive to the green. Though the linksters lost this match to Atherton's Rebels, Mr. Kleier is confident the team will put on and finish in the upper half of the Eastern division.

Each regulation high school golf match is played on a nine hole course promptly at three o'clock. After regular season competition a city and county championship will be held, then a regional tournament on May 17, and finally the state tournament on May 24. Coach Kleier feels that the Cats will definitely reach the regional this year.

In Waggener's first game Phil Scherer shot 46, Dave Marret 41, Ricky Acres 47, and Ted Frith 44 for a total of 178. The Rebels were victorious with a low tally of 165.

LaVelli to perform for Waggener benefit

Waggener High School Development Association has signed a contract with Tony LaVelli, four-time Yale University All-American basketball player and one-man showman-artist, for four performances at Masonic Home Gymnasium, May 18-19, to benefit the fund-raising drive to complete the new football stadium and baseball field at the school on Hubbards Lane, according to Claude F. Sexton, president of the association.

The LaVelli Show, which features a variety performance of accordion music, songs, dances, and witticisms, plus a finale of expert basketball shooting in his All-American uniform, will be presented in two matinee performances and two evening performances at Masonic Home gym. The matinees will be at 2:30 p.m. and the evening performances at 8 p.m. on May 18 and 19.

Mr. LaVelli, who is the only four-time All-American player in major college history, is a 6-foot-4 handsome athlete and musical entertainer who started out at the age of 6 on the violin, then took to the piano and accordion by the time he was 10 years old, and at 11 was on a national radio and TV program. He received several college athletic scholarships, but turned to Yale University to take music scholarship.

At Yale, Mr. LaVelli tried basketball, became All-American in 1946 and was named All-American the next three years. He scored 1,964 points for a new national major college record in one season.

He played with the famous Harlem Globe Trotters for seven years after College, and also played with one of the Globe Trotter subsidiary teams and coached it while playing in a variety show that accompanied the basketball team. He turned down a \$30,000 TV contract to make his personal tour of the United States to put on his one-man shows and to talk to the young people of America in the interest of clean sports. He has performed in the United States and Canada and will leave immediately after the performances at the Masonic Gym for a tour of Australia and then to Europe.

SPRING SPORTS AT WAGGENER

by NICK LAMKIN

Spring sports are in full swing at Waggener. Waggener's baseball squad, under the leadership of Coach Vernon Jones, owns a 2-3 record.

Their schedule includes wins over K.M.I. 9-5, DeSales 3-1; and losses to K.M.I. 4-0; Fern Creek 7-0; and Southern 8-1. Coach Jones could not say much about the team or the coming season.

The Cats will be depending on the bats of Chuck Armstrong, Ramey Simpson, Mel Boriand and Mike Gambill and the mound ability of Jim Lapsley and highly-touted Richie Stokes.

Waggener's diamond schedule shows tough competition with the Wildcats meeting both Manual and Eastern twice, and the district tournament is always a challenge.

Waggener's track team owns a 1-5 mark, its only win being a 59½-56 decision over K.M.I. Coach Dave Aspy counts on miler Butch Mathis, whose fastest time has been 4:47.4, and Jimmy Walker in the 440 (54.0) and 220 (24.0) to carry the bulk of the attack. Burt Stokes is also highly praised by Aspy.

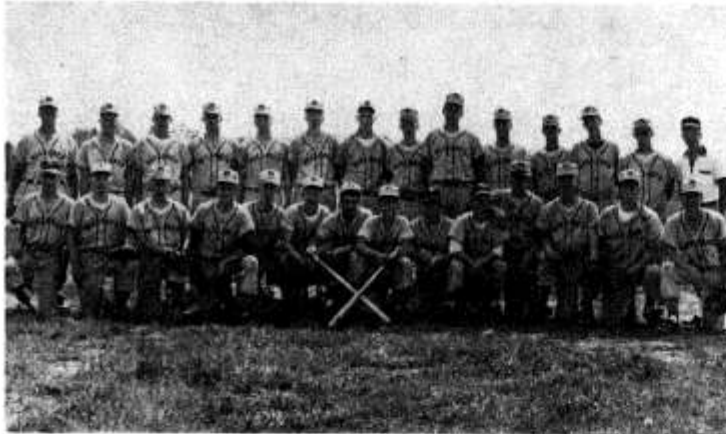

The Wildcat tennis team coached by Roy "Doc" Adams sports a 2-2 worksheet. Coach Adams commented about the team, "I think we are doing pretty good considering we have to play senior high schools."

The netters are headed by ace female Rocky Sullivan. Other members of the squad are Woody Axton, Richard Epstein, Sue Stafford, Buddy Orr and Bill Moeller, an Illinois transfer, bolsters the attack.

Coach Jack Kleier's golf team has a 3 and 3 record. The Cats wins were over K.M.I., Seneca and Fern Creek and their setbacks to Atherton, Country Day and Trinity. Kleier definitely feels the team will finish in the upper half of their division and will reach the regional tournament May 24.

May 7, 1959

BASEBALL SQUAD ENDS SEASON

Diamond Crew Showing Well

Waggener's baseball team now sports a 6 and 5 record. The Cats started the season with wins over K.M.I., 9-5 April 21; and DeSales, 3-1, April 24. Waggener then dropped three straight—to K.M.I., 4-0; Southern, 7-1; and Fern Creek, 7-0. The Wildcats grabbed three consecutive victories downing Oldham County, 6-2; Butler, 7-1; and Oldham County again, 16-1.

As Captain of the Cheerleaders, I wish to thank Miss Betty Jo Wells and Miss Matilda Walker for sponsoring us this past year.—Pam Ferguson.

Waggener was ousted in the District Tournament by Trinity, 3-1. The Cats rebounded with a 3-2 triumph over Country Day, but were defeated by a powerful Manual nine, 18-8, May 19.

As of May 7, second baseman, Chuck Armstrong pares the Waggener hitting attack with a .436 batting average. Following close behind is Ben Cundiff sporting a .426 worksheet. Raymer Simpson and Dave Simpson trail with a .333 and .312 averages respectively, and shortstop Mel Borland closes out the high averages at .280.

Thinlies Wind Up Season

Coach Aspy's thinlies ended their regular season of track on May 7 with a record of 2 wins and 6 losses.

The Cats met Butler's Bears on April 23 but couldn't make the grade losing 76-40.

In a triangle meet against KMI and Seneca on April 24 Waggener chalked up their second win of the season. Walker took the 440 and 220 and Mathis the mile and half mile. In 182 Stokes captured the high hurdles and the Cats relay team Graef, Mayrose, Snyder, and Henderson won the relay. The final score was Waggener 59%, KMI 56, and Seneca 29%.

On April 29 our harriers met Durrett and DeSales in another triangle meet. Once again Walker and Mathis came through winning the 220 and 440 and the mile and half mile respectively. Mayrose, Mathis, Geay, and Catlett won the mile relay in 3:48.8 and Stokes the high hurdles in :17.8. Durrett won the meet by a mere three points the score being Durrett 60, Waggener 57, and DeSales 29.

Waggener met KMI on May 7 ending the regular track season. Pollitt captured the mile and half mile, Walker the 220 and 440, and Stokes the broad jump and low hurdles. The Cat's relay team consisting of Pollitt, Graef, Mayrose, and Mathis ran a fast mile in 3:48.7. The final score was KMI 62, Waggener 55.

Waggener entered the regional on May 9 and made a sensational showing running fifth in the meet. Butch Mathis captured a first both in the mile and half mile scoring all of Waggener's points. Butch was timed at 2:04.8 in the half mile and at 4:42.2 in the mile.

Golf Season Ends

Coach Kleier's golfers ended this season on May 10 with a 4 win, 3 loss record. The Cats came in fifth in the regional and also participated in the Kentucky State Tournament.

On April 23 Trinity undershot the linksters by six strokes. Shver shot a 40, Acree a 40, Frith 43, and Marrett 46. The score was Trinity 163, Waggener 169.

Against Country Day on April 27 Waggener lost by one stroke

CAT CALLS
with
Nick and Bill

In this last issue of Cat Calls we're going to review some outstanding events of the year's sports program. If you can remember the events of the month of September, you will recall that the cats entered their first season of varsity football with a win Stanford High School 12-0, both touchdowns being made by Se. The season as a whole was fairly good considering the situation faced with a senior-less high school. We attained a 2-6-1 r under the expert coaching of Mr. Dave Aspy and Mr. Jack K two new additions to the varsity staff, and Mr. James Gray who one of our J.V. coaches in the previous season. The J.V.'s, co by Mr. Pat Crawford who is also a new coach, had a little more successful season ending with a 5-2 record.

The season wasn't without injuries which greatly hindered team. Two of the most serious ones occurred when Pat M accidentally knocked out some of Russel Weiskel's teeth when he came across Russel's mouth. Pat got eight stitches from the inc

G.A.A. Formed

Later in the year Waggener witnessed another first with the organization of the Girls Athletic Association (G.A.A.). This provided an opportunity for girls to enter into sporting activities which have otherwise been unavailable.

The basketball season got underway with a 53-32 victory Country Day, but here again the no-senior factor played an important part for the season ended with a 9-13 record. The Cats rode themselves, however, by almost taking Eastern in the District Tournament. The final score was 43-42. The Cats waged their best of the season by far in this game but it just wasn't enough. season, though, should produce a faster, more experienced Waggener didn't go unnoticed in individual play, however, for Simpson, Chuck Armstrong, and Brad Arterburn made the All-District Tourney team, and Mike Gamball, in addition to being scorer, received honorable mention for the All-County Team.

The basketball courts were also used for fun, frolic, and fit this year. The annual Student-Faculty game, won by the stu provided a great deal of amusement, while the Father-Son basketball game, won by the fathers, netted close to \$500 for new football nets.

HL Won Tourney

In the junior high department HL won the school championship to close basketball activity for the year.

Our swim team splashed its way to second place in the Division of the state swim meet this year. This was really surprising to most people because last year we swam Class "C" teams as though we won first place, we never thought the jump from Class "A" would be so successful.

The girls, not to be outdone by the boys organized their swim team, electing Peggy Leahy as Captain and Gayle Reid as co-captain. This team is one of the few girls' high school teams in the state.

Well, that about does it for this year. We hope that we've brought you interesting and informative data, both this year and year, and we also hope that you've enjoyed reading it as much as we've enjoyed writing it. So long.

Coach Kleier and Golf Team: Ronnie Acree, P. Scherer, D. Marrett, T. Frith, and Ricky Acree.

Cat Netters Have 4-2 Mark

Under the guidance of Coach Roy Adams, Waggener's tennis team has compiled a 4-2 record. The Wildcats' worksheet includes wins over Country Day, 6-1; Trinity, 4-3; Durrett, 7-0; Atherton, 4-3; and losses to Atherton, 4-3 and K.M.I., 7-0.

The team which includes Rocky Sullivan, Sue Stafford, Duidy Orr, Woodie Axton, Richard Epstein, Gene King and Bill Moeller was praised by Coach Adams. "I think the team is doing pretty good considering we have to play senior schools."

Sullivan and Stafford combined to take the state high school doubles championship May 12, by defeating Elizabeth Crady and

Mathis Stars In Regional

In a sport that has met with little success this past season, track has produced one outstanding star—Oscar "Butch" Mathis.

A North Carolina transfer, Mathis has only been beaten once this year in regular season competition in his speciality, the mile run. His other loss was in the Shawnee Invitational Track Meet when he was bested by Southern's Harold Grosse. He also achieved second in the 880 in that meet.

Only a sophomore, Mathis put a real feather in his cap when he captured both the mile and the 880 in the regional track meet, May 9. He avenged his earlier loss to Grosse by beating him with a clocking of 4:42.2. Mathis won the 880 in 2:04.6, thus giving Waggener all of its 10 points in

Tennis Squad: Epstein, Moeller, Axton, Sullivan, King, St and Orr.

Stadium Fund Needs Help

Mr. Claude Sexton, President of the Development Association, is urging support for the drive, commented, "We would like to thank all the students, teachers, and parents who have worked so enthusiastically this year. Without this support, we could not

Thanks . . . This year Waggener's band uniforms will be cleaned by Dixon Cleaners at no to the school. This means quite a substantial amount of money will be saved. The Music Department is very grateful to Dixon Cleaners for their generous support.

Waggener baseball team wins two games

By NICK LAMKIN

Waggener's baseball team's capturing two games and boosting their record over the "500" mark highlighted spring sports this past week at Waggener.

Home runs by Ramey Simpson and Chuck Armstrong highlighted a 6-2 win over Oldham County May 5. The Wildcats banged out 12 hits and the Colonels' six errors also helped the Cats' cause.

The Waggener nine then journeyed to Oldham County for a return engagement. The Cats romped over the home team 16-1 on only seven hits. The combined pitching talents of Kenny Lewis and Ramey Simpson limited the home team to three hits.

Oldham County committed seven miscues that allowed the Wildcats to tally seven runs in the

last two innings of the contest without the aid of a single base hit. The Colonels decided to call it quits after five innings.

Waggener's track team lost its sixth meet of the year 62-55 to K.M.L. May 7 on the latter's field.

Jimmy Walker captured the 440 and 320 for the Cats and Sam Pollitt won the mile and the 880. Waggener also took the low hurdles, with Burt Stokes, the high jump by Gibbs Reese, and the mile relay with Pollitt, Steve Graef, Billy Mayrose and Butch Mathis running.

Butch Mathis captured second place in the mile run and the 880 in the Shawnee Track Meet last Saturday. Mathis made a gallant stretch run in the 880 to beat out Shawnee's Whiteley by less than a stride. Walker placed fourth in the 440 also for Waggener.

Waggener's tennis team took the measure of Durreit 7-6 at Seneca Park, May 7.

Rocky Sullivan, Buddy Orr, Woody Axton, Sue Stafford and Richard Epstein won their matches and Stafford and Axton, and Bill Moeller and Gene won their doubles events.

The netters tipped Trinity 4-3 in a thriller, last Wednesday.

Sullivan and Stafford are now in the State High School girls' tennis championship bidding for the championship set for today. Sullivan was previously ousted in her singles' bid by eventual champ Gall DeLozier.

May 28, 1959

May 14, 1959

Mathis bright spot in Wildcat track picture

by NICK LAMKIN

With a dismal record showing over its head in track, Waggener can boast of an outstanding star—Oscar "Butch" Mathis.

All spring, Mathis has been the spark of the Wildcat attack, losing only once in season competition in his specialty, the mile run. He has been likewise successful in the 880.

Mathis achieved city-wide attention when he finished second in the mile and 880 at the Shawnee Invitational Track meet. His second in the mile was to Southern's talented Harold Groce, who set a track record in that event.

Only a sophomore, Mathis placed a hard-earned feather in his cap by capturing both the mile and the 880 in the Regional Meet May 9 at Bellarmine. He avenged his earlier loss to Groce by beating him with a clocking of 4:42.2. Mathis ran the 880 in 2:04.6, giving Waggener all of its 10 points in the meet.

A North Carolina transfer, Mathis captured state-wide attention, finishing fourth in the mile and 880 at the State Track Meet at Lexington Saturday.

Development needs \$15,000

The Waggener High School Development Association is far short of its goal. Only \$8,000 has been raised from the drive for funds which started last November, according to officers and board of directors of the association.

