Waggener High School Official Directory 1961-1962

This is one of many sections that contain information, photos, newspaper articles, internet items, etc. of the St. Matthews area and especially of Waggener High School. Many of the items came from Al Ring's personal collections but many people have helped and I have tried to give credit where I can.

The purpose of this "collection" was to create the history of Waggener and the students and teachers who were there during my time. Being retired I now have time to do many of the things I have always wanted, this project is just one of them. The collection is continuing today, so if you should have old or new information on the St. Matthews area from 1950 to 1962 or Waggener High, please contact Al Ring.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles and photos. Credit to the source of the photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. *The Courier-Journal*, *The Louisville Times* or one of the *Voice* publications. Books that we have used for some information include, *Randy*, *Cactus*, *Uncle, Ed and the Golden age of Louisville Television*, *Waggener High School Alumni Directory 1996*, *Waggener Traditional High School Alumni Directory 2007*, *Memories of Fontaine Ferry Park*, *St. Matthews The Crossroads of Beargrass* by Samuel W. Thomas, *St. Matthews, 25 Years a City Two Centuries a Community*, *St. Matthews 1960-1995*, *Waggener Lair's 1958 to 1962*, *The Holy Warrior, Muhammad Ali*, *Louisville's Own (An Illustrated Encyclopedia Of Louisville Area Recorded Pop Music From 1953 to 1983)*.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

HISTORY OF WAGGENER

Waggener Junior High School was named in honor of Mayme Sweet Waggener, a well-known and beloved educator in the St. Matthews area from 1916 until her retirement in 1946. She began her teaching career in the Louisville schools, transferring to the county's Greathouse Elementary School in 1916. In 1918, she became principal there and served in that capacity for twenty-eight years.

Mrs. Waggener died in 1953, and on October 26, 1954, Waggener Junior High was dedicated to her memory.

Waggener is located on a 22-acre site and the original cost, exclusive of land, was over a million dollars. It was the first completely separated junior high school in the history of the Jefferson County educational system.

In 1957, when there was a 10th grade for the first time, the school's name was changed to Waggener High School. In 1960, our first senior class was graduated. They had been accommodated in new yearly-completed wings since 1957.

Mr. John B. Lowe was Waggener's first principal. In 1959 Mr. Lowe was succeeded by Mr. Earl Duncan, assistant principal. The growth of Waggener necessitated the appointment of two assistant principals and four guidance counselors.

