Waggener High School, Class of 1960, 20 Year Reunion (June 1980) 2nd Edition

This is one of many sections that contain information, photos, newspaper articles, internet items, etc. of the St. Matthews area and especially of Waggener High School. Many of the items came from Al Ring's personal collections but many people have helped and I have tried to give credit where I can.

The purpose of this "collection" was to create the history of Waggener and the students and teachers who were there during my time. Being retired I now have time to do many of the things I have always wanted, this project is just one of them. The collection is continuing today, so if you should have old or new information on the St. Matthews area from 1950 to 1962 or Waggener High, please contact Al Ring.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles and photos. Credit to the source of the photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. *The Courier-Journal*, *The Louisville Times* or one of the *Voice* publications. Books that we have used for some information include, *Randy*, *Cactus*, *Uncle, Ed and the Golden age of Louisville Television*, *Waggener High School Alumni Directory 1996*, *Waggener Traditional High School Alumni Directory 2007*, *Memories of Fontaine Ferry Park*, *St. Matthews The Crossroads of Beargrass* by Samuel W. Thomas, *St. Matthews, 25 Years a City Two Centuries a Community*, *St. Matthews 1960-1995*, *Waggener Lair's 1958 to 1962*, *The Holy Warrior*, *Muhammad Ali*, *Louisville's Own (An Illustrated Encyclopedia Of Louisville Area Recorded Pop Music From 1953 to 1983)*.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

CLASS OF 1960

Waggener High School grads plan reunion

By Glee Crutcher
Staff Writer

Mike Gladden's postman has about had it.

Since July 15 he's been bringing a load of mail every day to the Gladden home at 9806 Boxford Way . . . over 300 letters so far.

The occasion? Waggener High School's first graduating class is going to celebrate its 10th anniversary with a dinner dance Dec. 27. Mike is secretary of the reunion committee.

In true detective style the committee has tracked down and heard from almost every member of the class, though they are scattered to the four winds, and so far most of them plan to come, even an exchange student from Monterey.

"I've heard up to now from Florida, Georgia, California, Massachusetts, Virginia, Pennsylvania, Tennessee, Ohio, Illinois, New York, New Jersey, Indiana, Alabama, and South Carolina," says Mike. "It's amazing. There were 326 in our class."

At the end of the letter sent out earlier, a small list of those for whom the committee couldn't find addresses was included. Now almost all of those have been heard from, traced by other classmates who had kept in touch.

"The class of 1960 was a close one," says Mike. "Since we were Number One we established most of the traditions now being observed at Waggener. It's astounding to me what has transpired in 10 years and sent so many of us all over the country to live."

Perry Wood was class president. He now lives in New York and definitely will be on hand for the celebration. The other officers were Steve Graef, vice-president; Bill Moeller, treasurer, and Gayle Reichmuth, secretary, all of whom plan to come. Four acceptances alone have been received from classmates living in California.

Sam Pollitt is chairman of the reunion committee. The date of the party is definitely set for Dec. 27 but the place is as yet undetermined. In charge of the program is Brent Robbins. Kit Georgehead is acting as treasurer, and Carol Westfall and Judy Henderson have volunteered as corresponding secretaries.

Honorary chairman of the event is Mrs. W.T. Micou, Jr., 322 N. Bonner Ave. Her daughter, now living in Cincinnati, was a member of the Class of 1959 and for years Mrs. Micou kept a scrap book of pictures and newspaper clip-

pings pertaining to every event that occurred in the school. The boys and girls, who scattered in a myriad of directions to college, always loved to drop in at the Micou home during their vacations, recalling their high school days. She compiled the original list of graduates and where they'd gone, and for some time put together newsy letters and sent them out.

"Very Important Persons at our reunion will be some of our former teachers who'll be our special guests," says Mike.