The officials of the association, with Claude F. Sexton, president, say they need at least \$15,000 more to erect seats on one side, build the track, put up a fence and lights.

Waggener's first graduating class will number over 300, and the association feels this group deserves to enjoy the use of this Athletic Field during their senior year. A letter is being sent to all Waggener parents this week asking for \$20 per family to be paid now or pledged to be paid by Aug. 15, in order to accomplish this. The letter states that some families have

contributed far more than this amount, and are not being asked for more.

The letter also stated that members have tried in many ways to solicit gifts from people outside of the Waggener family and have come to the conclusion that Waggener parents are going "to have to take care of their own," and that Waggener has no alumni and needs a focal point from which to build school spirit, with pep rallies, cheering sections behind the band, track meets at home, outdoor band concerts, and graduating exercises at their own school.

May 21, 1959

Jaycees plan auction to help out Waggener

An unusual type of auction will be held at Colonel Yenawine's Auction Barn in St. Matthews Friday night, Oct. 9.

Col. E. E. Yenawine and the St. Matthews Jaycees are team-

ing up to aid the Waggener Development Association and spearheading a drive to raise money for an athletic field at the school.

The Jaycees are collecting items of value at collection points to be announced soon. Col. Yenawine is donating his space and placing his services at the disposal of the Jaycees for this auction. All items will be donated and sold at absolute auction.

Col. Yenawine's Auction Barn is behind Plehn's Bakery in St. Matthews and has plenty of free parking. The auction will begin at 7:30 p.m. Collection points for items to be auctioned will be announced soon.

September 10, 1959

Wildcats willing but lack speed, passing

The Waggener Wildcat football team for 1959 is plenty willing to work, but coach Martin Deim would give a lot if he had a fast man and a passer in the backfield.

He thinks his boys will give a good account of themselves defensively, and they'll do all right on running plays inside of tackle.

But the club's main weakness is lack of speed. "We have no fast men at all," the coach said. "I wish we had just one."

Passers "Wood and Sundberg are fast passers, but not outstanding." He was referring to quarterback Perry Wood, a 140-pound runner, and Dan Sundberg, 160, a junior.

He expects he'll do all right in the punting department. "Bobby Leason's a good punter," he said. "We think he'll do a real good job."

For a school entering its first year with a senior class, Waggener has a fairly rough schedule. They open September 11 away from home against Providence, a big team. Other away-from-home games are with Durrett, September 23; Butler, October 2; Oldham County, October 9; and DeSales, October 30.

Home games are E.M.I., September ??; Country Day, October 16; Atherton the 23 and Seneca, November ??.

First line of paragraph missing—Coach Deim said. They've been putting in four hours a day during all the heat. One day four boys passed out in the morning. They were back that afternoon.

The starting line-up is fairly definite. At center will be Fred Neikirk, 170 pounds senior. The guards will be Brent Robbins, senior, 165, and Les Snyder, junior, 165.

At quarterback, it's a toss-up between Sundberg and Wood. At half will be Bobby Sexton, senior, 160, and Steve Graef, junior, 170. The fullback will be junior Fred Davis, 210-pound son of former pro star Fred Davis, Sr. who played with Alabama and the Chicago Bears.

Waggener home games will be played on the new field constructed with funds raised by the Waggener Development Association.

The roster is not closed. "We're anxious for any boys who haven't come out yet in understand it's not too late," coach Deim said. "There's always room for talent. A lot of boys have been away on vacation." He sounded a bit wistful, a bit hopeful.

He has a high opinion of St. X after his boys scrimmaged Monday with the Tigers. "They're one of the best in the State," he said. "I saw Coach John Meihaus after a play walk up to one of the boys and tell him he couldn't expect to play with St. X if he kept on tackling like that.

"We need some of that same school spirit. As soon as we build up a football tradition, like St. X, we'll be all right."

Coach Deim succeeds Dave Aspy who piloted the wildcats to a 2-6-1 record last year. A native of Shelbyville and a graduate of Shelbyville High, he is 28 years old.

At Centre College he majored in English and minored in physical education, the two subjects he teachers at Waggener. He coached football, basketball and baseball two years at Danville, and coached football and basketball two years at the Norfolk Naval Station.

He was in the Navy two years. He got out a year ago, and last year coached at Norfolk Catholic High. He married a girl from Norfolk, Jean Craig.

They have a son, Edward Brice, 4 months, and live in Moorland. Mr. Deim attends St. Margaret Mary Catholic Church.

WAGGENER. Getting the word from coach Marty Deim are Wildcats Fred Neikirk, (left) Kit Georgehead, and Steve Graef. The team has been practicing four hours a day.

Wildcats open with close loss

By NICK LAMKIN

Waggener lost a heartbreaking 14-7 game to Providence in Jeffersonville Friday night, but the Wildcats played their hearts out in doing so.

The '59 edition of the Cats, under new coach Marty Detm, looked like a different squad from last year's as they proved they could give as well as take.

The Pioneers were in control in the first quarter, scoring the first touchdown of the contest. Providence took over the ball on the Waggener 45 and in six plays got their first tally on a 11-yard pass from southpaw quarterback Eddie Palko to end Bobby Zeller. Zeller added the extra point for a 7-0 advantage.

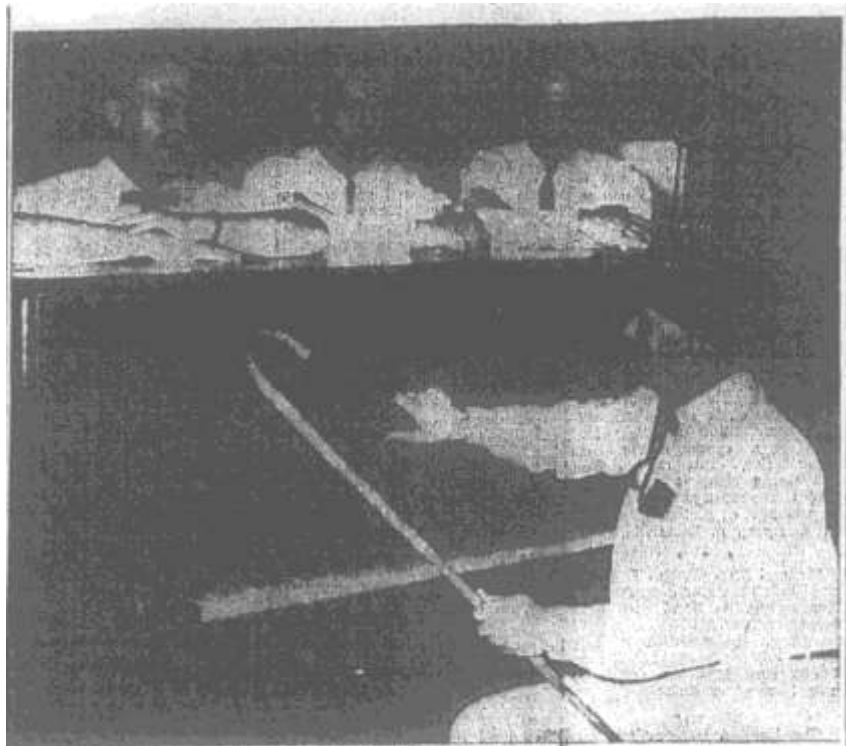

Now it was Waggener's turn. The Wildcats received the kickoff on their own 27 and in ten plays halfback Perry Wood plunged over from the one-foot line for the Cats' first tally. Bobby Sexton ran the extra point for a 7-7 halftime deadlock.

Waggener's march was highlighted by the fine running ability of Sexton and Wood and the line driving of fullback Steve Graef. Waggener's line, with standouts Kit Georgehead, Fred Davis, Woody Axton and Fred Neikirk, repeatedly opened holes enabling the Wildcats to move.

The pioneers' speed proved to be the deciding factor as they scored the winning marker with 1:59 remaining in the third quarter. They got the touchdown as the result of a poor kick that gave the pioneers possession on the Wildcat 2. Three plays later, halfback Bob Braunbeck scored around left end from the 12. Zeller added the point after and that was that.

Quarterback Dan Sunberg turned in a sterling performance in guiding Waggener and looked tough in the air lanes.

The Wildcats next oppose K.M.L. tomorrow afternoon at Waggener when the Cats initiate play in their new stadium.

A lesson in how to auction off a piano is given by Col. Yenawine to Jaycees Sammy Lee and Mack Creech, and Waggener Development Association president Claude Sexton.

September 24, 1959

Jaycee auction to aid Waggener

by CAL M. SANDMAN

The St. Matthews Junior Chamber of Commerce is off again on another St. Matthews community project. This time it is to improve the athletic facilities at Waggener High School.

Some time ago several Jaycees offered their services to the Waggener Development Association in their fund-raising campaign to improve the athletic field, install lights, bleachers, fencing, and other facilities so that the St. Matthews area would have a first-class football field.

One of the ideas that came out of a meeting between Claude Sexton, chairman of the Waggener Development Association, and Mack Creech, chairman of the Jaycee committee, was to hold a community auction. Col. E. E. Yenawine kindly offered his services and auction barn, and he also received volunteer help from several other members of the Kentucky Auction-

ers Association to hold an auction on Oct. 9.

Buck Marshall offered his barn immediately behind his residence at Westport Road and Hubbards Lane to store items in until the auction.

Some items for this auction will be donated by the St. Matthews merchants, but the principle source of merchandise will be the white elephant items that the citizens of this community will donate for this worthy project. This will be a good chance to rid yourself of play items that the kids have outgrown like swing sets, baseball bats, and bicycles, and appliance items like washers, ironers, dryers, or coffee pots.

Every household must have a rug or piece of furniture to donate. Used pianos and musical instruments are welcome items. If your pet has just had a litter, I'm sure some parent would be happy to relieve you of your burden. Now would be a

good time to get rid of hubby's non-used golf clubs, Old clocks, trinkets and bric a brac always bring amazing prices at auctions.

We just feel like every citizen of this community can find several items around their basement or garage to help fill Col. Yenawine's Barn for the big auction Col. Orville Moore, who will be head auctioneer for this event, assures us that he can sell anything, so let's all of us take up that challenge and find some real dogs for him.

The official collecting station will be the stable behind Buck Marshall's residence at Westport Road and Hubbards Lane. The time to bring your items there will be next Sat., Sept. 26, or the following Saturday, Oct. 3. There will be a Jaycee there from 9 a.m. to 4 p.m. both days. If you have an article too large to handle like a piano, automobile, or cow, you may call Mack Creech, GL 1-5165 or any member of the Waggener Development Association for help.

Wildcats murder K. M. I.

By NICK LAMKIN

Waggener combined a speedy offense with a stern defense in giving the Wildcats a 46 to 6 victory over Kentucky Military Institute Friday afternoon at Waggener.

The Cats initiated play in their new stadium by setting a new school record for the most number of points in a game scored by Waggener, and leveled their season record at one win and one loss.

The Wildcats began to move easily in the game, scoring the first time they got their hands on the ball. After a Waggener kickoff and a K.M.I. punt, the Cats got possession on their own 13. Bobby Sexton, Perry Wood and

Steve Graef carried the offensive attack as the Wildcats scored in ten plays with Dave Simpson racing over from the Cadet 13. Sexton ran the extra point for a 7-0 advantage.

K.M.I. got a sustained drive underway until they reached mid-field where Wood picked off a Cadet pass and returned it to the Waggener 47. Seven plays later, Graef plunged his way over from the one for the tally. Wood ran the extra point and Waggener was on top 14-0.

K.M.I. was unable to gain after the kickoff and punted to the Wildcat 47. Carries by Wood and Graef moved the ball to the 27 where quarterback Dan Sunberg hit Sexton with an aerial in the end zone for a 20-0 edge.

Wood made it 27-0 on a freak play. K.M.I. received the kickoff and as the safety man started up field he was hit hard at the 23. The ball spurted from his hands and Wood picked it out of mid-air and raced the 23 yards for another marker. Graef added the one-pointer.

The visitors gave Waggener their third touchdown of the second quarter when Fred Neikirk pounced on a K.M.I. fumble on the enemy 46. An exchange of punts gave the Cats the ball on the K.M.I. 28. Three plays later, Sunberg tallied from the two for a 33-0 halftime lead.

The Cadets scored their only touchdown on a one-yard plunge by Frank Stalcup. The score was set up by a Waggener fumble on their own 21.

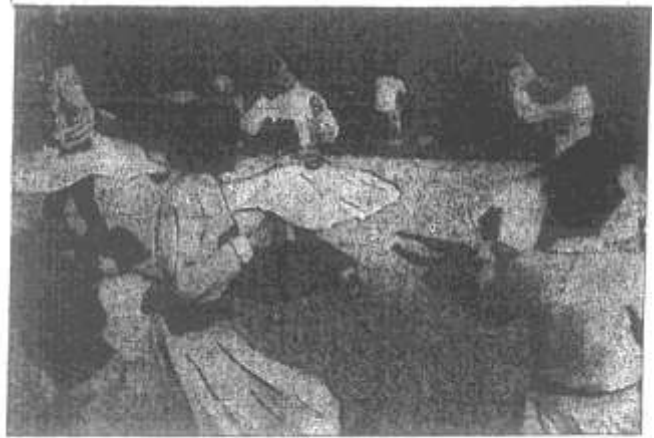

The Wildcats countered with their sixth touchdown on a one-yard dive by Sunberg. The play climaxed a 68-yard drive in eight plays. The highlight of the series was a 27-yard run by speedster Wood that carried the ball to the one.

Waggener climaxed its scoring spree with another score near the end of the game. Steve Cattlett covered a K.M.I. fumble on their own 21 and on the next play, Sunberg rifled an aerial to end Bill Mahan for paydirt. Tom Heilfrich ran the extra point for the final 46-6 margin.

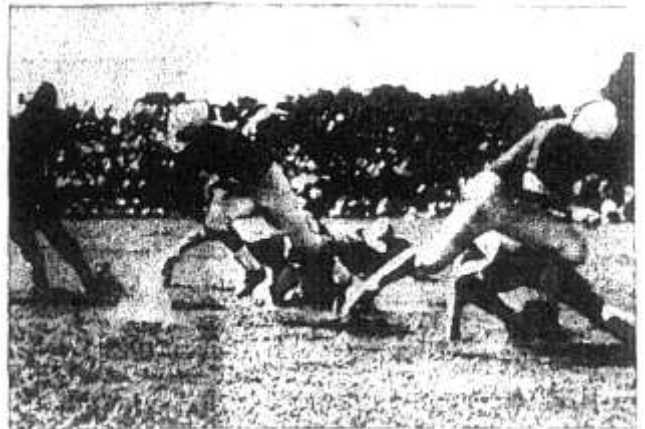

The Wildcats looked like a different team from the one that eked out a 6-6 win over the Cadets last season. The Cat line looked bright on offense and defense in limiting the visitors to very little yardage on the ground or in the air, and in getting their first victory under new coach Marty Deim.

Waggener next opposes Durrett tomorrow night at Southern High school. The Cats have yet to beat the Demons in three meetings and this could be the year to do it.