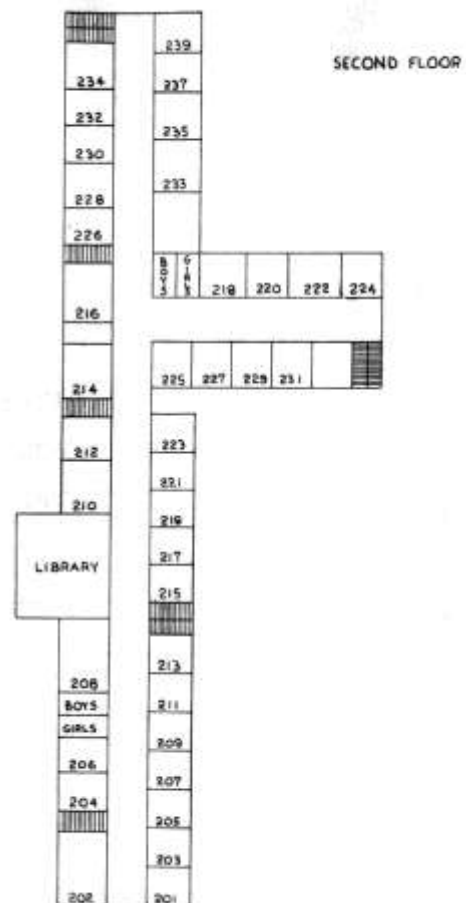

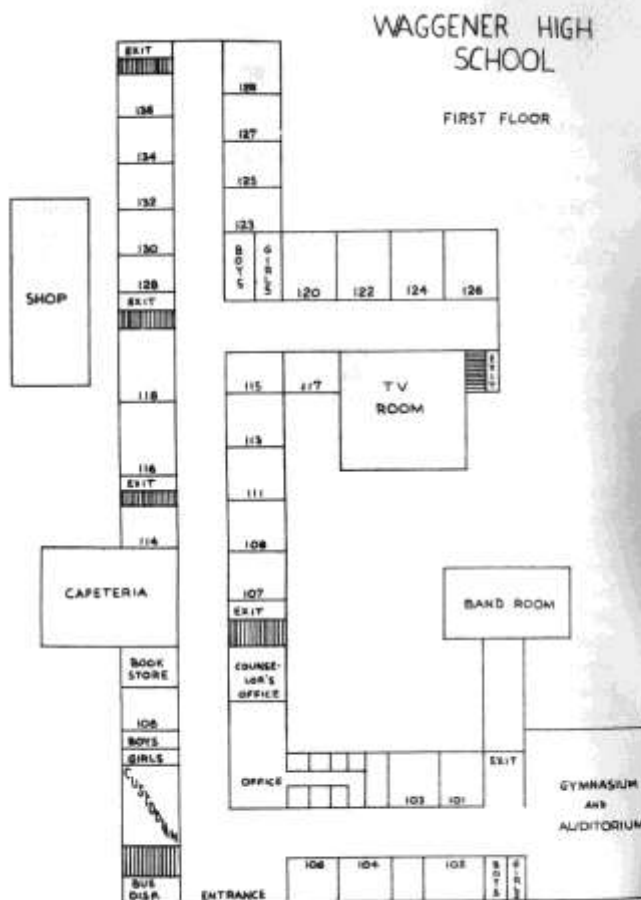

Waggener High School is an accredited secondary school, member of the Southern Association of Colleges and Secondary Schools. It is an important part of the community of St. Matthews and is one of the finest high schools in this part of the country.

MR. EARL DUNCAN

Mr. Duncan was born in Georgetown, Kentucky, on August 21, 1920. He graduated from Oxford High School in Scott County, and received his A.B. in education from Morehead. He also has his Masters degree from the University of Indiana.

In high school he was picked for the first all state basketball team picked by Earl Ruby in 1939. While at Morehead he became one of the best basketball players that has ever come from the state of Kentucky. One time he personally outscored the total opposition.

Mr. Duncan then entered the Marine Corps where he received his basic training at Parris Island and at Quantico Marine Base. He then went to Officers Candidate School. In 1943 Mr. Duncan came to Jefferson County as a teacher at Fern Creek High School. Mr. Duncan transferred to Jeffersontown High School for the year 1943-1944 where he was head basketball coach. In 1950 he transferred to Eastern High School as basketball coach where he coached two county champs. Mr. Duncan continued serving in this capacity until Waggener was opened in 1954. He became the boys' counselor at Waggener. In 1957 he became the assistant principal, and in 1959 became principal.

Pupils who enter the premises may not leave until the close of the day, unless excused through the office.

If a pupil arrives at school after 8:15, he must report to the office, otherwise he will be counted absent for that day and so reported to his parents.

HALL PASSES

Pupils must get permission slips before they leave their classrooms for any reason. A pupil must have this permission from his teacher at all times.

LOCKERS AND LOCKS

All pupils are assigned lockers. The locks for the lockers can be secured in the book store. Any personal lock will be removed if it is on someone's personal locker.

BOOK STORE

The school book store is open in the mornings for business each day. Books and school supplies are available at the book store.

LOST AND FOUND

Lost articles may be claimed at the Lost and Found Room off the main lobby. Bring to this room all articles that are found. They will be marked with the finder's name.

SMOKING

Smoking is prohibited in the school building or on the grounds during the school hours. This is a state law, not merely school policy.

CAFETERIA

All students are required to go to the lunch room during the lunch hour. A well-balanced plate lunch, including milk, may be bought in the cafeteria for thirty-five cents. Extra milk may be purchased. Students who bring their lunches should leave them in lockers until lunch-time. Students are not permitted to leave the school grounds during the lunch hour.

PARKING

All automobiles, motor scooters, and bicycles must be parked behind the school building in the spaces provided for them. *Do not park in front of the building.* This space is for visitors only.

If a student is excused and has occasion to leave school in a car during the school day, he should do so quietly. The speed limit in the school zone is ten miles per hour.

The riding of motor scooters and bicycles is not permitted during school hours.

