Class of 1960 Classmates

A week ago we finally had our 62nd Reunion. 97 registered including spouses and guests and the consensus was that we had a wonderful Reunion. Many of you were not able to join us due to distance, age, health, cost etc. and we missed you. However, the committee would like to share photos of the four activities of the weekend, taken by Beverly Herman, Jack's wife, with you so that you can, in a small way, feel a part of the celebration. If you highlight and open the url addresses below for each event, it will take you to dozens of photos of the activity.

The Committee had a great time planning and executing the Reunion and enjoyed seeing everyone of you who were able to attend. For those who were not able, we share the events with you in spirit. Carol Miller Crossman, Sue Evans, Todd Gardner, Steve Graef, Judie Wylie Henderson, Jack Herman, Brent Robbins, Betsy Drautman Tyrrell
Auxiliary Members
Dale Crossman, Ron Hammerle, Beverly Herman and Bob Leason

WHS Class of 1960 Reunion, Friday Night 10/7/22

Oct 7-14

This Reunion activity was held at Hillcrest Tavern on the Friday night before the Dinner. Some people at the Sports Bar were not able to attend the Saturday Dinner. They are identified in this album. All those who attended the Reunion Dinner on Saturday night are left unidentified in this album but you will recognize them if you study the album labelled "Reunion Dinner". For example, the upper right photo is of Rod Smith and Brent Robbins. Neither were able to attend the Reunion Dinner.

In the photo Right of Center is John Dobbins with Sue Evans Terry Th Harned Gibson. John was not able to attend the Dinner

WHS Class of 1960 Reunion School Tour, 10/8/22

Sep 27–Oct 8

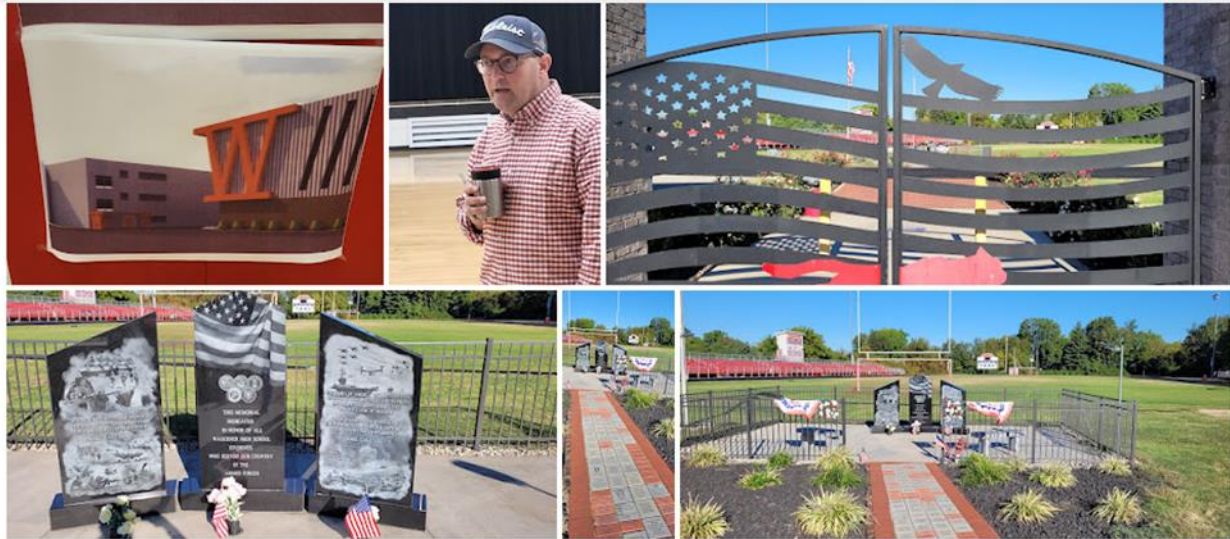

Our classmates toured WHS Saturday morning, Reunion Weekend. We were welcomed by Dr Sarah Hitchings, Principal and led on the tour by Jamie Dumsdorf, Athletic Director and WHS Alum. Dr Hitchings briefed us on the multiple programs at Waggener and their driving goal of "Making all students college and career ready, one Wildcat at a Time". They have college prep and career prep and most students have the opportunity to earn college credit for one or more courses during their junior and senior year.

Dr. Sarah Hitchings told us about (1) the implementation of technical career programs such as Sports Medicine and Legal Services, about the Capital Improvements such as the career support buildings, the rubberized athletic track that is a joint facility with the City of St Matthews, the new gymnasium that is large enough to seat both home and visitor fans (negating the need to play basketball off site as we did in our day), the impressive Veterans Memorial in the football stadium and the plans for an auditorium to allow meaningful assemblies and performing events for the students as well as a community resource for the City of St Matthews. The architectural renderings above are indicative of the facility that will be eventually built on the northwest side of the school. The School Board has earmarked approximately 2/3 of the funding and community leaders are seeking support for the balance.

WHS Class of 1960 Reunion School Tour, 10/8/22

Sep 27-Oct 8

The Veterans Memorial to fallen Waggener Students as well as a tribute to all Wildcats who have served our Country in the armed services. The walkway to the Memorial is paved with bricks donated by various alumni and friends with inscriptions honoring alumni and friends by naming them and brief descriptions. Bricks can be purchased by going to the WHS Alumni website, www.waggeneralumni.com