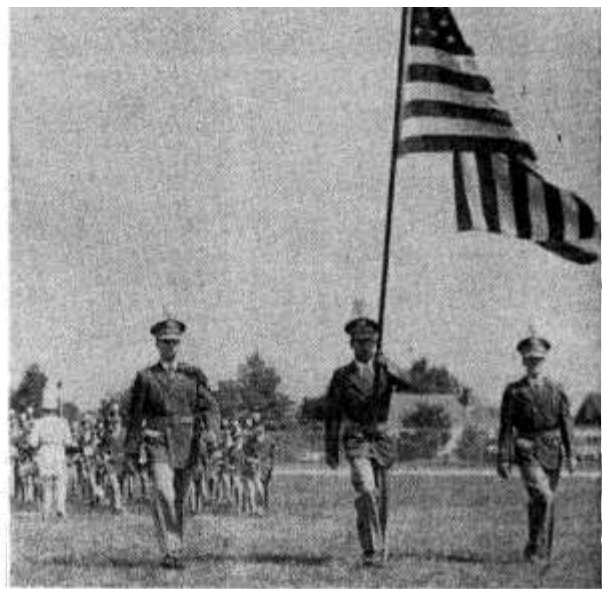

September 24, 1959

Cheerleaders whipped up the crowd at the first game Friday in Waggener High School's new stadium. A crowd of more than 2,000 attended.

A Waggener runner rips off a hefty gain as he remains give him some first-class blocking. K.M.I. was virtually helpless against the Cat attack.

The Chase

Sept. 18, 1959

FLASH!

From central headquarters in Louisville Ky. comes the news..... Waggener stomps K.M.I. 46 to 5 !

On this 70 degree sunny afternoon a jaded Waggener stadium received its christening in a grand way. The Wildcats kicked off and staged the runback on the 35. The Cadets first play from scrimmage is a single wing unbalanced right sweep around the right end. A loss of three yards, tackle by Stokes. A punt came three plays later after a failure to gain. Waggener promptly crashed down the field in a beautiful drive for 7. The Wild cats erupted for 26 more points in the first half while the Cadets could not score for a first down. Two more end sweeps ended in 5 and 6 yard losses. Tackles by Stokes. After this they seemed reluctant to try the right end again. The half ended 33 to 0. In the dressing room Coach Hein was heard to say "We have them down, let's stomp them like we have been stomped before!" But substitution was thick and fast and everybody got to play in both halves. Stokes played the defense all but the last minute of play.

212 NORTH KINGSDROWAY
SAINT LOUIS 8, MISSOURI

The Chase

The Wildcats received the kick to start the second half but a fumble on the second down gave the Cadets the ball on Waggener's 25 yard line. K.M.I. got a first down and on fourth and one of the next series they pushed over for their one and only score. Waggener rolled for 13 more points before the final gun. There were a few plays worth mentioning. On one ~~the~~ left corner back leaped into the air to almost intercept a pass which he deflected. On another play the Wildcats had only ten men on the defense. We were missing our left tackle and the Cadets ran through this hole. Stokes made the tackle. Cadets lost yardage every time they came around right end.

Coaches told me I played a good game.

New of the Week.....

I got my senior ring Wednesday. It is very nice....
I got a perfect score on my first physics test.....
I bought a \$1.95 slide rule. It is just what I need.
I had a great week.....

Love,
Rich

Auction to aid Waggener is October 9

Only nine more days left till the giant auction at Col. Yenawine's Auction Barn behind the Eline Building. Claude Sexton and his 137 member, phone committee of the Waggener Development Association, Inc., will begin today calling all of the 1,100 parents of Waggener High students, to solicit items for the auction to be held Oct. 9.

Anyone not connected with Waggener High School who would like to donate any items may drop them by Buck Marshall's stable at Westport Road and Hubbards Lane next Saturday Oct. 3 between 9 and 4. This will be the official collecting station.

On Oct. 9, 7:30 p.m., at Col. Yenawine's Auction Barn, Col. Orville Moore, and several other members of the Kentucky Auctioneer's Association will donate their time to auction off everything that is collected. All profit from this auction will go to the Waggener High School Athletic Fund, and most of the proceeds will be used to complete the football stadium at Waggener Field. Additional football facilities are badly needed in the St. Matthews area, and this field will be made available to other organizations at times when not being used by the Waggener team.

The St. Matthews Junior Chamber of Commerce has undertaken the job of receiving the merchandise, and organizing the auction. The Jaycee Committee will also be soliciting items all day Saturday from St. Matthews merchants who desire to help this worthy community project.

If a committee member doesn't get around to you Saturday, you may call Mack Creech at GL 1-5185 and he will have someone stop to see you.

October 1, 1959

Wildcats hold Durrett to tie

By NICK LAMKIN

Waggener battled Durrett to a 6-6 deadlock Friday night, Sept. 25, at Southern High School field.

The Wildcats fought back valiantly after being down 6-0. Only the inability of the referee to tell if a ball was a first down or not prevented the Cats from winning the game.

Durrett drew first blood in the game, scoring near the end of the first half. The Demons got possession on their own 20 and quarterback Moe Miller went to air lanes. Twelve plays later, half-back Bob Abmiller raced around

left, in from the one for a 6-0 lead. The attempt at the extra point failed.

Waggener struck back late in the third quarter, getting the ball on their own 45. Halfback Bobby Sexton and quarterback Dan Sunberg moved the ball to the 31 for a first down. On the next two plays, the Cats were stopped cold. Faced with a third-and-ten situation, Sunberg hit end Sam Pollitt on an 18-yard pass play that moved the ball to the 10. However, four plays later, the Wild-

cats were stopped on the 12.

On the first play the courageous Cats pounced on a Durrett fumble on the four-yard line. Sunberg plunged to the one foot line, and Sexton ran it over on the next play. The extra point attempt was halted and it was a 6-6 game.

The never-say-die Wildcats fought back and almost won the game in the last minute of play. Waggener got their chance when Durrett was forced to punt to the Waggener 29. The Cats moved to the 40 for a first and then with the aid of a penalty were on the Durrett 41. Fullback Steve Graef plunged to the 37, then penalties against each team pushed the Wildcats to the 35. Sexton raced to the 25 for a first down, down to the 12 for another first down. Four plays later the ball rested near the two-yard marker.

A measurement indicated that Waggener had failed to get the first down. Wildcat mentor, Marty Delm, asked for a remeasurement. This time the referee signaled a first down, Waggener. Durrett coach, Lloyd Redmon, protested and called for another measurement. This time the measurement showed the Cats had failed. Durrett took over and the Wildcats were given a 15-yard penalty. One play later, the contest ended, 6-6.

Waggener now owns a 1-1-1 workup and meets Butler tomorrow at the latter's field.

October 1, 1959

Waggener Field to be dedicated Oct. 16

The Waggener High School football field will be dedicated Friday, Oct. 16.

J. D. Neubauer, Jr., chairman of the program, has announced the dedication ceremony will take place between halves of the Waggener and Louisville Country Day game scheduled for that evening.

Speakers will be James E. Farmer, Assistant Superintendent for Instruction for the Jefferson County Board of Education; Earl Duncan, principal at Waggener; and

Claude Sexton, president of the Waggener Development Association.

The field is in use this year after a year's work and about \$20,000 has been spent. The field has been fenced and drained, and bleachers seating 2,400 on one side of the field have been built.

The Development Association is continuing to work. There is still a need for lights, and bleachers for the other side of the field. The association is planning several fund raising projects.

October 8, 1959

Auction to aid Waggener athletic fund set for Friday

Col. Orville Moore and his associates are all primed and ready for the big auction sale Friday night for the benefit of the Waggener High School Athletic Development Fund. The sale will be held at 7:30 p.m. at Col. Yenawine's Auction Barn behind the Eline Building.

October 8, 1959

Merchandise is pouring into the Barn. Appetites of the bidders are sure to be tempted by such choice items as an English bike, an old Victrola, several old washers, a milking stool, and an earring holder—only a few of the articles contributed so far.

All proceeds from the auction will go to improve the football field and other athletic facilities at the Waggener High School.

Anyone who wishes to contribute articles for the auction may call Mack Creech, GL 1-5185, chairman of the Jaycee Committee sponsoring this event. He will see that a member of the St. Matthews Junior Chamber of Commerce picks up your contribution. All items will be accepted up till 6 p.m. the night of the auction.

Courtesy *The Voice Of St. Matthews:*

Waggener scores over Butler in upset

by NICK LAMKIN

Tackle Russel Weikel pulled an unbelievable play as he swiped the ball from a Butler halfback and romped 70 yards for the winning touchdown in the last minutes of play, leading Waggener to a 19-14 upset over Butler Friday at Butler

The game appeared to be all but over with the Cats trailing 14-12 when Weikel grabbed the ball and out-distanced three would-be tacklers for paydirt as Butler fans stood shocked.

Butler drew first blood in the game—scoring the first time they got the ball. Getting the pigskin on their own 48 and with the aid of an interference penalty the Bears scored in eleven plays. The drive was climaxed by a one-yard pass from quarterback Jim Medley to end Jim Grider. Eddle Crum kicked the extra point for a 7-0 advantage.

Waggener struck back, getting a touchdown near the end of the first quarter. Richie Stokes intercepted a Butler aerial on the Wildcat 46 and, eleven plays later, halfback Bobby Sexton lunged across from the one. Butler kept a 7-8 lead when the extra point attempt failed.

The Cats moved in front 12-7 just before the half ended when halfback Perry Wood tallied from the five, climaxing a 61-yard march. The highlight of

the series was a 25-yard pass from quarterback Dan Sunberg to Sexton that carried the ball to the Bear 13.

The final quarter proved to be the exciting frame that decided the game. Butler got the ball on their own 48 and 14 plays later found themselves on the Waggener nine yard line with a first down. The Wildcats seemed to have stopped the Bears' drive as fourth down approached and the ball was resting on the 12. But Medley rifled a pass to Doug Samuels for the touchdown. Crum added the extra point and Butler was on top 14-12.

Waggener took the kickoff on their 31 and tried four desperation passes, all of which failed.

Butler took possession as their band started playing their victory song, and on the first play from scrimmage, Weikel suddenly found the ball in his arms. He veered to the left, headed for the sidelines, and romped 70 long yards for the upset touchdown. Sunberg hit end Sam Pollit for the extra point, but it wasn't needed.

The Wildcats showed great courage in battling back from behind twice and on defense where they held the county's leading scorer, Crosby Bright, scoreless.

Waggener hopes to add another victory to their 2-1-1 record when they travel to Oldham County tomorrow night.

Several members of the Waggener band and drill corps, consisted, including from Mr. Carl Markert (center), band director, concerning marching plans for the fall. In foreground of the Waggener football stadium. Left in right are Kate Lee Wilson, at (left), Bruce Montgomery, drum major; Bob Fitch, band manager; and Robert A. ...

Waggener to dedicate field

By JINNY McMICHAEL

The Waggener football stadium, recently completed, will be dedicated tomorrow afternoon.

J. D. Neubauer, Jr., is the chairman of the program. The speakers will be James E. Farmer, assistant superintendent of instruction for the Jefferson County Board of Education; Earl Duncan, principal of Waggener; and Claude Sexton, president of the Waggener Development Association, which is the Association raising the money for the stadium.

The Association will continue its fund-raising projects this year to finance the lights and bleachers which are still needed.

October 15, 1959

Courtesy Brent Robbins

Waggener's Win Is Really Unusual

Waggener's 19-14 victory over Butler was unusual and unexpected. But that was nothing compared with the way the Wildcats did it.

Tackle Russ Weikel scored the winning touchdown on a 65-yard run with only a minute and a half remaining and Butler threatening.

Butler fumbled, the ball popped straight up, Weikel grabbed it and "lit out."

It provided the biggest victory yet for the St. Matthews school, in only its second year of varsity competition, and catapulted coach Marty Deim's team into the county championship picture.

Valley, Fern Creek, Southern and Eastern lie in the path.

After Butler had taken a 7-0 lead on Jim Medley's one yard pass to Jim Grider and Eddie Crum's conversion, Waggener countered as Bob Sexton scored from the one. Perry Wood's put the Wildcats on top 12-7 at intermission with a four-yard scoring jaunt.

After a stalemated third quarter, the Bears regained the lead in the fourth period on Medley's 13-yard scoring pass to Doug Samuels and Crum's placement. The Bears looked as if they had another scoring drive under way, but Weikel and his visions of a lineman's glory had other ideas.

Waggener	6	6	0	—
Butler	7	0	0	7-1

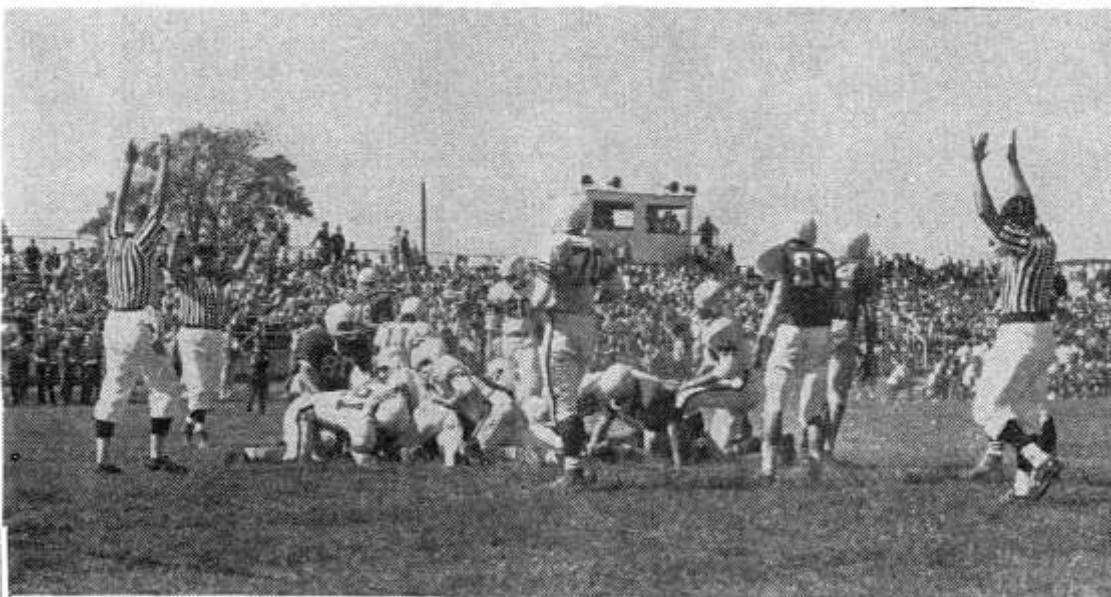

Waggener: Touchdowns—Sexton (1, run), Wood (4, run), Weikel (64, run with fumble). Conversion—Pollitt (pass from Sunberg).

Butler: Touchdowns—Grider (1, pass from Medley), Samuels (13, pass from Medley). Conversions—Crum 2 (placements).

MARTY DEIM
Puts Waggener In Picture

THIS WAS THE TOUCHDOWN AT BUTLER

Courtesy Brad Arterburn (60):

Cats Stomp Daymen 45-0

Waggener dedicated her new field and brilliant uniforms in an impressive fashion on the afternoon of October 16 by stomping Country Day 45-0.

After an exchange of the pigskin early in the game Perry Wood carried on an end sweep for eighty-four yards and the touchdown. Country Day fumbled the kick-off, and the Wildcats recovered on the Dayman 29. On the third play Dan Sundberg pitched to End Les Snyder for six points. Elliot Neubauer's conversion was good, boosting the score to 13-0.