FIRE DRILLS

Fire drills are required once each month by state law. They should be conducted with such ease and efficiency as will prepare every individual in the building to meet an actual emergency.

Pupils must maintain absolute silence and move quickly and in an orderly fashion. Specific instructions as to route and exit from the building are given by the teacher. Each teacher accompanies his class to the campus, fifty feet from the exits.

LIBRARY RULES AND REGULATIONS

In order to borrow books from the library, a student must present his library card. A library card is given each student at the first of the school year. The right to borrow books may be revoked at any time due to abuse of library privileges.

All books may be withdrawn for 14 days with the exception of reference books, reserved books, and magazines. A book may be renewed for an additional week providing the borrower brings the book to be restamped on the day it is due.

A book lost by a student must be paid for by the end of the semester or the student will not receive his credits for that term.

Waggener can never acquire an adequate library unless her students exercise care and consideration in the use of the books. Do not take any book out of the browsing area unless it is properly issued to you by a library assistant.

APPOINTMENTS

Appointments with the Principal, Assistant Principals, and the Counselors can be made any time during the school day. Teachers should be consulted during their free periods or at the end of the school day if possible.

BUS REGULATIONS

The right of all pupils to ride in this conveyance is dependent upon their good behavior and observance of rules and regulations. Any pupil who violates one of these should be reported to the school principal.

1. The driver is in full charge of the bus and the pupils.
2. Pupils shall obey the driver cheerfully and promptly.

Curriculum

GENERAL INFORMATION ON CURRICULUM

From year to year Waggener High School is constantly changing its program of curriculum. Revision and improvements are being made.

In order for a student to meet graduation requirements he must complete at least 18 units of work over a four-year period (grades 9-12). Certain subjects are required of all students. Additional subjects will be required if a student wishes to qualify for a particular occupational field, special training, or college entrance. Beyond these requirements a student may choose as elective subjects any additional subjects which will help him to reach his goal or add to his personal growth.

A typical college program should include four years of English, at least two years each of science, mathematics, social studies, and foreign language. Major colleges and universities prefer four years of English, four years of science and four years of college preparatory mathematics, and they recommend two

7. Complaints of drivers, pupils, and parents should be reported to the principal.
8. Should the conduct of a pupil on the bus endanger the lives or morals of other people and the offending pupil fails to cease such conduct when requested to do so by the driver, it shall be the duty of that driver to put the offender off the bus and report his action to the principal immediately.

WHAT TO DO IN CASE:

Sign the tardy sheet in the office lobby and get admittance slip from office.
3. You wish to be excused the last period to work.

years or more of foreign language, and two years of social studies. Students should consult the catalogues of colleges of their choice for admission requirements.

Each student should plan his program around a core of subjects which apply more directly to a field of employment he plans to enter. All students in grades 9-12 are expected to enroll in 5 classes each year. TRACT PROGRAM

The Tract program plan of education was started at Waggener during the fall of 1959. Waggener does not have all of the programs that are offered. It has: the Advanced for the gifted students, the Superior for the above average students, and the Regular for the average and below average student. The main purpose of this program is to enable a pupil with varying degrees of ability to find his proper level of achievement. Each student is enrolled in one of the programs that is designed for his interest and abilities. The teachers, counselors, and principals with the interest of the student in mind decide which program is best for the student. A student may move from one program to another.

THE CORE PROGRAM

The seventh and eighth grade core program at Waggener is a type of organization to gradually change the student from the grade school program to the high school program.

Under the core program all reading and writing subjects (literature, grammar, spelling, history, science, and health) are fused together in a three-hour period under one teacher.

This program places emphasis on teacher-pupil planning, individual and group participation, evaluation, work habits, and democratic living.

A pupil receives one grade for all the subjects included in core. The other subjects: mathematics, home economics, shop, physical education, band, art, and music, are taught by special teachers of the subjects. The pupil receives separate grades in each of them.

Departments

HEALTH AND PHYSICAL EDUCATION

GUIDANCE DEPARTMENT

Waggener High School has an excellent Guidance Department. Counselors and teachers help students study themselves, to understand their problems and to work out appropriate plans for studies.

The nine point system of counseling includes individual and group counseling, test coordination and special test referrals, orientation of new students, referrals of special cases, conferences with teachers and parents, and different grade level counseling.

