Waggener High School Wildcat Guide 1957-1958

This is one of many sections that contain information, photos, newspaper articles, internet items, etc. of the St. Matthews area and especially of Waggener High School. Many of the items came from Al Ring's personal collections but many people have helped and I have tried to give credit where I can.

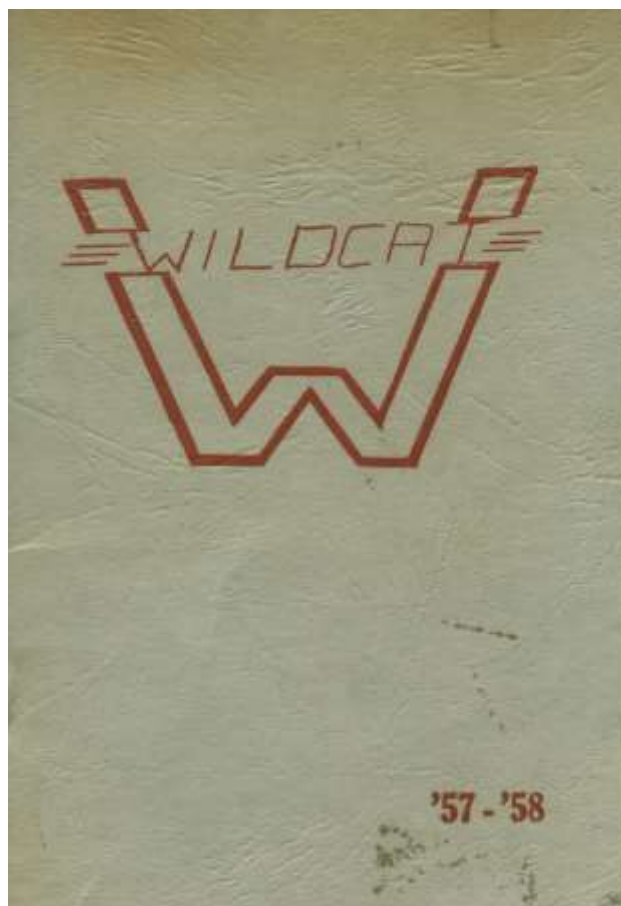

The purpose of this "collection" was to create the history of Waggener and the students and teachers who were there during my time. Being retired I now have time to do many of the things I have always wanted, this project is just one of them. The collection is continuing today, so if you should have old or new information on the St. Matthews area from 1950 to 1962 or Waggener High, please contact Al Ring.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles and photos. Credit to the source of the photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. *The Courier-Journal*, *The Louisville Times* or one of the *Voice* publications. Books that we have used for some information include, *Randy*, *Cactus*, *Uncle, Ed and the Golden age of Louisville Television*, *Waggener High School Alumni Directory 1996*, *Waggener Traditional High School Alumni Directory 2007*, *Memories of Fontaine Ferry Park*, *St. Matthews The Crossroads of Beargrass* by Samuel W. Thomas, *St. Matthews, 25 Years a City Two Centuries a Community*, *St. Matthews 1960-1995*, *Waggener Lair's 1958 to 1962*, *The Holy Warrior*, *Muhammad Ali*, *Louisville's Own (An Illustrated Encyclopedia Of Louisville Area Recorded Pop Music From 1953 to 1983)*.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

Special thanks to the Daniel T. "Danny" Gray, III, (61)

Waggener High School, Wildcat Guide, 1957-1958:

HISTORY

Waggener Junior High School was named in honor of Mayme Sweet Waggener, a well-known and beloved educator in the St. Matthews area from 1918 until her retirement in 1946. She began her teaching career in the Louisville schools, transferring to the county's Greathouse Elementary School in 1916. In 1918 she became principal there and served in that capacity for 28 years.

Mrs. Waggener died in 1953 and on October 26, 1954 Waggener Junior High School was dedicated to her memory.

Waggener is located on a 22-acre site and the original cost, exclusive of land, was over a million dollars. It was the first completely separate junior high school erected in the history of the Jefferson County education.