Wood Scores

At the beginning of the second period Perry Wood carried for his second touchdown. Neubauer kicked the point, and the Wildcats led by 20-0. After several plays with both teams in possession Sundberg again took to the air, with Brad Arterburn on the receiving end of a sixty-one yard touchdown play. Neubauer made the conversion as the half ended; the Wildcats 27, Country Day 0.

During the second half the Cats were a little slower on the scoring end, until the fourth stanza. Then arialing by Chuck Armstrong and Dan Sundberg to Arterburn and Bobby Sexton, respectively, gave Waggener a 39-0 bulge.

Toward the close of the game Sexton carried for six more from the two, and incidentally, his forty-fourth point of the season. Waggener had chalked up her fourth win of the season and the third in a row, 45-0.

Wildcats Rock Seneca 38-7

The Waggener Wildcats ended the 1959 football season by scalping the Seneca Redskins, 38-7, at Waggener Stadium on November 5.

The Cats jumped to an early 6-0 lead as Bob Sexton plunged over from the one yard line to highlight the Waggener drive. Late in the second quarter, Chuck "The Arm" Armstrong used his talents and rifled a pass to Brad Arterburn for a 51-yard gain and the second touchdown.

Sexton Scores

Sexton again notched six points in the third frame on another one yard plunge, and Neubauer converted. Waggener cut loose in the fourth quarter as Sexton scored his third T.D. of the game on a nine yard run. Steve Graef on a brilliant 16 yard scamper, and fleet-footed Rich Stokes tallied with an intercepted pass to end Waggener's scoring, and their 1959 season.

Waggener's football record was a sensational 6-2-1 and the Cats had the distinction of being the only undefeated team in the county.

Bobby Sexton with 19 points against Seneca raised his total to 69 points and is almost a cinch for the county scoring title.

CATS ARE IN RUNNING FOR COUNTY TITLE

Waggener-Durrett Tie In Storm Of Protest

Southern High School field was the scene on September 25, when Waggener and Durrett battled to a 6-6 deadlock in a hotly contested match.

Durrett scored first with only seconds left in the first half. The Demons, led by quarterback, Moe Miller and halfback, Bob Allmiller, drove from their own 26 to score in twelve plays. Allmiller scored on an end sweep from the one, after two line plunges had failed.

Second Half Drive

It was a much inspired team of Wildcats that took the field for the second half. Waggener started a drive from their own 45. They moved to the 31 where the drive bogged down. Quarterback, Dan Sundberg, with a third-and-ten situation, fired to end, Sam Pollitt, who moved to the Durrett 19 and a first down. Four plays later the Cats were finally halted on the 12.

On the first play, Durrett fumbled and the alert Cats pounced

on it. One play later Sexton ripped through the Demon forward wall for the score. The try for the extra point failed.

Late in the fourth quarter, the Wildcats started another drive on their own 29. They moved, with the aid of well-timed penalties, to the Durrett two.

First Down Protested

The officials called for a measurement and indicated the Cats had not picked up sufficient yardage for a first down. Wildcat coach, Marty Deim, asked for a remeasurement. This time the measurement showed Waggener had gained a first down. Durrett mentor, Lloyd Redmon, protested and called for another measurement. This time it indicated no first down and Durrett's ball. Durrett took over and one play later the game ended, a 6-6 deadlock.

Both coaches, after the game, commented on the poor officiating and agreed that the game was marred by poor decisions.

Wildcats Trounce K.M.I. Cadets, 44-6

The Wildcat football squad bounced back from a first game defeat, by trouncing the K. M. I. Cadets by a score of 44-6, on Sept. 18 on Waggener field.

From the opening kickoff the outcome was never in doubt. Waggener scored twice in the first period, thrice in the second, and once each in the third and fourth.

Passes Tally

Quarterback Dan Sundberg scored twice himself on sneaks, and passed for two others. On the receiving end of his passes were Bob Sexton and Bill Mahan. David Simpson, Steve Graef, and Perry Wood also scored. The Cadets finally managed to chalk up a score in the third period on a one-yard plunge by fullback Frank Stalcup.

Score Is Record

The new stadium was dedicated on a sweet note as this was the highest score ever rung up by the Waggener football squad, now in its second year of varsity competition.

Cats Conquer Bears, 19-14

Russell Weikel, Cat 184 pound defensive tackle picked up a loose Butler fumble with 85 seconds to play and rambled 85 yards to paydirt, as Waggener beat the Bears 19-14 at Shively school.

Butler jumped to an early 7-0 lead as Jim Medley hurled a 10-yard pass to Vic Allen for the score. Eddie Crum's conversion was good. Late in the first quarter Richie Stokes picked off a Medley aerial and returned it into Butler territory. A 40-yard pass and run play from Dan Sundberg to Perry Wood put the pigskin within the Bear 10. Three plays later Bobby Sexton plunged over from the one-yard line. The run after the t.d. failed and at the end of the first quarter the score was 7-6.

Sundberg Scores With Passes

Midway in the second quarter, Dan Sundberg, continuing his brilliant passing, hit Wood again for a 30-yard gain to the Bear 40. Sundberg this time hit Bob Sexton and the fleet halfback scampered down to the eight

Sideline Shots

By Bobby Shane

Waggener's Wildcats are off and running! This has been definitely proven by their recent victory over the Butler Bears on the gridiron. The county championship for the football year of '59 at this point lies in the hands of Fern Creek, and dear old Mayme S. Both are undefeated thus far in county competition. Waggener has just as good a chance, if not better, than these other two. The only county game Waggener has left is with Seneca. Fern Creek has a tough county schedule ahead, with an all-important clash with Southern. Therefore, our Wildcats could very well have the bull by the horns.

While speaking of football, hats are off to: **Bobby Sexton** and **Perry Wood**, two of the county's top scorers; **Billy Mayrose**, who has to sit out the rest of the season due to a broken collarbone suffered in the Butler fracas; **Russell Weikel** (As if we didn't know why!); **Steve Graef**, our husky, charging fullback who gets three or four yards when we need them most; **Danny Sundberg** (What a quarterback!); the **LINE**, just about the county's toughest; our coaches, who certainly have us headed in the right direction.

Two of our well-known athletes on the basketball court have taken a little time off from their "hooping it up" to try some of their hardwood strategy on the gridiron. Congratulations to **Chuck Armstrong** and **Brad Arterburn!**

Waggener's swimming team, favored to be Kentucky's next champion group, got rolling Wednesday, September 30, with a meeting of all those planning to swim for the "Red and Gray".

Roundball season is a month and a half away, but there's some good news out about last year's season we're all anxious to hear about. Waggener was one of five city and county schools to make the sportsmanship honor roll on the basis of ratings in an issue of the **Kentucky High School Athlete**. After each basketball game, the officials graded the coach, players, and spectators as displaying excellent, good, fair, or poor sportsmanship. Waggener, Manual, Southern, Fern Creek, and Country Day were all rated above poor. However, Waggener was the **ONLY** school in the county or city to be rated above fair. This is certainly an excellent rating for a school that was in its freshman year of varsity competition.

We certainly want to hold our excellent rating up throughout this year. So let's all make the team, the "Sportsmanship Honor Roll Team"!

yard line. Two plays later, hard running fullback Steve Graef drove home from the 4 for Waggener's second score. The run failed and at the half the Cats had a 12-7 edge over favored Butler.

Although Perry Wood pulled down a Butler pass, scoring was at a standstill in the third stanza.

Weikel Races

Butler came back strong in the fourth frame. A t.d. pass from Medley to Doug Samuels climaxed a Bear 60-yard march with only 3 minutes to play. Crum's conversion was good. Waggener lost the ball on downs on their own 35 with a minute and a half left. On the first play from scrimmage Weikel hauled in the Butler fumble and raced 63 yards into the end zone for

the winning tally. Sundberg to Pollitt pass was good for the extra point. Butler tried to come back, but lanky Bill Mahan intercepted a Medley pass and the game ended with Waggener possessing the ball at midfield. Final score was 19-14.

Defensive standouts for the Cats were the "Five Aces" on the front line and Rich Stokes. Bobby Leason's fine punting aided the Wildcats' cause.

Coach Deim's athletes now own a 2-1-1 season record and are in a tight race for the county title.

NOTE: This is Mr. Duncan

Dear Friends of Waggener —

Today we are dedicating one section of our Waggener athletic field. This has been accomplished by the united efforts of many, many people, — mothers, dads, students, coaches, teachers, administration, and friends.

We have not reached our goal, but we have made a good start. The dads who take over the Waggener Development Association from the present group will have as a nucleus a fine, hard working group of people. They will push ahead and help finish the job which we have started.

I personally would like to thank each and every one of you who have donated so generously of your time, money, and talents to build the Waggener athletic field. You have been wonderful!

Sincerely,

Claude F. Sexton, President

Third win for Waggener as Oldham Co. defeated

By NICK LAMKIN

Waggener racked up its third win of the current campaign as they crushed Oldham County 38-0 Friday night at Oldham County.

The Wildcats scored twice in each of the first three quarters as they raised their record to three wins, one loss, and one tie.

Halfback Perry Wood started the scoring onslaught when he raced over from the 11 yard line in the first quarter. The scoring opportunity was set up on a punt return to the host Colonel's 20-yard stripe.

Waggener added another one quickly when a short kickoff was fumbled and the Cats got possession on the Oldham 19. Fullback Steve Graef carried to the one, and on the next play Bobby Sexton dove over for the tally. The conversion attempt failed and the Cats led 12-0 at the first stop.

The Wildcats made it 18-0 as Sexton again scored on a one-yard plunge. A Colonel penalty aided the Waggener drive, that was initiated on the Oldham County 37.

Richie Stokes made another Wildcat score when he picked up a loose Colonel bobble at mid-field and raced 53 yards for pay-dirt. Elliott Neubauer kicked the extra point and Waggener led 25-0 at halftime.

Workhorse Graef picked up the Cats' last two markers in the third quarter. Graef climaxed a 5-yard drive when he ripped off a big 38-yard touchdown run. Neubauer again added the placement. Graef added the other one on a 12-yard dash. Neubauer's attempt at the point was blocked and Waggener had the final 38-0 victory margin.

Waggener attempts to amass its fourth win when they oppose Anty Day tomorrow afternoon Waggener.

October 15, 1959

Waggener Field Dedicated

by JINNY McMICHAEL

The sun shone brightly for the Waggener stadium dedication ceremony last Friday. The Marching Band, Drill Corps, decorated goalposts, and football players made a pretty sight of red, white, and gray under a cloudless blue sky.

J. D. Neubauer, Jr., was the master of ceremonies for the Dedication Ceremony. The Rev. Samuel Diehl of St. John's Lutheran Church gave the invocation, followed by James E. Farmer, assistant superintendent of County Schools, who dedicated the field to the high principles of the Athlete's Creed. Principal Earl Duncan thanked the community for supporting Waggener so well and introduced former principal, John B. Lowe. Jack Dawson of the County Board of Education also offered his congratulations.

Claude Sexton, president of the Waggener Development Association then introduced the Development Board: Woody Axton, vice-president; Clay Morris, secretary; John Abbott, treasurer; (who was unable to attend); Mr. Duncan; Al Graef; Fred Davis; W. T. Porter; Chris Georgehead; Mr. Neubauer; and the newest member, Mrs. W. T. Micou, Jr., the president of the Waggener P.T.A. Morris Chilton and coaches Martin Deim and Roy Adams are also Board members. Mrs. Micou expressed special appreciation to the parents, who have really financed the project.

Mr. Neubauer and Mrs. Micou closed the ceremony with a presentation of silver tumblers to Mr. and Mrs. Sexton from the Board of the Development Association for their efforts in guiding the Association.

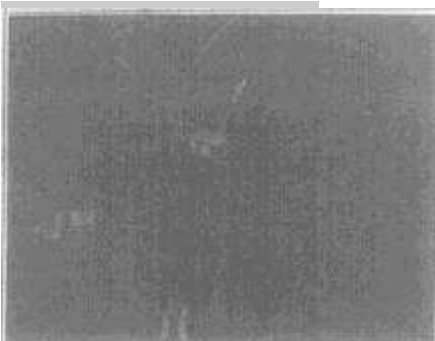

The Drill Corps made its debut performance at half-time. The Corps uniforms are red corduroy with white trim, and the three majorettes' uniforms

white.

They formed the rotating star and circle and two majorettes, Sandy Riehl and Phyllis Deeb, gave baton routines. The head majorette is Charlotte McKinstry.

The Marching Band performed both before the game and at half-time, led by drum major, Ronnie Montgomery. They formed both the CD for Country Day and W for Waggener, and played both school songs.

October 22, 1959

J. D. Neubauer, Jr., (left) master of ceremonies at the dedication, presented a gift of silver tumblers to Mr. and Mrs. Claude Sexton, president of the Development Association. Standing at left to right, are W. T. Porter, Paul Davis (board treasurer), and W. E. Axton, board vice-president.

Waggener celebrates by beating Country Day 45-0

by NICK LAMKIN

The Wildcats highlighted the dedication of Waggener's new football stadium by upping their record to four wins, one loss and one tie. They stomped Country Day 45-0, Friday Oct. 16 at Waggener.

Perry Wood gave the more-than-a-thousand fans a thrill when he got Waggener going with a nifty 84-yard touchdown run in the first quarter. Elliott Neubauer's attempt at the extra point failed when the ball hit the cross bar.

The Cats got another quick scoring attempt when they recovered a Country Day fumble on the Daymen 30. Two plays later quarterback Dan Sunberg rifled a 15-yard pass to end Les Snyder for the tally. This time, Neubauer's kick was true and Waggener had a 13-0 edge as the first quarter ended.

The Cats got their two second-quarter touchdowns on a 27-yard run by Wood and on a nifty 60-yard pass-an-run play

from Sunberg to end Brad Arterburn. Neubauer added both placements for a 27-0 halftime lead.

Waggener put the final touches on the day's activities with three markers in the last quarter. Chuck Armstrong climaxed a six-play drive by tossing a paydirt pass to Arterburn.

Sunberg went to the air lanes again and hit halfback Bobby Sexton with a 15-yard aerial for another touchdown.

Sexton pushed his personal scoring total to 44 points when he plunged over from the two-yard line with ten seconds left in the contest.

Waggener's staunch line, with such standouts as Kit Georgehead, Charlie Baldwin, Fred Davis, and Steve Griffin, turned in some outstanding line play and some good down-field blocking.

The Wildcats face a stern test tomorrow night as they go up against highly-rated Atherton.

October 22, 1959

Tenth-ranked Atherton downs Waggener 6-0

By NICK LAMKIN

Powerful Atherton, number ten ranked in the state, out to avenge a setback last week, eked out a 6-0 win over a stubborn Waggener eleven Friday night at Eastern High.

The rain-soaked field hampered play, although it didn't stop the winning touchdown. Halfback Duane Schwartz tallied the maker scoring from the one in the second quarter. His score climaxed a 69-yard that took nine plays. The series was highlighted by a nifty pass from quarterback Kenny Enyard to end Stuart Yoffee that carried the ball to the Wildcat 15. The try for the extra point failed.

The battling Cats got two drives going but couldn't capitalize on either. Getting the ball on their own 19, they penetrated as far as the Rebel 38 before being checked. The running of halfback Perry Wood and fullback Steve Graef highlighted the drive. Graef banged his way up the middle through Charlie Baldwin, Kit Georgehead, and Brent Rob-

bins and Wood raced for yardage over guard and tackle.