The Guidance Department Staff is:

Mrs. Dawson for 8th, 10th, and 12th grade girls

Mrs. Hays for 7th, 9th, and 11th grade girls

Mr. Aspy for 8th, 10th, and 12th grade boys

Mr. Corey for 7th, 9th, and 11th grade boys

These counselors alternate even and odd years so that they have the same groups of people each year.

The Guidance Program places added responsibility upon the student and parent to plan for the future in making intelligent and proper choices of curriculum and goals.

THE POINT SYSTEM

A student's class ranking is determined by the total of his "quality points." The point system which Waggener uses gives 4 points for an A, 3 for a B, 2 for a C, 1 for a D, and 0 for an F.

17

the student is physically handicapped. A student who enrolled in Waggener after the ninth grade and doesn't already have one unit of health and physical education must obtain this before graduation.

In Physical Education the boys compete in speedball, touch football, wrestling, tumbling, basketball, volleyball, track and softball. The girls compete in volleyball, soccer, basketball, group games, folk dancing, and softball. A physical fitness test is administered at the end of the course.

The health course at Waggener strives toward various objectives. Some of these objectives are contained in the following principles:

1. The educated person understands the basic facts concerning health and disease.
2. The educated person protects his own health and that of his dependents.
3. The educated person works to improve the health of the community.

WAGGENER'S MUSIC DEPARTMENT

Waggener's music department is under the direction of Mrs. Bernice Ely, Mrs. Eleanor Ritchie, and Mr. Carl Markert. It consists of general music classes, a junior high chorus, senior high chorus, a cappella choir, girls' chorus, girls' and boys' ensembles and also similar vocal groups. We have a beginning band and orchestra, as well as our marching band and fine symphony orchestra.

These groups regularly give concerts and play for assembly programs as well as bring honor to the school through outside presentations to local civic groups.

CHOIR

The Waggener Choir is directed by Mrs. Ely. It sings for both the school and the community. The choir is made up of students who are selected by Mrs. Ely. It meets for one period five days a week and offers one credit.

The dramatics course is a combination of academic work and activities. We study the history of the theater, play production, and plays. We produce scenes from recognized plays, pantomimes, and a one act play.

ART DEPARTMENT

The Waggener High School Art Department is composed of Junior High Art for grades seven and eight, and the High School Art program for grades nine through twelve. The program for grades seven and eight is planned with utmost creativity, general background of appreciation and variety of experience as its major goals.

In the High School curriculum, the following courses are offered every day, and one full credit may be earned:

Art I (General Art) — A good basic training in fundamental techniques and use of inventive ideas, and participation in a variety of creative experiences.

Art II (Advanced Art) — A continued development of technique and creative ideas with an emphasis on design, composition, color, and the graphic arts.

Art Appreciation — An academic course consisting of a study of the history of Painting, Sculpture and Architecture from Cave Man to Twentieth Century. (Excellent background for preparation for college.)

22

Trigonometry; Calculus; and Analytical Geometry. Special reports are given in these classes the Junior year.

Waggener has the distinction of being one of the four county schools which have the advanced program under the Five Tract System. These classes are started in the seventh grade and run through the twelfth grade. All the areas taught in the Special Math classes will also be covered in the advanced program in addition to studies of other number systems, etc.

INDUSTRIAL ARTS

The Industrial Arts Department offers courses in general shop and mechanical drawing. A special building adjoining the school houses these classes.

General shop is primarily for seventh and eighth grades. Instruction in woodworking, leather, and metal tooling are given.

Three years of mechanical drawing are offered to high school students. In the first year, a student receives a general introduction, including work on three views, isometrics, and architectural drawing. The second year is a detailed study of architectural and machine drawing. In the third year, the student specializes in his major intent.

The three teachers in the Industrial Arts Department are as follows: Robert Bauer, Dennis Ball, and William Hughes.

DRIVER'S TRAINING EDUCATION

This course, Driver's Education, is offered at Waggener as a one semester subject. Each student experiences two periods per week in classroom study and an average of eight hours behind the wheel and twenty-four hours of additional observation in the car. For this the student receives ½ credit.