Since it embodies the tenth grade for the first time this year, the school's name has been changed to Waggener High School. The top grade is accommodated in a newly completed wing, costing approximately \$600,000. Future plans call for addition of one grade each year until it becomes a full high school by 1960 when the first senior class will be graduated.

Growth of the plant has necessitated the appointment of an assistant principal. There are 1,415 students enrolled at present, an increase of 585 over the original enrollment in 1954. The faculty has expanded from thirty to fifty-nine, nearly doubling its size. The student body is divided into fifty-nine home rooms.

Waggener High School is an accredited secondary school, a member of the Southern Association of Colleges and Secondary Schools. It is an important part of the community of St. Matthews and gives promise of growing into one of the finest complete high schools in this part of the country.

MR. JOHN B. LOWE

Principal

Mr. Lowe was born in Inez, Kentucky on October 14, 1914. He graduated from Inez High School, Pikeville Junior College, and received his A.B. degree from Eastern State Teachers College in Richmond, Kentucky. He also has a Master's degree in school administration from the University of Kentucky.

Mr. Lowe taught school in Martin County, Kentucky and in Mingo County, West Virginia before the War. He also served as supervisor of schools in Martin County for two years. He was commissioned an ensign in the United States Navy in 1942 and released to inactive duty in 1946 as a Lieutenant Commander in the Naval Reserve.

In 1947 Mr. Lowe came to Jefferson County as principal of Bowman Field Elementary School. When Eastern High School was opened in 1948, he served as principal of the seventh and eighth grades, and later became assistant principal when Eastern was made a full six year high school.

Mr. Lowe continued serving in this capacity until Waggener was opened in 1954 when he became this school's first principal.

Waggener High School, Wildcat Guide, 1957-1958:

LADIES AND GENTLEMEN

This year at Waggener there is a very large increase in the number of students moving through the building and on the grounds. For this reason, good manners must be stressed more than ever before.

A small courtesy extended to a classmate often pays big dividends in building friendships as well as gaining the admiration and respect of the teachers.

The student who obeys the rules, co-operates cheerfully and eagerly with faculty and administrators, and "puts his best foot forward" at all times, reflects intelligence, good breeding, and ambition.

Coveted rewards of added self-confidence and poise, increased popularity and success go to the individual who strives to acquire effortless courtesy.

In addition to high scholastic standing, athletic victories, etc., one of the greatest honors that could come to Waggener would be a reputation for having well-mannered students.

Waggener High School, Wildcat Guide, 1957-1958:

REQUIREMENTS FOR GRADUATION

In order for a student to meet graduation requirements he must complete at least 18 units of work over a four year period (grades 9-12). Certain subjects are required of all students. Additional subjects will be required if a student wishes to qualify for a particular occupational field, special training, or college entrance.

Beyond these requirements a student may choose as elective subjects any additional subjects which will help him to reach his goal or add to his personal growth:

- A. 18 units are necessary for graduation: 11 required and 7 elective.
(One unit of credit is given for a subject taken 5 times a week for a full academic year.)
- B. Required units must be in the following fields:
 - 4 units of English
 - 2 units of mathematics
 - 2 units of science
 - 2 units of social studies, one of which must be U.S. history
 - 1 unit of health and physical education
- C. 4 units are required for 10th grade placement
8 units are required for 11th grade placement
13 units are required for 12th grade placement

COLLEGE BOARD CLASSES

College Board or Accelerated Classes are offered especially for students planning to attend college. These classes are **not** required for college entrance, but do offer a more intensive study of the subject.

The purpose of offering the college board or accelerated classes at Waggener is three-fold, namely: (1) to meet the needs of the gifted students who have the ability and the will to undertake more difficult and more comprehensive offerings; (2) to motivate and to challenge all students by having constant reminder that a high level of performance is both possible and desirable; (3) to insure an adequate preparation for those students planning to attend colleges that demand a high level of academic achievement.

Mrs. Alice S. Dawson

SCHOLARSHIPS

Every year thousands of dollars worth of scholarships are awarded to students all over Louisville and Jefferson County. They are provided both by private organizations and by colleges. Since space does not permit more detail about them, it is suggested that students consult either their deans or the colleges of their choice for further information.