In the third quarter, Waggener again marched to the Atherton 38, only to lose the ball on downs.

After an Atherton fumble and a Wildcat punt, the Rebels got another sustained drive going. Starting on their own 31, they drove to the Waggener 16 before the Cats dug in and recovered an Atherton fumble on the 15.

The Wildcats moved out to the 41 but were forced to punt. The kick traveled to the 10, where Atherton was unable to initiate a drive. The Rebels kicked out and Waggener got a last chance, but couldn't get a score.

The Cats now stand at 4-2-1 and take on DeSales tomorrow night at DeSales.

October 29, 1959

Wildcats assured of winning season

by NICK LAMKIN

Waggener pulled a "Chinese Bandit" act of their own as they staved off two DeSales drives, then struck for the winning touchdown as the Wildcats scored a 7-0 win over the DeSales Colts Friday night at the Holy Name Field.

A seven-yard pass from quarterback Chuck Armstrong to Bobby Sexton accounted for the winning marker and achieved Waggener's fifth win of the current campaign. With only two losses and one tie in the books, the Wildcats are assured of their first winning season in the school's history, with one game remaining.

The Wildcat defense stopped two good chances by the Colts to tally. With the ball in Waggener's possession on their own 40, Steve Graef sent a booming quick-kick to the DeSales 14. The Colts then moved down to the Waggener two before the Cats put the brakes on.

Three plays later, DeSales picked off a Wildcat aerial and were within striking distance on the Cat nine. On the next play, Steve Griffin broke through to spill DeSales for a five-yard loss. Three straight passes failed and the Wildcats had stopped another attempt.

Waggener failed to gain, and on an exchange of punts, the Cats got possession on their own 34. Armstrong hit Sexton with a pass that moved the ball to the DeSales 30, and on the next play Sexton found a gigantic hole opened by Elliott Neubauer and Brent Robbins and raced to the nine.

Two plays later, Armstrong spotted Sexton and hurled the game-winning pass. Sexton and Colt defensive back Donnie Beam both speared the ball simultaneously and it was awarded to Waggener. Neubauer booted the extra point that split the uprights for the 7-0 margin.

The rest of the contest was mostly Waggener-dominated although DeSales penetrated as deeply as the Waggener 20 in the third quarter.

The Wildcats marched to the Colt six and 10-yard lines late in the game, but couldn't find paydirt.

Waggener closes its season this afternoon at Waggener against Seneca. A sidelight to the contest will be the personal scoring duel between Sexton and Seneca's Joe Weber. Sexton leads 50 to 49 in total points.

College Night at Waggener

College night for Waggener. Eastern, and Fern Creek seniors will be held Monday, Nov. 9, at Waggener from 7:30 to 9 p.m. Representatives from 30 colleges, mostly local but a few Ivy league schools, will be present to answer questions and discuss their colleges. The colleges were decided by a survey taken last Monday of the most popular college choices.

Each student may select three colleges and attend those sessions. Each one will last 25 minutes. The first one will begin at 7:30, the next at 8, and the last at 8:30. Each student is allowed to bring two guests with him — both parents, or a parent and good friend.

Waggener students are requested to use the back parking lot—Eastern and Fern Creek the front lots. Approximately 600 students are expected. Only seniors are invited to attend.

November 5, 1959

Dads and lads

The Waggener Development Association will sponsor its second annual basketball game between the Waggener football players and their dads on Friday, Nov. 20.

The game is scheduled for 7:30 p.m. in the Masonic Home gym. There will also be other attractions. Claude Sexton, president of the association, said the money raised will be used for lights for the football field.

All Waggener students and their parents are invited.

November 12, 1959

Waggener director

In listing members of the board of directors of the Waggener Development Association in a recent edition of *The Voice*, the name of William Mowry was inadvertently omitted.

Father and son basketball game tomorrow night

The annual basketball game between the Waggener football players and their fathers is scheduled for Friday, Nov. 20, at 7:30 p.m. at the Masonic Home Gym.

The game is sponsored by the Waggener High Development Association, and the proceeds will be used for lights for the football field.

Tickets are \$1 for adults and 50 cents for students. The public is invited.

Dear Friends of Waggener —

Today we are dedicating one section of our Waggener athletic field. This has been accomplished by the united efforts of many, many people, — mothers, dads, students, coaches, teachers, administration, and friends.

We have not reached our goal, but we have made a good start. The dads who take over the Waggener Development Association from the present group will have as a nucleus a fine, hard working group of people. They will push ahead and help finish the job which we have started.

I personally would like to thank each and every one of you who have donated so generously of your time, money, and talents to build the Waggener athletic field. You have been wonderful!

Sincerely, Claude F. Sexton, President WAGGENER DEVELOPMENT ASSOCIATION

Waggener closes great season by defeating Seneca, by Nick Lamkin, November 12, 1959

Waggener closed out a magnificent season with a crushing 38-7 stomp over Seneca's Redskins Thursday afternoon at Waggener.

The Wildcats struck for six touchdowns, three of them in the last quarter. Bobby Sexton tallied three of the Cats' markers and boosted his County-leading point total to 69. In doing so, Waggener finished with a sparkling 6-2-1 record, the best in the school's young history.

Waggener started the scoring onslaught with a tally the first time they got the ball. Getting the kickoff on their own 39, it took just 13 plays for Sexton to score from the one-foot line. Elliott Neubauer's attempt at the extra point went wider.

The eager Wildcats grabbed their second touchdown on the first play of the second quarter. A 51-yard pass-and-run play from quarterback Chuck Armstrong to Brad Arterburn produced the score. Again the try for extra point failed and Waggener owned a 12-0 advantage.

Near the end of the half half-back Perry Wood, with ????? great downfield blocking by Kit Georgehead, Fred Davis and Neubauer, ripped off a 55-yard ????-down jaunt only to have a clipping penalty spoil the run.

The Wildcat defense again???? In and set up the cats' next six pointer. Three plays after the opening kickoff of the second half Charlie Baldwin recovered a Redskin fumble on the Seneca one-foot line,. On the nest play Sexton made it 19-0 when ???? placement went true.

Seneca grabbed their ????? ???? on an eight-yard pass to by quarterback Charles Buck???? To Joe Weber. Tom Hesley kicked the extra point. The scoring opportunity was set up by a ???? punt on the Cat 42.

Fullback Steve Graef ?????? T.D. back on a 16-yard ?????? ???? the start of the last quarter. The play climaxed a 66-yard ?????? that took ten plays. The rest of a light series was a ??????? run by Armstrong that took the football from midfield to the Redskin 31.

Before anyone had blinked their eyes, Waggener had a second marker of the last frame.

Richie Stokes picked off a Seneca aerial on the enemy 29 and ran it over for the score.

Seneca dived over for the one pointer and the wildcats had a comfortable 32-7 lead.

The Cats quickly scored their last touchdown on a nine-yard sprint by Sexton. The score ended an 84-yard drive that took but six plays. Graef set up the tally with a sparkling 60-yard run on a perfectly-executed draw. The sprint carried the oval from the wildcat 19 to the Seneca 21. A run attempt at the extra point was halted short of the goal and the final score was set at 38-7.

The County champs got another scoring opportunity, but the game ended with the ball resting on the Redskin eight.

The game was a great finish to a great year.

December 3, 1959

Scribe picks his own All-County team

by NICK LAMKIN

The 1959 Jefferson County Champions — WAGGENER HIGH SCHOOL, well...almost!

The Wildcats ended up the year ranked the No. 27 team in the State, higher than any other County team. The Cats were undefeated in County play with a 2-0-1 record and finished 6-2-1 overall. Yet Waggener cannot claim the crown. Four games are necessary to be eligible for the title and as the Wildcats' worksheet indicates, they have played but three.

When the Cats' schedule was made up two years ago, none of this four-game mess was necessary. So as it stands the disappointed Wildcats will not have the honor.

Coach Marty Deim has been the guiding force in back of Waggener which reversed its 2-6-1 record of last season.

Waggener's first game was not a prevue of things to come as they dropped a 14-7 decision to Providence, Ind. The Cats leveled their record by crushing K.M.L. 46-6. After tying Durrett at 6-6, the Wildcats upset Butler

19-14; swamped Oldham County 38-0 and beat Country Day 45-0 before losing to Atherton 6-0. Waggener closed out the season by edging DeSales 7-0 and by smearing Seneca 38-7.

Now that the season is over, I would like to give my own All-County team.

Here is the offensive team: Ends, Sam Pollitt and Les Snyder, Waggener; tackles, Elliott Neubauer and Fred Davis, Waggener; guards, Kit Georgehead and Steve Griffin, Waggener; center, Charles Baldwin, backfield, Perry Wood, Steve Graef, Bobby Sexton and Dan Sunberg, Waggener.

Defensive team: Ends, Neubauer and Steve Catlett, Waggener; tackles, Griffin and Baldwin; middle line-backer, Russell Weikel, Waggener; backfield, Richie Stokes, Brad Arterburn, and Snyder, Waggener.

As you can see, Waggener dominated most of the balloting. If anyone deserved the "Coach of the Year" award, it was Marty Deim.

FOOTBALL SEASON ENDS, 6-2-1

J.V.'s END SEASON

While the Varsity Wildcats were gaining a winning 6-2-1 football season, the Junior-Varsity players were gaining experience for the day when they will step onto the varsity gridiron themselves.

The Kittens completed five games and have a record of one win and four losses.

Eastern Wins

In the first game the Eastern Eagles edged the Cats by a score of 14-7 on a quick touchdown by the Eagles in the last few minutes of play. On entering the fourth quarter, Eastern led 7 to 6. Tom Helfrich scored for the Wildcats and also went over for the point. The Eagles put on a drive and scored with less than a minute to play. Time ran out as the Cats began their final drive.

Pleasure Ridge was Waggener's second opponent. The Wildcats failed to score and the game ended a 6-0 victory for Pleasure Ridge. Mr. Crawford stated the boys played their best game against this team, but that they had underestimated the ability of their opponent.

Atherton Nips Cats 6-0

The Atherton Rebels, one of the better city high school teams, barely slipped by the fired-up Cats October 23 on rain-soaked Eastern Field. The score was 6-0.

Although the game was played in a constant rain storm, the weather did not dampen the Wildcats' spirit. Playing heads up football, neither team scored in the first quarter.

In the second frame Atherton received the pigskin on their own 40. They marched to the Cat thirty where on second down Rebel quarterback Enyard flipped a flat pass to Stuart Yoffe, who rambled to the Waggener two. Here he was knocked out of bounds. Two plays later, highly

Defeat Durrett

The J-V's came back strong against the Durrett Demons in the all important game to tally a 14-7 victory. Quarterback for the Cats, Ed Bignon, scored both touchdowns.

Southern and K.M.I. also handed the Kittens defeats, by scores of 8-0 and 12-7, respectively.

The team still had two games, Seneca and Fairdale, to play at the time the paper was sent to press.

When the coaches, Mr. Crawford and Mr. Cadidas, were asked who the most valuable player was, they chose two. The outstanding backfield player for the J-V's was Tom Helfrich. The outstanding lineman for the year was Bill Hindrichs.

Mr. Crawford summed up the season by saying that they were an extremely young ball club, made up mostly of eighth and ninth graders, with little experience. He also added that he has prepared a few boys, such as Jim Brunhoffer, Bill Hindrichs, and Tom Helfrich, for varsity competition next year.

Cats Stomp Daymen 45-0

Waggener dedicated her new field and brilliant uniforms in an impressive fashion on the afternoon of October 16 by stomping Country Day 45-0.

After an exchange of the pigskin early in the game Perry Wood carried on an end sweep for eighty-four yards and the touchdown. Country Day fumbled the kick-off, and the Wildcats recovered on the Dayman 20. On the third play Dan Sundberg pitched to End Les Snyder for six points. Elliot Neubauser's conversion was good, boosting the score to 13-0.

Wood Scores

At the beginning of the second period Perry Wood carried for his second touchdown. Neubauser kicked the point, and the Wildcats led by 20-0. After several plays with both teams in possession Sundberg again took to the air, with Brad Arterburn on the receiving end of a sixty-one yard touchdown play. Neubauser made the conversion as the half ended: the Wildcats 27, Country Day 0.

During the second half the Cats were a little slower on the scoring end, until the fourth stanza. Then aerialing by Chuck Armstrong and Dan Sundberg to Arterburn and Bobby Sexton, respectively, gave Waggener a 39-0 lead.

Toward the close of the game Sexton carried for six more from the two, and incidentally, his forty-fourth point of the season. Waggener had chalked up her fourth win of the season and the third in a row, 45-0.

Cats Defeat DeSales 7-0

The Waggener Wildcats struggled with the stubborn DeSales Colts Friday night, October 30, but finally came out victorious 7-0 at Holy Name Field in a bitterly fought contest.

Both teams were held scoreless during the first quarter as both were stopped in critical situations. Midway in the second stanza Waggener moved the ball within the Colt twenty. With a third and seven situation on the twelve, quarterback Chuck Armstrong rifled a strike to burly Bob Sexton for the T.D. Elliot Neubauser booted the extra point.

SIDELINE SHOTS

By Bobby Shane

The gridiron season is now wrapped up with Waggener the proud owner of a 6-2-1 record. During the season there have been many happy, as well as sad moments. One of the more amusing incidents occurred during the first few plays of the game with Country Day. Waggener outmanned Country Day in numbers as well as performance. It seems that Bill Hindrichs was a twelfth man on our side for a while. Who says referees can't count?

John Thompson has had a couple of bad "breaks" during his season with the J. V.'s. Both of the bones in his lower leg were broken during practice. Welcome back to Ole Mayme S. John!

Managers Applauded

Four boys who haven't had their names announced for scoring touchdowns yet, but who have done a remarkable job off the field in taking care of the needs of the players are the football managers. Hats off to Ed Stopher, Jim May, Dick Stevens, and Jim Small!

Our boys have made notable progress since the season's beginning, jumping in the Courier-Journal Litratings from number 114 in the state to number 27. Certainly this year's fine coaching staff has guided this progress in the direction that it has gone. The entire school owes a great deal to Mr. Browning, Mr. Cadidas, Mr. Crawford, Mr. Gray, and of course Mr. Dvorn. The very best of wishes from the entire student body for many successful coaching years to come, here at Waggener, Mr. Deism!!!

Schedule Causes Problems

There have recently been many remarks and rumors concerning the county football championship for which Waggener seemed headed. The reason our Wildcats were ruled ineligible was due to a new system set up during the past spring and summer, known as the "Dickinson System." Under the rules of this arrangement every school is divided into regions and classes. Waggener was placed in the Jefferson County Region. She is considered a "Class AAA" school because of her population. In order for our Wildcats to be eligible for the championship of their region it was necessary to play four games with other Class AAA schools in Jefferson County.

The Cats met five AAA teams, but only three of these were in the County Region. Therefore our Wildcats were ruled ineligible.

For the present schedule to have been changed would have been somewhat dishonorable, since a contract had been made with the schools played this year in the spring of '58. At that time the present manner of dividing the schools was unknown, and there was no set pattern for deciding a county champion. An appeal for an extra county game was made, however, but was turned down. It was ruled that Waggener had had an equal chance when the scheduling was done two years ago. It was also decided that it would be giving an unfair advantage to Waggener over other schools in a like position throughout the state. Now if you're not satisfied or convinced, you're at least confused!

