Waggener High School, Class of 1960, 50th Reunion, September 10, 11, 12, 2010 Volume 1

This is one of many sections that contain information, photos, newspaper articles, internet items, etc. of the St. Matthews area and especially of Waggener High School. Many of the items came from Al Ring's personal collections but many people have helped and I have tried to give credit where I can.

The purpose of this "collection" was to create the history of Waggener and the students and teachers who were there during my time. Being retired I now have time to do many of the things I have always wanted, this project is just one of them. The collection is continuing today, so if you should have old or new information on the St. Matthews area from 1950 to 1962 or Waggener High, please contact Al Ring.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles and photos. Credit to the source of the photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. *The Courier-Journal*, *The Louisville Times* or one of the *Voice* publications. Books that we have used for some information include, *Randy*, *Cactus*, *Uncle, Ed and the Golden age of Louisville Television*, *Waggener High School Alumni Directory 1996*, *Waggener Traditional High School Alumni Directory 2007*, *Memories of Fontaine Ferry Park*, *St. Matthews The Crossroads of Beargrass* by Samuel W. Thomas, *St. Matthews, 25 Years a City Two Centuries a Community*, *St. Matthews 1960-1995*, *Waggener Lair's 1958 to 1962*, *The Holy Warrior*, *Muhammad Ali*, *Louisville's Own (An Illustrated Encyclopedia Of Louisville Area Recorded Pop Music From 1953 to 1983)*.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

A very special thanks to those who sent photos.

Good things begin to happen when a letter man has his good hot soup

He has to keep his strength up—as he's having soup after sports. Today it's Campbell's Vegetable Beef Soup, chock-full of the good natural combination of good natural foods. Lean beef. Six garden vegetables, picked 'em-ripe. All in a good, fragrant broth, robust with beef and vegetable juices. It's so good. You're good. Makes a letter feel good, too. And it's ready in 4 minutes by a letter man...of men.

Have you had your soup today? **Campbell's** (NEW! NEW! NEW!)

Smart ideas for sandwiches to go to school!

Rich cheese flavor in every bite... because Kraft makes them from truly fine natural cheese. High protein power per slice... because Kraft gives you generous full-ounce slices.

HEART AMERICAN
NO COOK SLICES

Extra-crisp, flakey Kraft American Slices with melted cheddar cheese on a hot spread with Kraft Light Mayonnaise.

Good Preparation! Kraft's Special Old English Bread and Italian or white bread spread with Kraft American Slices.

Very tender—delicious! Kraft Slices with Swiss muenster cheese and egg salad on popovers.

Easy to assemble! Kraft Slices with cheddar cheese and pulled chicken on an Italian spread with Kraft Mayonnaise.

A white-cheddar sandwich and melted cheddar sauce, combined with creamy Kraft Deluxe Dressing on whole wheat.

Well-made. You can buy almost slices... but none with the substance of those from Kraft give you. Kraft Slices—these—the best-tasting pasteurized process cheese you can buy.