The following are the objectives listed for this training:

1. To develop in students attitudes, habits, and skills necessary to be safe and courteous drivers and pedestrians.
2. To create respect and understanding of the necessity and purpose of state and local traffic laws, rules, and regulations.
3. To help reduce the increasing number of traffic accidents and fatalities especially among high school students.

21

These High School courses are designed to give students basic experience for both the fine art and the commercial art fields. They are broad in scope and both specific and experimental with techniques and ideas.

The Health Careers Club is for students in grades 7-12 who are interested in a medical career. The club visits hospitals, have doctors speak to them, and watch movies at school.

CO-ED HI-Y CLUB

The Co-ed Hi-Y Club is an association composed of Waggener High School students who are interested in serving their community. Each year the club participates, together with other club members throughout the state, at the Kentucky Youth Assembly and the Kentucky United Nations Assembly.

The club meets every other Wednesday night at the Y.M.C.A. (St. Matthews). The meetings consist of panel discussions, speakers, films, reports, and various types of recreation. Every year the club undertakes one main service project as their main feature.

In order to be eligible for membership a member must be a high school student with a desire to better serve his community.

CHESS CLUB

The purpose is to promote better understanding of chess in general and to gain a better knowledge of the game.

Membership is open to any Waggener student who shows an interest in the art of chess. The sponsor is Mrs. Paula Pendergrass.

COIN CLUB

The Coin Club is open to any Waggener High student interested in coins or coin collecting. At meetings, the members discuss coins and have speakers discuss coin collecting with them.

CITIZEN BAND RADIO CLUB

This club was organized in 1961 with the purpose of enforcing Citizen Band rules and engaging in social activities. Membership is open to all interested radio fans.

KEY CLUB

The Key Club is a new organization at Waggener, though it is found in many other sections of the country. Its primary function is to interest young people in various activities. Membership is open to boys in grades 10-12.

PEP CLUB

The Pep Club is an organization of students who are interested in working to make Waggener a better school. Members come from all grades and their attitude is one of interest for the welfare of their fellow students, which they show through their participation in the club's work of bolstering school spirit.

THE WAGGENER HIGH SCHOOL DRILL CORPS

The Waggener High School Drill Corps was organized on August 31, 1959. It was organized because girls wanted more extra-curricular activities in which to participate.

The qualifications are good character, ability to march, and no failing grades. The girls are selected by a committee of former band and drill corps members. The girls have performed in Centre's Homecoming. They also perform at selected basketball and football games.

LAIR

The Lair is the written and pictorial history of Waggener High School. It is published annually by a student staff. The sponsors choose the members of the staff for their English abilities, as recommended by previous English teachers.

The staff operates on a series of three deadlines. At each deadline one-third of the final edition is shipped to the Taylor Publishing Company in Dallas, Texas. The finished book comes out in the spring.

28

THE CHIT-CHAT

The Chit-Chat is the official newspaper of Waggener. Its primary purpose is to unite the school and give credit to those persons who excel in school activities.

The members, of the senior class who took journalism in their junior year, make up the Chit-Chat.

The Chit-Chat was awarded the 1st Place Honor Award in national competition, and is a member of the High-Schools Kentucky Press Association. Also the paper has won The International Award for 1st place.

THE LITERARY MAGAZINE — INTROSPECT

The Introspect was introduced to fill a need in the scope of journalistic activity and creative writing at Waggener.

The purpose of the magazine is to encourage creative writing at Waggener of the highest quality, through the publication of such material in a high school magazine.

The types of writing which are acceptable are poetry, prose fiction, criticism, and plays. Art photography, drawings, and the like will also be considered.

The magazine is open to all Waggener students, the seventh through the twelfth grades.

The magazine is closely affiliated with, and was originated within, the Quill and Scroll Society. But positions on the staff in the future will be open to all interested seniors and juniors. Selection will of course be restricted.

QUILL AND SCROLL

The Quill and Scroll is an international honorary society for high school journalists. Its main aim is to try to create an interest in writing and publication work in the high school student. Qualifications for applicants are (1) must be a junior or a senior (2) must have a 3.2 standing and (3) must have done superior work in some school publication. The Quill and Scroll sponsors an annual publication banquet for the staff of the Chit-Chat, Lair, and the Introspect. The Society also sponsors a yearly Creative Writing Contest here at Waggener.