Defensive Play Outstanding

Neither team tallied in the second half but both teams threatened seriously. Key defensive plays by both lines halted the drives.

Cat standouts were husky Charlie Baldwin, Steve Callett, and Bobby Leason. Orwick for DeSales also received praise.

Waggener's record after the DeSales tilt was 5-2-1, with a game with Seneca remaining on the schedule.

Wildcats Rock Seneca 38-7

The Waggener Wildcats ended the 1959 football season by scalping the Seneca Redskins, 38-7, at Waggener Stadium on November 5.

The Cats jumped to an early 6-0 lead as Bob Sexton plunged over from the one yard line to highlight the Waggener drive. Late in the second quarter, Chuck "The Arm" Armstrong used his talents and rifled a pass to Brad Arterburn for a 51-yard gain and the second touchdown.

Sexton Scores

Sexton again notched six points in the third frame on another one yard plunge, and Neubauser converted. Waggener cut loose in the fourth quarter as Sexton scored his third T.D. of the game on a nine yard run. Steve Graef on a brilliant 16 yard scamper, and fleet-footed Rich Stokes tallied with an intercepted pass to end Waggener's scoring and their 1959 season.

Waggener's football record was a sensational 6-2-1 and the Cats had the distinction of being the only undefeated team in the county.

Bobby Sexton with 19 points against Seneca raised his total to 89 points and is almost a cinch for the county scoring title.

WAGGENER J. V. FOOTBALL SQUAD, 1959

An Interview With Coach Deim

By Jack Herman

Marty Deim, as almost everyone knows, is Waggener High School's football coach.

You may have seen him running frantically up and down the sidelines, yelling and screaming, during football games; but off the field he is a completely different person. The "Dr. Jeckyl and Mr. Hyde" of Waggener is a mild mannered English IV teacher and a very conservative individual.

Edward Rutledge, a University of Kentucky football scout and personal friend.

Attended Centre

The 27-year-old Deim graduated from nearby Shelbyville High School in 1948. He entered Centre College in Danville and graduated there in 1953. After leaving Centre, he pursued his interest in football and took an assistant coaching position at powerful Danville High School. He joined the Navy in '56, but returned to coaching in 1958 in a small town in West Virginia. This last season was spent at the helm of Waggener's team.

Coach Deim is very happily married and has a baby son, Edward Bruce Deim, named after Edward Rutledge, a University of Kentucky football scout and personal friend.

Loves Baseball

Mr. Deim's interests are few, and besides "loafing around the house," he enjoys modern jazz and golf. He also commented that he loves baseball, and this was proven by his playing minor league ball in the St. Louis Cardinal organization.

Asked of his future plans, he replied that he is very happy here at Waggener but a better opportunity is seldom turned down. He also remarked on the wonderful school spirit and the attendance of the student body at the football games.

Coach Deim commented that this year's record was a team effort and that he was very proud of all the boys. Our hats are off to Coach Marty Deim, the man that has brought football prestige to Waggener.

To The Student Body Of Waggener

With the closing of a football season, there comes a certain feeling of sadness to all concerned; to the student body, the coaches, the team, and especially the seniors, some of whom will never again play organized football.

However, with this sadness comes also a feeling of satisfaction of a job well done. This has been a year of firsts for Waggener. We have seen the first senior class, the first winning season and perhaps, most of all the first feeling of oneness with the athletic team. It's a wonderful feeling, and one that will grow.

It has been my privilege to be a part of this, and I owe a great deal of thanks to a great many people. I am grateful to Mr. Duncan, his staff, and the faculty for the finest co-operation a coach could have; to Mr. Chilton for his great help in taking a great load

of work off the shoulders of the coaches. (No one knows how much Mr. Chilton did for us.); to the student body for the wonderful support you've given; to the cheerleaders for doing a fine job; to a fine group of assistants—Coaches Gray, Cadeas, Browning, and Crawford. Without their willingness to work we couldn't have accomplished nearly so much as we have.

And finally I want to thank a wonderful group of football players who didn't realize that they weren't supposed to win. I'll always remember them for their great determination and desire. All these people have combined to make this a wonderful year, and I'm very grateful to have been a part of it.

Sincerely,
Marty Deim
Head Coach

Basketball Practice Started

With the end of the gridiron season, comes the beginning of basketball. Roundball prospects for the ensuing year are very bright indeed. Team practice started the first week of October, with several new faces adding to the competition.

Returns from last year's squad who seem fairly certain of winning uniforms again this year are as follows: Seniors—Wally Adams, Chuck Armstrong, Brad Arterburn, Mel Borkland, Ben Cundiff, Joe Dietrich, Gibbs Reese, and Raymoy Simpson; Juniors—Mike Gambill, Kenny

Lewis, and Warren Van House.

Competition Keen

Among the new faces are Steve Porter and David Stuyenberger up from last year's Jay Vee squad, and Jim Bretcher, a hot-shot transfer from Butler. If these boys win uniforms, that would leave a vacancy on the fifteen man squad. This last spot is up for grabs with Jim Pope, Charles Baldwin, Tom Ryan, and Jim Smith the hottest competitors.

Waggener plays its first game, December 4th, at home against Country Day.

Cross Country Team Heads For State Meet

Waggener's first cross country team placed fourth in the State Meet at Lexington Saturday, November 14. This was the Cats' first try in state competition.

Waggener began its varsity participation in cross-country competition this fall with a fourth place in the regional meet and a chance at the State Title on November 14.

With only two meets behind them, the Waggener team, consisting of David White, Butch Mathis, Eddie Turley, Sam Pollitt, Steve Callett, Bailey Blanton, and Billy Mayrose, went into the regional meet with little experience.

Regional Meet

David White crossed the line first for Waggener with a ninth place in the meet. Next in line for Waggener was Butch Mathis with fifteenth place; Ed Turley came in twentieth; Sam Pollitt took twenty-ninth, and Jimmy Walker took thirty-fourth. Steve Callett and Bailey Blanton were also in the running.

The first four teams from this region, St. Xavier, Trinity, Butler, and Waggener, went to the State Meet at Lexington. There they finished in the order above.

Defeat K.M.I.

Waggener's first gallop was with K.M.I. over the fields of their campus. Waggener won a decisive victory by taking the first six finishes.

The Fern Creek meet, which also occurred before the region, brought the Cats their first defeat. A Wildcat runner failed to follow the path of the course and forced a second running immediately following the first. Butch Mathis took first place in the second running, but the victory went to Fern Creek by a score of 26 to 29.

Two days after the regional meet, Waggener ran Butler on their course, but again was defeated, 27-30.

Mr. Gray, the cross-country coach, is pleased with the way the boys have been working, and is proud of their showing at Lexington last Saturday.

J. V. Cheerleaders: Nancy Morris, Martha May, Marilyn Gordon, Elaine Babe, Barbara Keeling, and Sheri Ross.

J.V. Cheerleaders Elected

The freshman and sophomore classes elected their J. V. cheerleaders the middle of September. More than forty girls tried out before four judges. Miss Whitten, Miss Callahan, Miss Walker, and Mrs. Hays chose from these forty some odd girls twelve finalists. One of the twelve, Peggy Kucan, withdrew.

From the eleven remaining girls, Elaine Babe, Marilyn Curtis, Donna Giannini, Marilyn Gordon, Ann Haysley, Barbara Keeling, Leslie Kennedy, Martha May, Nancy Morris, Sheri Ross, and Carol-gene Wise, three freshmen and three sophomores were chosen by the popular vote of the two classes. They are as follows: tenth grade, Elaine Babe, Marilyn Gordon, Sheri Ross; and ninth grade, Barbara Keeling, Martha May, and Nancy Morris. The girls' sponsor is Miss Callahan.

Waggener Webfoots Organize

The Wildcats are off to a splashing start this year with our 1959-60 girls' and boys' swimming teams.

The boys' team, coached by Mr. Pat Crawford, are favored to win the Kentucky State Swimming Meet in Class A, which will be held later on in the year. Wearing their new uniforms, the boys will swim against Atherton on December 9 and St. Xavier on December 4 at the Henry Clay Hotel.

Team Announced

The team consists of the following boys: Bill Irion, John Higgs, Charlie Farmer, Steve Pesko, Sherman Henderson, John Abbott, Dick Abbott, Tony Minnie, Tom Grunwald, Steve Minnie, Tom Ogle, Bob Clarke, Howard Wilson, Wendall Wyatt, Ted Ogle, Terry Ogle, Otto Georgi, Randy Farmer, Bill Carrel, Ray Taylor, Herbie Melster, Bill Black, Jim Collins, Dick Shapers, Randy Allred, Frank King, Rudy Miller, Bill Doolittle, Rollin Shouse, and

Bob Nelson.

The team has also scheduled a Waggener Invitational which will be held January 16 at the Henry Clay Hotel.

Girls' Team Organized

As for the girls' team, they have now elected officers which are as follows: Captain, Peggy Leahy; Co-Captain, Tina Rogers; Secretary, Peggy Barrows; and Treasurer, Martha Robertson.

The team, coached by Miss Wanda Callahan, has stirred up some interest in girls' swimming in high schools throughout the state. There is hope now to have competition this year.

The girls' team is as follows:

Jane Allen, Nancy Allen, Betsy Barrows, Peggy Barrows, Betsy Beggs, Naomi Brown, Jill Burkel, Charis Burnett, Ginger Glass, Sophia Harard, Anne Henderson, Ely Henderson, Jean Henderson, Sandra Henderson, Barbara Howell, Kathy Hart, Sheila James, Jenny King, Bunny Laffoon, Deanne Laffoon, Peggy Leahy, Saran Lloyd, Barbara Peters, Judy Mathis, Nancy McMillan, Leslie Mills, Phyllis Mills, Debbie Muss, Marilyn Osse, Susy Owens, Jan Maxwell, Gayle Reichmuth, Martha Robertson, Tina Rogers, Nancy Schelver, Donna Seelbach, Vicki Turner, Melinda Tuten, Sally Wallace, Susan Wilkinson, Sara Knight, Jeanne Todd.

Waggener

By Jinny McMichael

Football and track teams are honored at annual banquet

The annual banquet honoring the football and cross country track teams was held Nov. 19 in the Waggener cafeteria.

The speaker for the occasion was George Walsh, sports director for WHAS-TV, and the toast master was John Carrico, a (courier-Journe) sports writer. The invocation and benediction were given by Perry Wood president of Waggener's Senior Class. Morris Chilton, athletic director at Waggener, introduced the guests.

Coach James Gray presented letters to the following Cross Country track team members:

Bill Mayrose, Sam Pollitt, Steve Catlett, Hutch Matias, David White, Eddie Turley, Jimmy Walker, Bailey Blanton, and Manager George Vogel. Junior Varsity Coach Pat Crawford presented letters to the JV football players; Gordon Finley, Helvert Brunhoffer, Tom Helfrich, Bill Hinrichs, Les Anderson, David Neideffer, Mike Broughton, John Scheibel, Mike Rogers, Harold High, Stanley Tucker, Bruce Smith, Tommy Jones, and Randy Phillips.

Coach Chester Caddas then awarded letters to the four varsity football managers: Jim Small, Jim May, Dick Stevens, and Ed Etorber.

Coach Karl Browning presented the letters to the junior members of the varsity football team: Woody Axton, Fred Davis, Scott Davis, Steve Griffin, Howie Hattala, Pat Malone, Les Snyder, Danny Sundberg, Russell Welkel, and John Thompson.

Head coach Martin Deim then presented letters and awards to 21 senior members of the football team. Steve Graef received the award for the Most Valuable Player, and he and Kit Georgehead were named Co-captains of the season. The Gold Brick Award went to Elliott Neubauer.

The 21 boys receiving letters were: Steve Catlett, Kit Georgehead, Mike Gladden, Steve Graef, Bobby Leason, Bill Mahan, Bill Mayrose, Burt Myers, Fred Neikirk, Elliott Neubauer, Sam Pollitt, Jim Ratliff, Brent Robbins, Bobby Sexton, Rollin Shouse, Dave Simpson, Richard Stokes, Perry Wood, Charlie Baldwin, Chuck Armstrong, and Brad Arterburn.

To letter in football a player must participate in at least half of the total quarters played for the season.

The meal, consisting of turkey, dressing, gravy, green beans, candied sweet potatoes, congealed fruit salad, hot rolls and butter, pumpkin pie, and coffee or milk, was prepared by the lunchroom staff and served by members of the Waggener Future Homemakers of America. Decorations, including a huge

football on one wall with pennants bearing each player's name, and small goalposts on the tables, were also done by the F.H.A., which is sponsored by Mrs. Janice Porter. The programs were made in the shape of football helmets.

The basketball game between football players and their dads finally ended in a 59-50 tie last Friday evening at Masonic Home. The dads enlisted the aid of the football coaches (who were supposed to be refereeing), which nearly swept them to victory until the boys retaliated by sending in a few extra players. The action was called by football player Bobby Leason. The proceeds go to the Development Association towards lights for the stadium.

The annual football dance will be held this Saturday night in the gym from 8 to 12 p.m. Music will be provided by Norman Cook, and tickets are one dollar, stag or drag. The Football Queen of 1959 will be crowned during the evening. The Chit-Chat staff is sponsoring the dance.

School is excused Thursday and Friday this week for Thanksgiving.

Several school clubs have organized and elected officers. The National Thespians Society is the newest, being organized this year as an educational, honor and service organization of both teachers and students for the advancement of the dramatic arts. Mrs. Leona Loving is the sponsor. The following officers were elected: President, Bill Moeller, vice president, Jeannett Caswell; secretary, Maggi Huber; treasurer, Ann Bell; publicity manager, Beth Moeller.

The Junior Red Cross, sponsored by Mrs. Elizabeth Lapsley, elected the following officers: president, Lynne Lawson; vice president, Sandy Oed; secretary, Bette Dailey; treasurer, Diane Lamar.

The Latin Club officers and executive board have been announced. Charlotte Aull was re-elected president; Merrill Lee

Sweet was elected vice president; Linda Fiene, secretary; Bill Moeller, treasurer. To be a member of the club, you must have an average of B.

The executive board is as follows: Nelda Perkins, Paul Keith, Diane Taylor, Steve Peskoc, Barbara White, Bill Hendricks, and Virginia Walsh. The club, which is sponsored by Mrs. Zera Baird, plans to produce three Greek plays and have a spring banquet.

The Future Business Leaders of America (FBLA), organized this year and sponsored by Miss Georgia Carson, has elected officers: President, Bernice Sim-

mons; vice-president, Joann Strange; secretary, Judy Foster; treasurer, Joyce Shewmaker; and reporter, Jimmy Seppenfield. The Chapter at Waggener was recently initiated by the Eastern Chapter.

The French Club, sponsored by Mrs. Willabelle Dodds and Mrs. Margaret Ryan, was organized Nov. 5. Burt Myers was elected president; Marjorie Davis, vice president; Bette Dailey, secretary; Kay Gibson, treasurer. You must be a third or fourth-year French student.

The members of the boys' and girls' swim teams have been announced. The boys schedule is as follows: Dec. 9—Atherton; Dec. 14—St. Xavier; and on other dates Columbus, Ind., Southport, Ind.; and Lafayette from Lexington.