Waggener High School is grateful to the St. Matthews Kiwanis Club for its recent announcement that several scholarship grants will be made available to the first graduates in 1960.

STUDENT COUNCIL

Mr. Arthur Draut—Advisor

Mrs. Betty McMullin—Advisor

A Student Council will be formed at Waggener for the first time this year. It will be affiliated with both the Ky. and the National Association of Student Councils and will follow the general pattern set up for it by the Association.

The purpose of the organization is to promote the betterment of the school, and form a working link between the faculty and the student body.

Members of the Council, elected by fellow classmates, present problems of the individual students to the government body where they are discussed and dealt with in such manner as to help both the individual and the school as a whole.

The Council plays an important role and should receive wholehearted co-operation and support.

THE NATIONAL BETA CLUB

Waggener Chapter

President	Secretary
Steve Mowry	Peggy Leahy
Vice-President	Treasurer
Robert Ling	Kit Georgehead

Sponsors: Mrs. Mildred Cobb, Mr. Norris Merchant

The National Beta Club is a non-secret service-leadership club for high school students, founded in South Carolina on August 31, 1936. It was instituted and is operated to reward merit, encourage effort, and elevate the moral welfare of high school students. The ideals of the organization are achievement, character, and leadership. Students elected to membership are expected to work for and possess all three, adding leadership and character to achievement.

The Waggener Chapter is made up of all tenth grade students who have a scholastic average of 86 and above. As an honor society the Beta Club requires its members to maintain their high scholastic averages, along with unblemished characters, in order to remain in the organization.

DRAMATICS CLUB

Sponsor Mrs. Annie Jenkins

The Dramatics Club has enjoyed a great deal of popularity and success at Waggener. It has been placed under the supervision of the Jefferson County Recreation Board this year, and will meet after school rather than during school hours as in the past. Activities are planned largely by the members of the club.

The Future Homemakers of America was first organized in Kentucky. The Waggener Chapter is now three years old, and last year won a rating of excellent on its Scrapbook and a certificate stating it was an Honor Roll Chapter.

Besides regular monthly meetings at school, all officers attend a fall Leadership Training day for the Louisville District (this year at Elizabethtown). All members are invited to attend a spring district meeting (last year at Oldham County High). Two members and one advisor are eligible to attend the state meeting each summer on the campus of one of the state colleges.

FTA CLUB

The Future Teachers of America is a national organization founded in 1937 and is a part of the National Education Association.

Waggener received its charter November 9, 1954. The Club is divided into the following three sections:

7th & 8th Grade Girls

Sponsors — Mrs. Gladys Goodell, Mrs. Anna S. Swann

9th & 10th Grade Girls

Sponsors — Mrs. Katherine Kirwan, Mrs. Jacquie Planck

All Boys Section

Sponsors — Mr. Morris Chilton, Mr. John Mohr

Pat Moore, president of the 9th and 10th grade girls section, was elected last May. The large turnout at the first meeting indicates greater interest in this club than ever before. Membership is open to every boy or girl interested in becoming a teacher.

SCIENCE CLUB

Mr. Edward Simpson

Sponsor

President	Burt Pence
Vice-President	Bob Wood
Secretary and Treasurer	Sandy Oed
Sergeant at Arms	Charles Brown

This club is a member of the Kentucky Junior Academy of Science. Its main objective is to stimulate interest in all phases of science through individual and group projects. The club has approximately 60 members this year divided into three groups—the Junior and Senior Physical and Biological Groups, and the newly formed Radio Club.

Meetings are held after school weekly with general meetings once a month. The year's activities are climaxed by competition in the Ky. Jr. Academy of Science Fair where Waggener has won in the group project for Junior High division for the past two years. The group has also been holding its own fair in connection with one of the P.T.A. meetings each year.

New members must be voted upon by the Club.

JOURNALISM CLASS

Mrs. Katherine Kirwan

Journalism has been added this year for 10th grade students interested in writing. It has been
