Waggener High School, Class of 1961, 1960 & 1962, 40th Reunion, 2001

This is one of many sections that contain information, photos, newspaper articles, internet items, etc. of the St. Matthews area and especially of Waggener High School. Many of the items came from Al Ring's personal collections but many people have helped and I have tried to give credit where I can.

The purpose of this "collection" was to create the history of Waggener and the students and teachers who were there during my time. Being retired I now have time to do many of the things I have always wanted, this project is just one of them. The collection is continuing today, so if you should have old or new information on the St. Matthews area from 1950 to 1962 or Waggener High, please contact Al Ring.

All graphics have been improved to make the resolution as good as possible, but the reader should remember that many came from copies of old newspaper articles and photos. Credit to the source of the photos, etc. is provided whenever it was available. We realize that many items are not identified and regret that we weren't able to provide this information. As far as the newspaper articles that are not identified, 99% of them would have to be from one of three possible sources. *The Courier-Journal*, *The Louisville Times* or one of the *Voice* publications. Books that we have used for some information include, *Randy*, *Cactus*, *Uncle, Ed and the Golden age of Louisville Television*, *Waggener High School Alumni Directory 1996*, *Waggener Traditional High School Alumni Directory 2007*, *Memories of Fontaine Ferry Park*, *St. Matthews The Crossroads of Beargrass* by Samuel W. Thomas, *St. Matthews, 25 Years a City Two Centuries a Community*, *St. Matthews 1960-1995*, *Waggener Lair's 1958 to 1962*, *The Holy Warrior*, *Muhammad Ali*, *Louisville's Own (An Illustrated Encyclopedia Of Louisville Area Recorded Pop Music From 1953 to 1983)*.

Please use this information as a reference tool only. If the reader uses any of the information for any purpose other than a reference tool, they should get permission from the source.

Waggener High School, Class of 1961, 1960 & 1962, 40th Reunion (2001)

Dates for Waggener 1961 Reunion

Dear On-line Classmates:

We have dates for the 40th reunion: Sept. 28, 29 and 30, 2001. We will start with a Friday night event which will include a visit to Waggener itself. Saturday night will be a dinner/dance. Sunday morning will be a farewell brunch. Many more details later.

For those hearty souls who are working on this event (or who want to volunteer), our next meeting is at 7:00 PM, April 26, at my house at 2406 Tucker Station Road. Come join us. We have a ton to do.

Special thanks now to the team of Scott Davis, Dick Bedwell and Dan Gray who are compiling addresses and bios on everyone. Please help them by following up on the mailings and e-mails.

See some of you on April 26 and ALL of you in September. By the way, we are inviting members of the classes of '60 and '62 to join us, but we will not be able to compile a mailing list on them, so pass the word by whatever means.

Thanks and hello to everyone, Steve Porter

Dear Wildcats of 1961 (and '60 and '62),

Here it is: an advance preview of the snail-mail invitation which will be mailed soon. Print out the attachment to this e-mail, read it carefully, make a commitment, fill out the second page, write your check and send it back to us. We want to see all of you in September, not just hear your gossip and memories on here (but hasn't it been fun?).

Now is the time; don't even wait for the mailed invitation. Be the first from your grade school to reply and you can brag forever on the chat group. Please do not wait until the last minute. The committee needs to plan for the right number of people. Please help them. Also, we still need volunteers for last-minute work, such as decorating, etc. For those of you in contact with any teachers, coaches, or employees from our era, please get a copy of this to them. Do not assume we will find them. Thanks. Let us know which of them might come. This will be fun only if YOU come. "See you in September."

Steve Porter '61, Scott Davis '61, Dick Bedwell '61, Danny Gray '61

Scott Davis, Steve Porter and I spent about 3 hours last night calling those who have not yet responded. We had some pretty good results. If you didn't receive a form, please come anyway. Friday night, Waggener at 5:30 pm, for food, football game, and whatever. Saturday night, Louisville Boat Club at 6:30 pm until midnight, for dinner/dance with Cosmos, Sunday morning at 10:30 am for brunch at Steve Porter's B&B on Tucker Station Road. If you don't know where it is, please ask.

Waggener 1961 Reunion

Dear Friends,

This is just a short note because I'm too damn tired to write a long one. What a great weekend we all had in Louisville. Now we know what the "in" crowd is: those who came to the reunion (and those who wanted to come but couldn't). After 40 years, it sure didn't matter who you were in high school, it was just good to be with a truly wonderful group of people. You were great in the 50's and 60's, and you are great now. Sorry to anybody who missed it. See you next time (hint: that may be sooner than 10 years).

My special thanks to Marie Van Hoose Sayre (who shamed us into this) and to Dick Bedwell, Scott Davis and Dan Gray, who made it all possible with their hard work. Our class is forever indebted to these guys. As you communicate with them, please thank them again and again.

I am sure there will be more postings with stories and tales from the weekend. Eventually, we will have pictures posted on the web site, so look for those. Also, we hope to publish and distribute the latest mailing list.

One final piece of business: we need to establish a class gift committee (now that we have some contributions) in order to determine what we do with the money we have collected. We will have a core group here in Louisville but really need some "outside" advisors to keep that group honest. If you want to serve, please contact me privately through email or otherwise (502-419-9030), and we will establish a permanent group.

That's it for now. I know this room will be buzzing for weeks. Those of us who were here know how wonderful it was to see old friends, and we were reminded how special it was to spend part of our childhood at Waggener High School.