PEP SONGS

Alma Mater

This our Alma Mater, Dear Ole Waggener High.
We enter here to learn, depart to serve mankind.
Loving colors red, gray, may they ever fly.
Reverence, beauty, joy of friends are memories of you.

Though we leave in sadness, we must go our way.
We will forever more, keep you in our hearts.
Honor, pride, and glory, may they ever grow, to
Remind us of the years with you, Waggener High.

School Song

On Ye Wildcats, On Ye Wildcats
Fight for victory. Red and grey our colors dear we'll lead
the way through all the years and we'll be faithful to
our school and never let it die.
We dedicate this song to Waggener High.

Football Pep Song

Put on your old white sweater with the big grey letter for tonight
Waggener High's gonna Fight! Fight! Fight!
Down the field we'll thunder as we plow them under.
Waggener High School's all right, Fight! Fight!

Basketball Pep Song

We all think that Waggener's great and our team is the
best in the state.
Sound-off-Wildcats
Sound-off-Wildcats
Adam's count W A G G E N E R
We're gonna play tonight and we're gonna
give them a heck of a fight
Sound-off-Wildcats

We've got the up beat, down beat, the b-e-a-t
Beat 'um, boys, Beat 'um!

CHEERLEADERS

Varsity cheerleaders are elected annually in the spring. To be able to try-out for cheerleading you must be a junior or senior in high school. The candidates try-out in front of the student body from the freshman class up. The student body votes on the candidates and they are given the results.

After the cheerleaders practice together, they vote on a captain. The girl with the most votes is captain and the girl with the second highest is co-captain.

Cheerleaders usually practice once a week. They attend all games and must be there on time. They are not to wear any part of their uniforms unless attending a sport event — that is game, pep rallies, etc.

32

IS GENEROUS

On the Field he applauds a good play of his opponents; he gives the other fellow the benefit of the doubt.

In School he does not "knock" other schools or individuals; he appreciates another's merit.

In Life he does not ridicule the man who is "down," but encourages him. He is not afraid to think for himself and to voice his opinions straightforwardly, and clearly.

IS GAME

On the Field he plays hard; he fights though he may already be defeated; he accepts adverse decisions; he is a good loser.

In School he does his work, he keeps on working in the face of almost certain failure. He has "The Vim to Think Straight, The Pluck to Act Straight."

In Life he does his part, however hard it may be; he accepts reverses with a smile and tries again.

IS OBDIENT

On the Field he observes the rules of the game, and plays accordingly.

In School he observes and obeys all regulations.

In Life he respects the civic laws and demands of the community.

IS FAIR

On the Field he competes in a clean, hard-fought but friendly way; he helps an injured opponent; he has no alibis.

In School he does not waste his time nor the time of the faculty; he does not copy his classmates' work; he does not receive any help on tests.

In Life he sees impartially both sides of a question; he uses no underhanded methods; he is not influenced by money; he is not partial in administering justice.

34

GIRLS' ATHLETIC ASSOCIATION

The purpose is to promote girls' athletics in high school. Any girl in the ninth through twelfth grades is eligible. Meetings are every Monday night for two hours. The G.A.A. has a girls' basketball team which plays other high school teams. Other athletics include volleyball, trampoline, tennis, swimming, and softball.

SPORTSMANSHIP

Waggener is affiliated with the Seventh Region Sportsman-ship Association, a group designed to promote good sportsman-ship in the seventh region athletic contests. Member also of the Kentucky High School Athletic Association, Waggener is responsible for the conduct of its patrons at games. Improper conduct on the part of a roofer or player could result not only in action being taken against that person, but also the school.

The model for sportsman-like conduct is the sportsmanship code:

A GOOD SPORTSMAN

IS COURTEOUS

On the Field he does not jeer at errors, he does not cheer at the opponents' penalty, he treats them as guests, not enemies.

In School he is considerate of the faculty, of the fellow students, and of visitors.

In Life he is respectful to elders and superiors, he treats the other fellow as he would be treated.

IS MODEST

On the Field he works for the good of the team rather than individual honor; he will even sacrifice his own prestige for his team; he is a gracious winner.

In School he does not become conceited over his success, neither does he feel himself superior to his classmates.

In Life he does not "blow" or brag about what he has done or what he is going to do.