The Waggener Invitational will be held Jan. 16 at the Henney Clay Hotel. The members of the boys' team are as follows:

Bill Irion, John Higgs, Charlie Farmer, Steve Peskoc, Sherman Henderson, John Abbott, Dick Abbott, Tony Minlea, Tom Grunwald, Steve Minlea, Tom Ogle, Bob Clarke, Howard Wilson, Wendall Wyatt, Ted Ogle, Terry Ogle, Otto Georgi, Randy Farmer, Bill Carrel, Ray Taylor, Herbie Meister, Bill Black, Jim Collins, Dick Shapero, Randy Alfred, Frank King, Rudy Miller, Bill Doolittle, Rollin Shouse, and Bob Nelson.

The officers of the girls team are as follows:

Captain, Peggy Leahy; co-captain, Tina Rogers; secretary, Peggy Barrows; treasurer, Martha Robertson.

The members are Jane Allen, Nancy Allen, Betsy Barrows.

Peggy Barrows, Betsy Beggs, Naomi Brown, Jill Burkell, Cherie Burnett, Ginger Glass, Sophie Harned, Ann Henderson, Ely Henderson, Jean Henderson, Sandra Henderson, Barbara Howell, Kathy Hurt, Shella Janos, Jenny King, Bunny Laffoon, Deanne Laffoon, Peggy Leahy, Sarah Lloyd, Barbara Peters, Judy Malhis, Nancy Millian, Leslie Mills, Phyllis Mills, Debbie Muss, Marilyn Oase, Susy Owens, Jan Powline, Gayle Reichmuth, Martha Robertson, Tina Rogers, Nancy Scheirer, Donna Seelbach, Vicky Turner, Melinda Tuton, Jeanne Todd, Zara Knopf, Sally Wallace, and Susan Wilkinson.

The gals hope they will have some competition this year. Pat Crawford coaches the boys, and Miss Wanda Callahan, the girls.

Senior Linda Schaaf had a short story entitled "Escape" published in the November issue of the National Beta Club Journal.

Kiwanis to sponsor basketball tourney

The St. Matthews Kiwanis Club is sponsoring a Kiwanis Invitational Basketball Tournament Dec. 17, 18, and 19, at the Waggener High School gym, the proceeds of which will be used for underprivileged children, the Waggener scholarship fund, and to help erect a football scoreboard for the Waggener Development Association.

December 3, 1959

Each player must be under the age of 17 and also below the seventh grade in school. The winning and runner-up teams will receive trophies, and individual awards will be presented to team members. The best group of cheerleaders and the team showing the most sportsmanship will also receive a trophy.

The officials will be Roy Adams, basketball coach at Waggener, and Bill Hoke, Eastern's basketball coach. Admission is 25 cents for students and 50 cents for adults.

The winners of the Greathouse Gra-Y vs. Zachary Taylor game will play the winners of the Lyndon Lions vs. the Anchorage Anchors on Saturday afternoon Dec. 19, 2:30 p.m. for the semifinals. The Greathouse - Zachary Taylor game is at 7 p.m. Dec. 17, and the Lyndon - Anchorage at 7 p.m. Dec. 18.

The winners of the Goldsmith Indians vs. Country Day will play the winners of the Chenoweth area Future Waggener Wildcats vs. St. Matthews Elementary on Saturday afternoon, Dec. 19, at 1:30 p.m. The Goldsmith - Country Day game is at 8 p.m. Dec. 18, and the Wildcat - St. Matthews game at 8 p.m. Dec. 17.

The winners of the Saturday afternoon games will advance to the finals Saturday night at 7:30 p.m.

6th ranked Oldham beats Waggener

by NICK LAMKIN

Oldham County, the number six ranked team in the state, took a 61-47 decision from Waggener's error-plagued Wildcats Tuesday night at Oldham County.

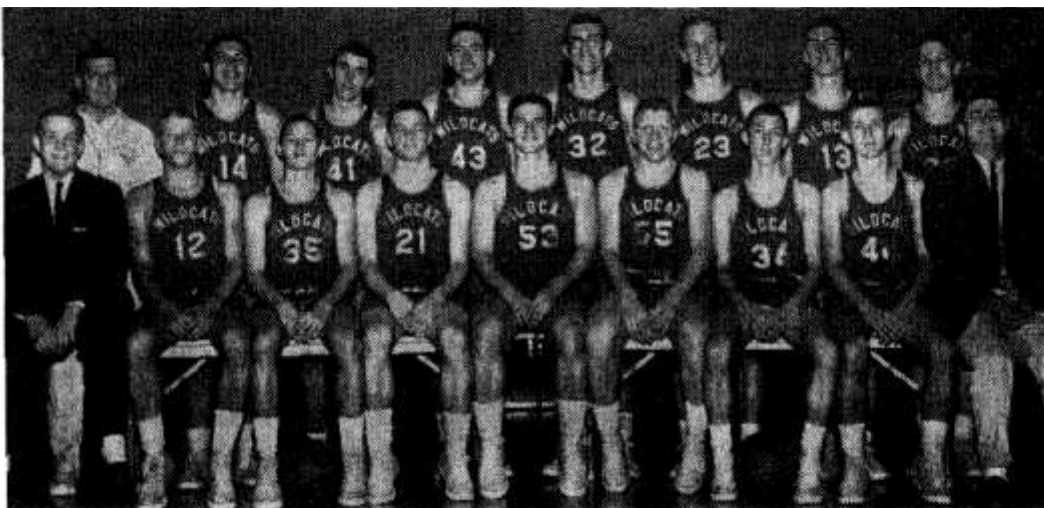

After a close first quarter, the Colonels broke a 16-16 tie and pulled away, as the Wildcats seemed to fall apart. Holding a 25-20 lead, Oldham County outscored the Cats by 14-4 and went into the half holding a 39-24 advantage.

The teams battled on almost even terms in the third stanza. The Wildcats managed to shave two points off the deficit as they trailed 48-35 at the close of the third quarter.

In the final frame, Waggener tried to rally. Trailing by 50-35 Mike Gambill, Kenny Lewis and Mel Borland pulled the Cats within six points at 53-47. But here, the Wildcats got as far as they were going to get. The Colonels kept adding on points and pulled away to the final 61-47 margin.

Gambill and Lewis led the losers with 14 and 10 points respectively. Bruce Bierman hit for 22 big points for Oldham County. Guard Terry Barrickman followed with 11.

Waggener has few soft touches on schedule

Coach Adams sees fair year ahead

If the Waggener Wildcats have a victorious basketball season this year, they will have earned it. For there is hardly a soft touch on the entire Waggener schedule of 18 games.

The Wildcats, who open tomorrow evening against Country Day at Masonic Home gym, have scheduled games with such recognized powerhouses as Male, Trinity, Fern Creek, and Atherton, and teams on the rise, such as Butler, Seneca, Durrett, and Southern.

The Waggener problem is one that faces every Louisville and Jefferson County school these days; namely, that there are so many good local teams, it is practically impossible for any of these teams to get through a sea-

son of local competition unscathed.

Waggener has several assets. The squad has been together now for three years. The Wildcats have a coach of recognized ability, Roy Adams, who came to Waggener after his 1956-57 Eastern squad got to the State finals and barely lost the championship to Lafayette by a score of 64 to 61.

The Wildcats are not the biggest boys in the world, but they're big enough — and they're heavy. ("When it comes to weight we'll be the biggest team around," says Coach Adams, who has three regulars weighing 200 or better).

But there are no stars on the Waggener squad, no experienced men of demonstrated superior ability, like Mac Caldwell at Eastern, for instance. And while the boys are almost sure to better last year's record of eight wins and 13 losses, they have so far shown no signs of being world-beaters; they would not be pre-season favorites to win any big tournaments.

Coach Adams rates his boys as "fair." He insists that his boys do not have enough height, even though his two regular forwards and his top center are all six-foot-two or better. In modern high school basketball, six-foot-two is no longer very tall, he says.

"We're about in the same boat as all the other County teams," he said. "We all have the same size paddle. It's just a question of who'll paddle the hardest."

He continued: "If the boys are

up and want to play, we could have a good year. They have possibilities. We've got no stars on the team. It should be well-balanced. However, you can't tell what will happen before the season is over."

Character-wise, he thinks his boys are "exceptional."

"I don't have to worry about their grades," he said. "They all come from good homes."

He would not guess how his team will do. "It's hard to predict. I'll have to see them under fire." But he made it clear he saw no State championships on the horizon.

He's already making plans for the future. He has just eight seniors on the squad. Of his eight forwards, three are seniors, three are juniors, and two are sophomores.

He has three centers — one senior, one junior and one sophomore. Of his eight guards, two are juniors and two are sophomores.

His starting forwards will probably be Brad Arterburn and Mike Gambill. Gambill, a six-two-plus junior, was the top Wildcat scorer last year, tallying 240 points in 21 games, for a 11-43 average. Arterburn, a six-two senior, was second last year. He had a 9.24 average, scoring 194 points in 21 tilts.

The starting center looks like Gibbs Reese again. The six-foot-three junior had a 7.24 average last year.

Adams has five guards of about equal ability. One of them, Kenny Lewis, seems a sure rug-

lar, simply by virtue of being a junior. The other four boys are seniors, and any coach, faced with two boys of equal ability, will play a junior (who will be back next year) over a senior (who won't).

The other four first-string guards are Chuck Armstrong, Mel Borland, Ben Cudiff and Roney Simpson.

The Wildcats, incidentally, will play all their home games, except the Dec. 11 contest against Butler, at Masonic gym.

All Jayvee games start at 6:30 p.m. and the varsity games at 8 p.m.

Wildcats win but are not impressive

By NICK LAMKIN and STEVE WORFUL

Waggener opened its 1959-60 basketball season with a 68-43 win over a stubborn Louisville Country Day quintet, Friday at Masonic Home Gym, but the Cats looked far from impressive.

The fired-up Daymen stayed on almost even terms with the error-plagued Wildcats in the first half, trailing only 28-24 at the stop. Waggener seemed to regain its form in the last quarter and romped to the final margin.

The Wildcats jumped to an early 4-0 lead on buckets by Brad Arterburn, but Country Day knotted the count at 6-6 and again at 11-11 before the Cats salvaged a 13-11 quarter-end margin.

The Daymen fought back and after tying the score at 15-15, moved out to a 21-15 advantage. At this point, with the help of David Stutzenberger and Warren Van Hoose, the Wildcats out-scored Country Day 11-3 to own their 28-23 halftime lead.

Waggener caught fire in the last half and pulled the game out of the Daymen's reach. Chuck Armstrong ignited the spark that got the Cats going. Armstrong hit for eight points in the third quarter as Waggener outscored the Daymen 15-8 and went on top 41-30 as the quarter ended. The final stanza was no more than rubbing salt in the wound.

Waggener completely out-manned Country Day, the Daymen gathering but 13 points to the Wildcats' 27.

High point men for Waggener were Mike Gambill and Warren Van Hoose, each scoring 10 points. Brad Arterburn and Rayney Simpson each tallied nine while Gibbs Reese, contributed six. For the losers, Dale Carlberg blistered the nets for 18 points to carry away high-scoring honors while Hank Ackerman tallied 14. Pete Cleaves tallied nine and Mac McClure two for the Daymen.

It was the opening game for both teams. Tuesday the Daymen played Durrett and this Saturday they journey to Cincinnati where they will encounter Cincinnati Country Day.

Not until tomorrow night will people find out Waggener's County capabilities as they oppose Butler at the Wildcats' gym.

December 10, 1959

Reese leads Cat win over favored Rebels

By NICK LAMKIN

Waggener made it four wins and one loss as they gave Atherton a 60-41 licking Friday night at Masonic Home Gym.

The Wildcats, underdogs at tip-off time, broke an early 4-4 tie, and romped to victory. The game was tied in the early moments at 2-2, 4-4, and 6-6, before Brad Arterburn and Kenny Lewis started hitting and pulled the Cats out to an early 15-8 advantage at the first stop.

Waggener continued to increase their margin as they went into intermission on top 33-18. In the second quarter, the Rebels did manage to shave the deficit to 23-16, but baskets by Mike Gambill, Gibbs Reese, and Arterburn padded the lead.

Atherton fought back in the third quarter, narrowing the gap to 37-30, but the Cats stayed on the long end of the score, 47-37 going into the last frame.

The Rebels cut the lead to 47-39, but the Wildcats outscored Atherton 15-3 and sewed up the contest.

Center Reese, playing his best game to date, swished the nets for

17 big points for Waggener. Arterburn netted 14 for the victors and Gambill added 12. Jim Bersot led the Rebels, collecting 14.

The Wildcats, tied for first in County competition with Valley, get a stern test as they play in the Fern Creek Invitational Tournament Jan. 7, 8, and 9.

December 24, 1959

December 17, 1959

Wildcat record now 2 and 1

By NICK LAMKIN

Those Wildcats love to rally! On many, many occasions in the past, Waggener has had to come from behind to win, and Friday's game was no exception as the Cats fought back to blast Butler 41-24 at Waggener's gym.

Coach Roy "Doc" Adams' forces overcame a 21-20 halftime deficit and raced to their second win in three outings before a capacity crowd.

Waggener's defense proved to be the deciding factor as they limited the taller Bears to just three points in the whole second half. Butler was given plenty of opportunity from the foul line, but could muster only one char-

ity loss in that deciding last half.

Waggener fell behind by 4-0 but knotted it at 4-4 and again at 6-6, before pulling out to a 10-9 advantage at the end of the first quarter.

Butler tied the count at 10-10 and 12-12, but Waggener forward Brad Arterburn hit on three straight from the floor, and Gibbs Reese added a pair from the foul stripe, to give the Wildcats their biggest bulge at 20-14. At this point, Butler caught fire and two free throws by Bear guard Kenny Willis gave the visitors a 21-20 halftime lead.

In the second half, the roof caved in on Butler. The Bears couldn't buy a basket, and the aggressive play of Rayney Simpson, Kenny Lewis, and Reese

gave the Wildcats the chance to blow the game wide open. In the third quarter the Cats were gathering 10 tallies, while the Bears could grab only the one free throw by Doug Samuels.

In the final period, Waggener slowed the action down and played cautious ball. A five-foot jump shot by six feet, seven inches tall Bill Akridge accounted for Butler's lone field goal in the second half. Simpson hit for five points in the final frame and helped Waggener pour it on. He scored 11 points for the night and tied for scoring honors with Arterburn and Akridge of Butler.

The Wildcats oppose a tall and tough Atherton quintet tomorrow night without the advantage of the home court.

Cross Country Team: 1st Row—Mathis, Turley, Blanton, Mayrose. 2nd Row—Coach Gray, White, Catlett, Walker, Vogel. Pollitt absent.

X-Country Takes 4th In State

By Bill Mayrose

On Saturday, November 14, the annual state run of high school cross-country teams was held in Lexington. The Waggener group, running in a field of sixteen other schools, finished a strong fourth, only six points behind the third place team, Butler.

Two weeks prior to the state running, Waggener had chalked up a fourth place in the regional meet, making them eligible for the Lexington trot.

Mathis, White Lead

Butch Mathis and David White led the field for Waggener taking seventh and eighth places respectively. Next to come across wearing a red W was Ed Turley with nineteenth place. Sam Pollitt took forty-fifth, Jimmy Walker placed fiftieth, Steve Catlett came in sixty-sixth, and Billy Mayrose seventy-second.

The first four teams to finish in the state meet were St. Xavier, Trinity, Butler, and Waggener, in that order. These four teams also finished first in the region around Louisville in that same order.

Ed Turley, as a single entry from Waggener, participated for honors in the 3 1/4 mile Shamrock Invitational run held on Thanksgiving Day. Seventy-five runners lined-up at the start, being entered from schools throughout the state. With a strong time of 19 minutes and 45 seconds, Turley represented Waggener very well, finishing in fifteenth place.

Introducing Mr. Chilton . . .

Every well-informed student here at Waggener knows our team coaches and what they do. But how many know what the athletic director does? Our athletic director is Mr. Morris Chilton, and his is a job of many phases. Mr. Martin Deim, our head football coach, calls the athletic director's job "the hardest in the school."

Mr. Chilton is in charge of scheduling the games for all of the Waggener athletic teams. He takes care of player insurance and insurance claims. He must check eligibility sheets each six weeks. Mr. Chilton is also in charge of the transporting of Waggener's teams to away games, and of the purchasing of all equipment.

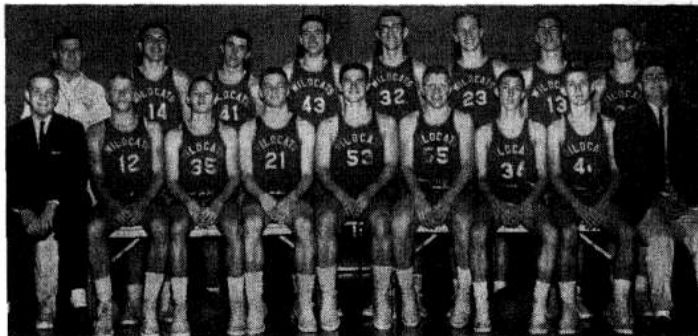

Has Many Jobs

The athletic director and coaches must work hand in hand on such afore mentioned subjects as scheduling, equipment purchasing, and insurance. Mr. Chilton would like to express his appreciation to all Waggener's coaches. He says that they are the finest group of men with whom he has ever worked.

Mr. Chilton attended Georgetown College, and was principal and basketball coach at Mt. Eden High School in Shelby County, before coming to Waggener.

Mr. Chilton said that he has tried to govern his life around the famous saying of the great sportswriter, Grantland Rice. "When the One Great Scorer comes to mark against your name, it matters not whether you won or lost, but how you played the game."

VARSITY BASKETBALL SQUAD 1959-'60

Wildcats Down C. D. In Opener

Waggener's cage Cats started their season gloriously by downing county-independent Country Day 68-43 at the Masonic Home on December 4.

Waggener had a two point margin at the end of the first half and increased the edge to eleven at the end of the third period. The Wildcats cut loose in the fourth quarter and out-scored the Daymen 27 to 13 for the final score of 68-43.

Cat leaders were Mike Gambill and Warren Van Hoose, who tallied ten points apiece. Following them were Brad Arterburn and Raymey Simpson, who had nine each.

Errors Hurt

Many costly mistakes held the Cats down in the first half, but they got rid of the kinks in the last half to pour it on.

Waggener next invaded Oldham County on December 8.

MR. MORRIS CHILTON

G.A.A. Plans Extended

The Girls Athletic Association, sponsored by Miss Matilda Walker, meets every Monday night in the Waggener gym from 7:00 to 9:00.

Having started their basketball tournament on November 30, the following girls are basketball managers: Judy Lovelace, Diane Taylor, Sue Stafford, Karen Garrett, Sharon Cooper, and Pam Oliver.

Mr. Duncan has given the girls permission to play against other county schools, and now they are hoping to play some teams later on in the year.

Other sports which will be included in their program are these: bowling, volley ball, tennis, and tumbling.

SIDELINE SHOTS

By Bobby Shane

The round ball craze is upon us here at Waggener as well as in the rest of the state. It looks as if the name "Wildcats" will be synonymous with the word "basketball" in state prep circles from now on, just as it already is in college play.

One of the new stars for our Wildcats is Jim Bratcher, a hot-shot transfer from Butler. Bratcher has been on the Butler varsity since his freshman year, and should team with Brad Arterburn and Mike Gambill to make the forward position one of the region's strongest. The guard positions will be a real fight for the rest of the season between five boys whose talents in ability and experience are nearly equal: Mel Borland, Raymey Simpson, Chuck Armstrong, Ben Cundiff, and Kenny Lewis.

The center position is good but doesn't yet have the strength required for a first-class club. Gibbs Reese has shown remarkable improvement in field goal accuracy over last year. David Stutzenberger also provides good depth at this position.

The Cats have some brilliant new uniforms to display at home, as well as their new talent. The need only student support at home and away.

Back to Football

Waggener's Bobby Sexton was nipped out of the county scoring championship by a single touchdown. We're all proud and thankful to Bobby for the sixty-nine points he provided, many of them at very needful moments.

At this point a look at next year's gridiron possibilities should be mentioned. Dan Sundberg will return to lead from the quarterback slot. Tom Helfrich, Gordon Finley, Scott Davis, and Howie Hatton will undoubtedly spark the backfield. Steve Griffin, Woodie Axton, Les Snyder, Bill Hindrichs, and Jim Brunnhoefter are strong line candidates. Waggenerites will most likely enjoy another winning season.

Thanks!

The entire student body joins in saluting the Waggener Development Association for the fine job they have done in providing our fine stadium.

Hockey?

A recent article in the Courier-Journal brought out that there are seven girls' hockey teams in the Louisville area. Perhaps some of Waggener's feminine athletic talent might consider forming a team of their own to make the league contain an even number.

Tourney Teams

Jumping back to basketball one finds that Waggener is to participate in a big Fern Creek Invitational at Fern Creek High School on January 7-9. This will certainly be a good test of our strength, in preparation for a possible trip to the State, that no one will dare miss!

Basketball Roster

Georgehead, Sexton, Davis Make All-County

By Chuck Armstrong
Waggener's "should be" County champs did well on the All-County balloting. Three Wildcat stars made the first team, one the second team, and two made honorable mention. The boys making the first team were: Guard, Kit Georgehead; halfback, Bob Sexton; and tackle, Fred Davis.

GEORGEHEAD

Fullback Steve Graef made the second team backfield. Tackle Elliott Newbauer and Center Charlie Baldwin were tapped for honorable mention.

This is most gratifying for Waggener in their first senior year to have five of eleven regulars considered among the county's best.

SEXTON

Our three All-County first stringers ended worthy of the honor bestowed on them. Captain Kit Georgehead was bulwark all season long, on both offense and defense. Time and again Kit, from his linebackers post on de-

Kittens Launch Season With Win

The Waggener J. V. Kittens began their season by downing Pleasure Ridge 40-34 at the young Shively school.

Leading 19-17 at the half, Coach Jones' athletes pulled away in the last stanza to clinch the game. Mike Skelton and Keith Thomas led the winners with eleven points respectively.

Pleasure Ridge will get another crack at the Kittens February 5, in the Waggener gym.

fense, threw enemy ballcarriers for crushing losses.

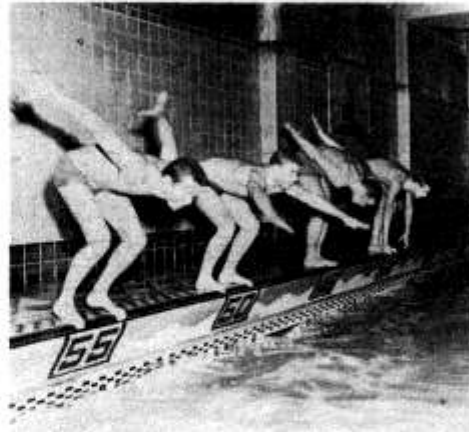

Halfback Bob Sexton demolished enemy linemen to the tune of second high scorer in the county. Besides being a line smashing ball toter, Bob is also a potent pass receiver, especially on the screen or flare pass patterns.

DAVIS

Tackle Fred Davis, playing alongside Kit Georgehead, is notorious for opening gaping holes in enemy lines for Wildcat runners to wade through. Fred was also an immovable object on defense, being instrumental in the many Cat goal-line stands. The best thing about Fred is that he will be with us again next year.

Again congratulations to Waggener's All-County choices.

Tommy Ogle, Bobby Clarke, John Abbott, and Tommy Grunwald practice for coming meets.

Waggener Tankers Triumph

Waggener launched its 1959-60 swimming season by defeating city-power St. Xavier 54-32 at the Henry Clay pool December 4. Of the ten events on the card, Waggener won seven.

Wildcats relay teams won both of their matches, while John Higgs was victorious in the 50-yard free style. Other winners were John Abbot in the 100-yard butterfly, Charlie Farmer in the 200-yard free style, and Bill Irion in diving.

Coaches Bob Wald and Pat Crawford's swimmers next encounter is with Columbus, Indiana, at the Henry Clay pool, December 15.

The team is looking forward to the state meet which is at Lexington.

TO COACH CAGERS

COACH ROY ADAMS

The Wildcats are now a year older and Mr. Adams commented that we should have a better season than last year. However, the schedule is rough, and all the teams seem to be of the same caliber. Asked what teams would give him competition this year, the Wildcat coach said, "All of them."

If you travel down by the gym this year, you will probably see a familiar face pushing his gym class through some exercises. The familiar face is Mr. Jones, our junior varsity basketball coach.

Mr. Jones has been at Waggener for four years now, and besides his basketball coaching, he is also our head baseball coach.

The junior varsity coach has already led his team through one victory and he hopes for more. Asked what team he would like to beat this year, Mr. Jones quickly replied, "Seneca!"

Mr. Jones would like to see more attendance at the J. V. games. "For after all," he replied, "the J. V.'s work just as hard as the varsity players."

With the hardwood season starting, Mr. Roy Adams, the Wildcats' varsity coach, is one of the busiest men around Waggener. Not only does he guide our basketball team but he also teaches driver training classes and manages the bookstore as well.

Before coming to Waggener, Mr. Adams was Eastern High's basketball coach from 1950 to 1957. While he was at Eastern, "Doc" Adams coached his '56-'57 squad to the State Finals where they lost the championship by three points. Since then he has coached the Wildcats. The Wildcat coach commented that the Waggener team compared favorably to his winning Eastern team.

Likes Spirit

Mr. Adams' interests cover a wide variety of sports. Asked what his interests were, he replied, "Anything that has spirit to it." The wily cage tutor hopes for a successful season, and that the students will continue to support their school team as they did for the football season. Referring to our school spirit, he claims, "It helps a lot!"

Building A Greater Waggener

Our Purpose And Goal . . .

A GREATER WAGGENER FOR ALL OUR CHILDREN

EVERY parent and every relative of a child in Waggener High School has a devoted interest in the welfare and future of these children. And corollary to that interest is a responsibility to provide sufficiently for their welfare and future.

With that single aim, the Waggener High School Development Association, Inc., a not-for-profit corporation, has been organized to be the nucleus from which a program will be directed on a permanent basis to assure that certain fundamental needs vital to the welfare and future of our children are met. We are many in strength and strong in purpose. We have faith that our purpose will succeed.

The Jefferson County Board of Education has furnished our community and our children with the physical facilities which constitute one of the finest secondary institutions of education in the South. In five years, Waggener has grown from an enrollment of a few hundred in the seventh grade to around 1,850 students in 1958. Next year, when for the first time Waggener will have a Senior High class, enrollment is expected to be nearly 2,500 students.

Waggener is blessed with an excellent faculty and administrative staff who have labored diligently under hardships and shortcomings of finances and physical facilities to build a better Waggener step by step and grade by grade. They have been aided and comforted by an active and diligent Parent-Teacher Association, and by other outside groups.

Waggener High School Development Association has now stepped forward to perform, with the help and cooperation of students, parents, friends, faculty and others, what we might term "a third stage" in building a greater Waggener. It is the major purpose of the Association to solicit and obtain financial resources in this fine and growing community to build athletic facilities on the campus to provide adequate football, track and field, outdoor assembly and baseball installations so that in addition to the mental and moral development of our children they, likewise, will have full facilities for physical development.

We all know from experiences of other new schools established in Jefferson County in recent years that sufficient tax-revenue funds are not available to the Board of Education to furnish these facilities. It is, therefore, our responsibility to furnish them for our children.

The Association's officers, directors and members—after careful consideration and considerable discussion—have set a goal of \$50,000 to be raised to establish these vitally-needed facilities. With all conditions and circumstances considered, we feel that this is a rather modest goal. And we firmly believe that it will be met with the cooperation of all concerned.

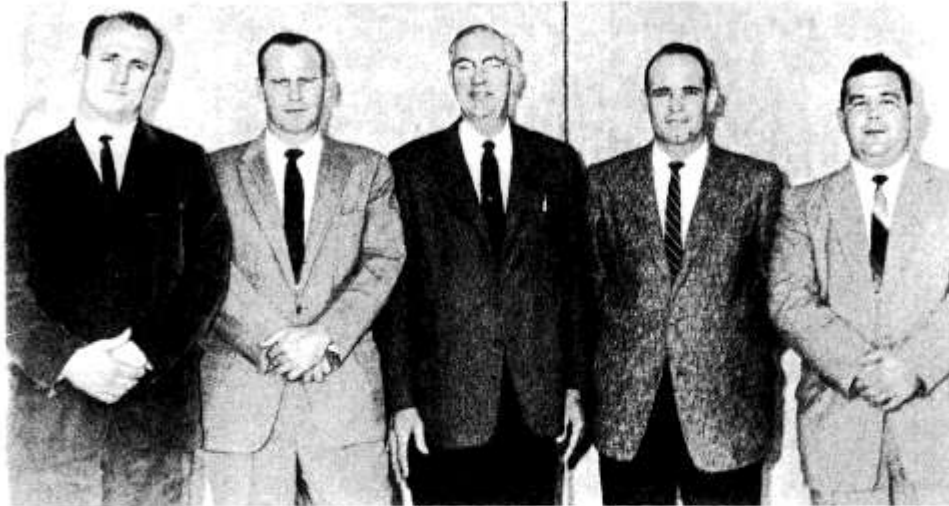

Waggener's first graduating class will be in the Spring of 1960. It would be a crowning success to our efforts in this program to have the first graduating class conduct its ceremonies in the new Waggener Stadium out of doors and under the lights in a magnificent setting along Hubbard Lane.

These athletic facilities will be used by and for boys and girls alike, and for our splendid Waggener Marching Band. And also for the elementary school.

Give this program your blessing, your working cooperation, and as much of a part of your financial resources as you are able. This is one game in which we all can score and have a part in winning.

Claude F. Sexton, President
Waggener High School Development Association

Waggener High School's fine athletic staff, which serves without additional pay is pictured here. From left: James Gray, freshman coach and scout; Jack Kleier, line coach; Morris Chilton, athletic director; Dave Aspy, head coach, and Pat Crawford, Jayvee coach.

Waggener's pretty and enthusiastic cheerleaders already have set a mark in sparking spirit for the Red and Gray. Captain of cheerleaders is Miss Pam Ferguson, at left.

Director Carl Markert drills Waggener's Red and Gray marching band on campus. The stadium will give the band an opportunity to conduct outdoor concerts and to perform at athletic and other events.
